The Lawman

Good Evening everyone and welcome back to The Lamb for this attractive game against Luton Town in the Blue Square Bet Premier Division.

Games like the one we are hosting this evening is the reason why we are all in this league and under the floodlights here at The Lamb, I'm sure there will be a terrific atmosphere generated by both sets of supporters. Despite Luton's result on Friday evening I'm sure they will still be backed by a large travelling contingent of supporters, and I am hoping that following our two successive victories, that our own fans will turn out in force, to watch what should be a terrific game.

I would like to take this opportunity to welcome Paul Buckle and his Luton side to The Lamb and I trust they will enjoy our hospitality before having a safe journey home later this evening.

Last Saturday we recorded a terrific 1-0 win over Lincoln City to make it back to back wins and clean sheets, which of course, is always nice. Although it wasn't one of the prettiest games to games to watch I was delighted with the way that we dug in and stuck to our task. I have mentioned the last two games and I think that they have shown what sort of a side we are. We were free flowing and very good to watch against Gateshead and then at home on Saturday against Lincoln City we buckled down and showed a different side to us. Of course I would have loved to have played the better football in the home game but with the red card to Richard Tait we had to adapt. I have said many time before in this column that at different times throughout the season we shall have to

adapt our style of play to compete and that is what we did on Saturday.

The three points that we gained have taken us back up to eighth position in the league table and with games coming thick and fast it is important to continue to keep picking up the points and three points tonight would really see us move further up the table.

Despite our back to back victories no-one at this football club is getting carried away. Every point in this league has to be fought hard for, there are no easy games, and I think the league is certainly showing that at the moment. No-one is running away with it at the moment and I do expect it to continue like that throughout the season.

We shall need your support once again this evening and as I keep repeating myself you can really make a difference to us and be our twelfth man. Please get behind the lads tonight, make as much noise as you can, and I promise you all that we will be doing our very best to claim those all important three points.

Enjoy the game

NEWS FROM AROUND THE LAMB

Lambs over the Airwaves

Last time we informed you that a trio of Lambs volunteers namely Nigel Vaughan, Dave Clayton and Dave Brown have started covering First Team Saturday matches on local radio station Tamworth Community Radio - TCR FM 106.8FM or www.tcrfm.co.uk. between 3 and 6pm. The Sports Zone, hosted by Mike Thomas, is a comprehensive round-up of local and national sport with particular emphasis on TFC. So, if you can't get to our next fixture at Woking on Saturday, why not listen in and get regular updates from Kingfield Stadium and hear an exclusive interview with Marcus Law after the final whistle has blown.

Woking FC

Next Saturday we are on the road again to one of our longest journeys and with just under a quarter of the League games being played we have played at two of our longest trips, it only now leaves trips to Barrow and Ebbsfleet which will take over three hours to get to on the team coach. If travelling to Woking on Saturday the postcode for the ground is GU22 9AA but parking is very limited around the ground and the home club recommend that our supporters use a multi storey car park in Heathside Road which is about a mile away from the ground. The main railway station is about a 10 minute walk. Admission for the game will be £15 Adults, Under 16's £5 and Concessions £10 (65+ & students with valid student card) Wheelchair spaces are available at £10 which also includes a carer, these are available by calling 01483 772470.

Reserves

Last Saturday the team won a Midland Combination Reserve Division One match 3-2 away at Loughborough University. The goals were scored by Jake Healy who scored two with Jan Llado scoring the other goal. It was a good result against a good Uni side and the teams play each other again this Saturday when the return League fixture is being played at the Lamb at 3.00pm. Admission is £3 Adults £2 concessions & £1 for juniors. The following Saturday the team travel to Lichfield City then on the night the first team travel to Forest Green Rovers the lads will be at home to Quorn however we

will be trying to move this game to the Monday evening so that Marcus and Dale can watch the game. Details will be listed in our usual media outlets

Bucket Collection

Tonight a bucket collection is being held which will see the proceeds split between St.Giles Hospice and the TeamBuilder scheme. All donations will be greatly received

Birmingham Senior Cup

Next Tuesday the Lambs will be in Senior Cup action away at Sutton Coldfield Town. The game kicks off at 7.45pm and the Royals will be charging £7 for adults and £4 for concessions. The Royals ground is in Coles Lane (B72 1NL) and early arrival is recommended as it is mainly street parking in a residential area. There are large car parks in the Sutton town centre which are a 5 minute walk away.

Loans

This coming weekend sees the youth loan of Shaun Jeffers from Coventry City come to an end. The club are hoping to extend the deal but with a new first team manager now installed at the Ricoh he may have other plans but Marcus will be speaking with his contacts to establish if we can keep Shaun and give him important match action

Luke Bottomers loan at Stafford Rangers also ends on Saturday and with limited first team opportunities at the Lamb it is hoped another deal can be arranged so that he can get regular first team action which at this stage of his career he needs. We allowed Luke to play in the FA Cup for Stafford last Saturday but it was a short lived FA Cup action as they got knocked out by Gresley. John Dempsters emergency loan ends after the Newport County AFC game, he has certainly settled in well with the lads and he is another player that we would like to keep. With Teambuilder covering his wages for this month it will take some wheeling and dealing by Marcus to try and extend Johns loan with the Lambs. The loan has however allowed Sam Oji the time

John Dempster

to gain fitness after his recent hamstring injury forced him out of action.

Jamie Smith and Tom Gilbey have seen their loan at Lichfield City curtailed due to a change of Manager at Lichfield. Former Lamb Russell Dodd who was in charge agreed to take Jamie and Tom but they are now back at the Lamb awaiting Marcus to arrange another move for them.

Academy Trial

South Staffs College have announced a new date for a trial, recently it was expected that there would be no more trials until next summer but with a number dropping out off the course the door of opportunity has opened for new students to stake a place in the Academy/Reserve team set up.

The trial will be held on Sunday 7th October 2012 at Bolehall Swifts FC between 12 and 3.30pm so anyone who will be attending will have to be prepared to be available for this period. If you are 16+ and want to a trial send your request to Craig.Hancox@southstaff.ac.uk or call 0300 456 24 24 for full details on our level 2 or 3 BTEC Sports Qualification at the Tamworth Campus

Richard Tait

As a result of his sending off last Saturday Richard will now miss this evenings match and the next two league games due to a 3 match ban. This ban will actually be a 4 match ban as the BCFA Senior Cup tie away at Sutton Coldfield Town does not count towards the ban but the game is in a week whilst Richard is suspended.. This rule does not apply to clubs in Leagues below the Conference Premier League.

CAPTAIN'S CORNER

Welcome to the Lamb for tonight's game against Luton Town. Looking back on Saturday's game it was a great win against Lincoln City, not in the sense of how we played, but in the sense of a team effort. I got told by the boys the game wasn't great but we managed to put in a professional performance and to come away with the points winning ugly is sometimes how it has to be and the boys done that brilliantly after I let them down early doors by getting sent off.

Not really sure what to say about the red card so I will keep it short and apologise to the lads for leaving them a man down but all credit to them for coming through with the win.

Two wins out of two since our slip up and the boys are really in high spirits. There is a massive belief in the camp that we can really do well this season and of course it takes hard-work every week but also a bit of luck now and again. There will be slip ups along the way I'm sure but all I'd ask from the fans

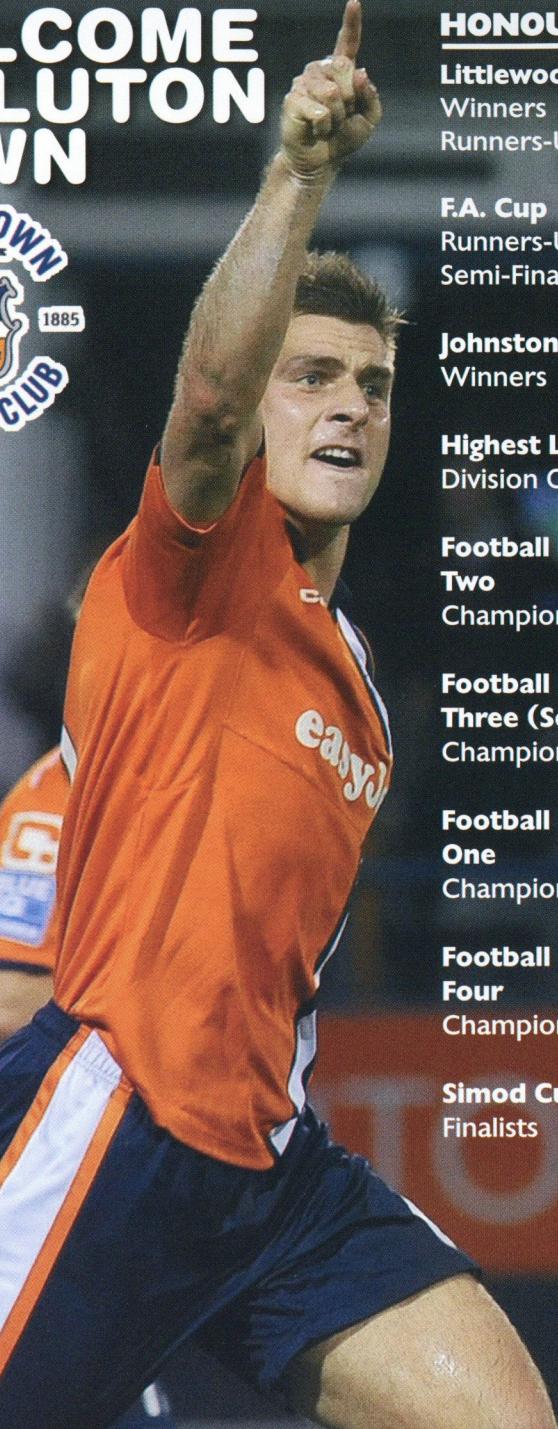

is that you get behind us like you always do and push us in the right direction. We all appreciate your support and it definitely helps us during tough periods in games.

Well done to Lloyd Kerr on his first goal of the season he's had about 8000 shots so I'm just happy he's finally hit the target. I don't know how him and Connor Gudger juggle being a professional footballer and full time tag team champs but I'm sure their joint ice bath sessions must help.

Enjoy the game and get behind us as always

Richard

LUTON TOWN

THE SEASON SO FAR

Following the appointment of Paul Buckle as Manager towards the end of last season hopes were high that at long last this would be the season that the Hatters would reclaim their place back in the Football League, writes Terry Brumpton. Buckle almost made it a fairy tale start to his Managerial career at Kenilworth Road when he led his new club into the Blue Square Bet Premier Division Final to stand just ninety minutes away from a return to the Holy Grail. York City stood in their way and it was the former Tamworth Manager, Gary Mills, who had the last laugh on the day when he saw his side beat Luton in a tight final and with a hotly disputed goal.

So when this season kicked off the vast majority of the 6743 fans that made their way to Kenilworth Road for the opening day of the season were in confident spirits that this was to be Luton's season. However, someone forgot to tell opening day visitors Gateshead who raced into a 2-0 lead, within thirty five minutes of the season. To their credit the home side rallied and second half goals from new signing Jon Shaw, against his former club, and Stuart Fleetwood rescued a point for the Hatters.

Next stop was a difficult looking away game at Aggborough against Kidderminster Harriers and ace marksman Fleetwood was on target again scoring both goals within the opening half hour as Luton recorded a splendid 2-0 win to get their season up and running. A trip to newcomers Hyde was next on the agenda and the watching live Premier Sports TV audience sensed a shock was on the cards when Steve Blinkhorn shot the home side into a fifty fifth minute lead. However, their joy was shortlived, as within fourteen minutes JJ O'Donnell equalised and twelve minutes from time that man Fleetwood was on target for the third successive game with the winner.

A crowd of 5970 returned to Kenilworth Road for the visit of AFC Telford United and Kieron St.Aimie stunned them by firing the visitors into a first half lead. The second half turned out to be a stormy affair

with three sending offs. The visitors had Preston dismissed in the seventy ninth minute followed by Reid seven minutes from time and in between times Luton had skipper Henry dismissed as well. This time there was to be no recovery as Luton slipped to their first defeat of the season.

On August Bank Holiday Monday they had an early opportunity to put that defeat behind them when they travelled to Kent to face Ebbsfleet United and two goals in the opening nineteen minutes gave Buckle's men just the sort of start they were looking for. Fleetwood, was on target again for his fifth goal of the season after just ten minutes and nine minutes later Scott Rendell doubled the advantage with his first goal of the campaign. Fleetwood wrapped things up with a third and although the home side did pull a goal back it was little more than a consolation.

The opening day of September saw relegated Macclesfield Town the visitors but once again Luton were quick out of the blocks to open up a two goal lead inside seventeen minutes. The visitors pulled a goal back early in the second half but late strikes from Rendell and Fleetwood swept the Hatters to an emphatic 4-1 win, their best of the season. Just three days later it was the turn of Cambridge United to visit Kenilworth Road and it was the U's who opened the scoring through Welland after thirteen minutes. Goals, though, from Kovacs, Gray and Beckwith put Luton into a strong position and although McAuley did grab a late goal back for United it was Luton who held on to claim three more valuable points.

With two home wins, and seven goals behind them Luton travelled to Alfreton Town in good spirits but just ninety minutes later they were brought down to earth suffering a surprising 3-0 defeat, a result which ranks as one of the most surprising of the season so far and then a week last Saturday Luton again drew a blank when they were held to a goalless draw by high flying visiting Wrexham. Last Friday evening the Hatters suffered a 4-1 defeat at Grimsby Town.

The Main Man Stuart Fleetwood

Striker, Stuart Fleetwood has already bagged seven goals this season and the prolific striker will have to be closely marked this evening.

Fleetwood signed for an undisclosed fee from Hereford United on deadline day in August 2011.

The Gloucester-born frontman, who scored 28 goals the last time he played at Conference level whilst with Forest Green Rovers, signed a two-year deal at Kenilworth Road.

He began his career as a trainee at Cardiff City, making the grade to feature eight times for the Bluebirds between 2003 and 2006.

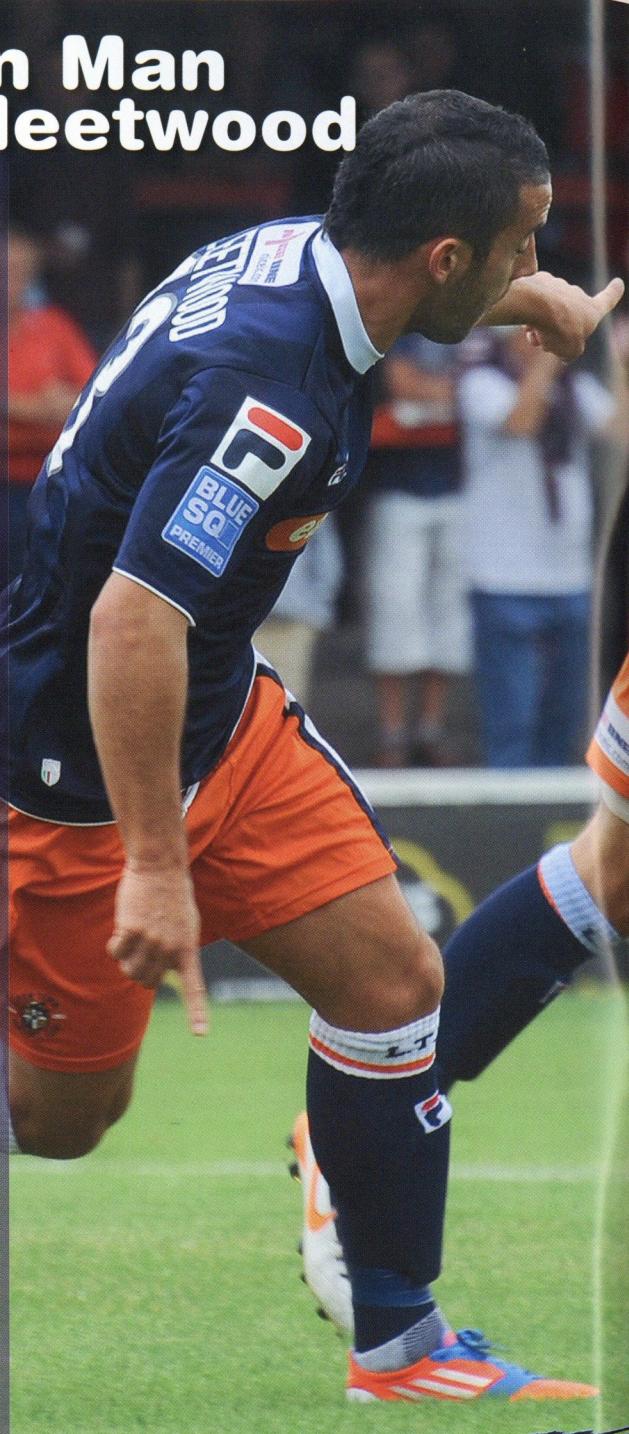

In January 2006, Fleetwood signed for Hereford for the first time scoring eight times before he signed for Forest Green in June 2007.

And it was his spell with Rovers that saw people sit up and take notice after plundering 32 league and cup goals in a season that saw the Gloucestershire side earn their highest league placing.

The Wales Under-21 international turned down a new contract at FGR to sign for then Championship Charlton in June 2008 but was loaned out to Cheltenham, Exeter and Brighton.

Fleetwood returned to Edgar Street last summer and scored 18 goals as he helped the Bulls avoid the drop in League 2.

After hitting the post on his debut against Stockport, Fleetwood scored on his full debut in the win over Darlington.

The Manager Paul Buckle

The Hatters appointed Welwyn-born Buckle in April 2012 following the departure of Gary Brabin.

He signed a two-year contract at Kenilworth Road three months after leaving League 2 side Bristol Rovers.

Originally moved to the Memorial Ground having managed Torquay United where he won them promotion from the Blue Square Premier in 2009

After a 17th-place finish in League 2 in 2009/10, Buckle guided the Devon club to the League 2 play-off final last season where they were defeated narrowly by Stevenage at Old Trafford.

In his playing days he was best known for his spells in midfield for Colchester, Brentford and Torquay and Exeter.

MEET THE HATTERS

MARK TYLER

Hugely experienced goalkeeper who signed a two-year contract at Kenilworth Road in June 2009 to become Mick Harford's fifth signing of the summer following his release from Peterborough United. Mark made 483 appearances in 15 years at London Road and was rewarded for his loyalty with a testimonial against Liverpool in 2007.

After falling down the pecking order at Posh he found first team opportunities hard to come by and in 2008/09 he was loaned out to League 2 Bury where he made 11 appearances for the Shakers.

A former England Youth international, Tyler was handed the number one shirt by the Hatters boss who admitted he'd failed in an attempt to sign the stopper the previous summer.

After a hugely successful two years between the sticks at Kenilworth Road, Mark signed a new contract in the summer of 2011.

LATHANIEL ROWE-TURNER

Defender Lathaniel Rowe-Turner became Town boss Paul Buckle's sixth signing of a busy summer in July 2012.

The 22-year-old is a left-back by trade but is equally comfortable at centre-half and is reunited with the manager having previously worked together at Torquay United.

Born in Leicester, 6ft 1in Lathaniel began his career with his hometown club. He was part of the Foxes' youth team that won the Premier League academy league in 2006/07. In the following season he was named City's academy player of the year. However, having failed to make a first team appearance in 2010 he was released by the Foxes and in February of that year he joined Buckle at Plainmoor.

In his first season on the Devon coast the youngster appeared 10 times and scored once - in the Gulls' 3-0 win against Barnet.

Last season Lathaniel made 24 appearances in all competitions prior to his release by manager Martin Ling.

Lathaniel Rowe-Turner

ANDRE GRAY

Lightning-quick forward signed from Blue Square Bet North Hinckley United on loan transfer deadline day in March 2012. The prolific striker had scored 39 goals in two seasons for the Knitters after being released from Shrewsbury Town in 2010. The Wolverhampton-born man made a goalscoring debut for the Town when scoring in the 1-1 draw with Grimsby Town. He has also spent time on-loan with AFC Telford United. Scored seven goals in 12 games at the end of last season to earn his first call up to the England C squad this summer.

JON SHAW

Prolific centre-forward who the Town beat off stiff competition to sign on a two-year contract in June 2012.

Sheffield-born Shaw hit a phenomenal 35 goals in all competitions for Gateshead in 2011/12- 28 of which came in the Blue Square Bet Premier. In total Shaw netted a hugely impressive 56 goals in 97 appearances for the Heed - 45 of them coming in 81 league games.

The striker has scored almost 130 career goals after starting out as a trainee at home-town club Sheffield Wednesday and scored his first senior goal for Wednesday at Kenilworth Road in a 3-2 victory for the Hatters in April 2004.

That was one of two goals he scored in 24 appearances at Hillsborough before signing for then Conference outfit Burton Albion. The goals began to flow as he scored 31 times for the Brewers.

After three seasons at Burton, Shaw moved to Halifax in 2007 and once more goals were on the menu as 26 were plundered for the Shaymen during 2007/08.

That form in front of goal was enough to take him back to the Football League with Rochdale but, having failed to break into the Dale first XI on a consistent basis, loan spells with Crawley, Barrow and Gateshead followed in seasons 2008/09 and 2009/10.

On the lookout for regular first team action a six-month permanent spell with Mansfield followed for Jon in January 2010 having left Spotland. He scored three times in six starts for the Stags.

But then in May of 2010 came his move to Gateshead and the rest, as they say, is history, with his goalscoring feats over the past two seasons well documented that led to a number of clubs showing a keen interest in his performances, including the Town.

The Hatters' new man scored 21 goals in his debut season on Tyneside before hammering 35 in the season just gone. In the past two campaigns he's scored four hat-tricks, including back-to-back trebles in late September 2011.

LUTON TOWN - CLASSIC CAMPAIGNS

Football historian LEIGH EDWARDS selects ten post-war Luton Town 'Classic Campaigns'.

1947-48

Gordon Turner scored 32 goals as Luton Town won promotion to the top-flight for the first time in 1954/55. The Hatters began with a 3-0 victory at home to Nottingham Forest and soared up the Second Division table with six straight wins. Gordon Turner grabbed a hat-trick as Luton trounced Blackburn 7-3 and they triumphed 5-1 at Nottingham Forest. Dally Duncan's side maintained their challenge, slamming four goals past Hull City, Rotherham, Liverpool and Port Vale. Tom Aherne and Shay Dunne were ever-present as Luton pipped Rotherham to the runners-up slot on goal average with a 3-0 win at Doncaster.

1958/59

Luton Town were FA Cup finalists for the first and only time in 1958/59. The Hatters were unbeaten in their opening ten First Division games, trouncing Manchester City 5-1 and scoring four goals past West Ham and Preston. They recovered from a lean spell to beat Arsenal 6-3 and Burnley 6-2, then top scorer Allan Brown netted four goals in a 5-1 demolition of Nottingham Forest but poor results over the closing weeks saw them finish below mid-table. Luton defeated Leeds 5-1, Leicester 4-1, Ipswich 5-2, Blackpool 1-0 and Norwich 1-0 in the FA Cup before Syd Owen's side lost 2-1 to Nottingham Forest in the final.

1967/68

Bruce Rioch netted 24 goals as Luton Town won the Fourth Division title in 1967/68. New captain Terry Branston made his debut as the Hatters kicked off with a 1-1 draw at Wrexham and Ian Buxton arrived from Derby in September. Luton lost just two of their first 18 matches and beat Charlton in the League Cup first round, scoring 27 goals in

a run of eight successive wins. Allan Brown's side went top of the table with a 2-0 win at Brentford in February and Keith Allen, Max Dougan, Fred Jardine, John Moore and Ray Whittaker also starred as they remained in pole position, clinching the title with a 4-0 victory over Crewe.

Malcolm Macdonald

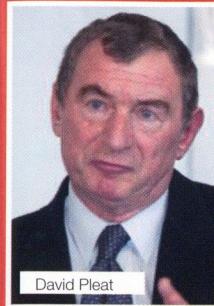

1969/70

Malcolm Macdonald scored 25 times as Luton Town won promotion in 1969/70. The Hatters had narrowly missed promotion the previous season and Bruce Rioch was sold to Aston Villa for a record fee, with

Alec Stock signing Malcolm Macdonald, John Ryan and John Collins. Luton were early leaders after remaining unbeaten in their opening 13 matches, recruiting Chris Nicholl from Halifax and Matt Tees from Charlton. Malcolm Macdonald grabbed hat-tricks in 5-0 wins over Bradford City and Reading, with Luton unbeaten in their last six matches and clinching promotion as Third Division runners-up with a 0-0 draw at Mansfield

1973/74

Luton Town regained top-flight status after an absence of 14 years in 1973/74. The Hatters recovered from a 4-0 defeat at Nottingham Forest on the opening day to hammer Carlisle 6-1, embarking on an eight-match unbeaten run. Harry Haslam signed Alan West from Burnley and Jimmy Husband from Everton as Luton maintained their promotion challenge. Husband netted a hat-trick in a 3-1 victory over rivals Orient, then leading marksman Barry Butlin scored three in a 4-2 win over Preston. Alan Garner and Bobby Thomson were ever-present and other stars included Peter Anderson and John Ryan as Luton finished runners-up.

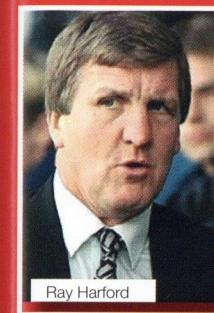

David Pleat

1981/82

David Pleat guided Luton Town to the Second Division title in 1981/82. The Hatters had narrowly missed promotion in the previous two years and Tony Greathouse was swapped for Brighton's Brian Horton. They raced to the top by winning their first three games and hammered rivals Watford

4-1, then Steve White scored four times in a 6-0 demolition of Grimsby. Richard Money arrived from Liverpool and was an influential figure as Luton were unbeaten in their last 14 matches. Leading marksman Brian Stein, Mal Donaghy, Kirk Stephens and Steve White were all ever-present as Luton won the title with 88 points.

Ray Harford

1987/88

Ray Harford plotted Luton Town's 1988 Littlewoods Cup final triumph. Danny Wilson replaced Peter Nicholas in midfield, while Micky Weir arrived from Hibernian and Mike Newell moved to Leicester. The Hatters won 5-2 at Oxford and Ian Allinson was signed from Stoke in October, with Luton losing just twice

in 12 matches including a 7-4 win in the return match against Oxford, finishing ninth in the top-flight. They defeated Wigan 5-2, Coventry 3-1, Ipswich 1-0, Bradford City 2-0 and Oxford 3-1 in the Littlewoods Cup before beating Arsenal 3-2 in the final. Luton were also FA Cup semi-finalists and Simod Cup finalists.

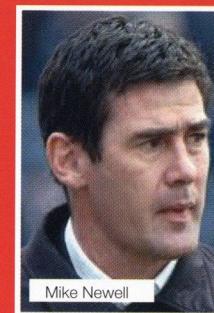

1988/89

Luton Town were Littlewoods Cup finalists for the second consecutive season in 1988/89. Departures were Brian Stein, Mark Stein and Andy Dibble, while newcomers included Roy Wegerle, John Dreyer and Steve Williams.

Luton's first home win was 1-0 against Liverpool and they beat Southampton 6-1 in January but First Division form was generally disappointing, with the Hatters narrowly avoiding relegation by winning three of their last four games. Luton defeated Burnley 2-1, Leeds 2-0, Manchester City 3-1, Southampton 2-1 and West Ham 5-0 in the Littlewoods Cup before losing 3-1 to Nottingham Forest in the final.

2001/02

Steve Howard scored 24 times as Luton Town won promotion in 2001/02. Joe Kinnear's side were early leaders after winning their opening two matches and newcomer Carl Griffiths netted a hat-trick in a 5-1 win over Torquay. The Hatters briefly regained pole position after beating Darlington 5-2 in October, signing Chris Coyne from Dundee, Jean-Louis Valois from Lille, Dean Crowe from Stoke, Ahmet Brkovic from Orient and Dave Bayliss from Rochdale. A run of 12 successive wins, slamming five goals past Halifax and Mansfield, took Luton back to the top with two games remaining but they finished runners-up to Plymouth.

Mike Newell

2004/05

Mike Newell managed Luton Town to the League One title in 2004/05. The Hatters stormed to the top of the table, winning 10 of their first 12 games before three successive defeats. They beat Bradford City 4-0 and Wrexham 5-1, then Steve Howard netted

a hat-trick in a 4-1 win at MK Dons. The 1-0 victory over Port Vale in December heralded a 14 match unbeaten run and Luton bounced back from a 3-1 defeat in the return fixture to hammer Bristol City 5-0. Briefly displaced as leaders by Hull, they triumphed 4-1 at Torquay and secured promotion with four games remaining. Luton won the title with a record 98 points.

LAMBS COMMERCIAL

SHAREHOLDERS

Company Secretary Brian Whitehouse now has a club e-mail address which is companysec@thelambs.co.uk. Brian has requested that all shareholders contact him and send him their e-mail address so that all future correspondence can be sent electronically which will not only save the cost of postage but will ensure shareholders receive notices and information quicker.

CLUB SHOP

Club Shop Manager Julie Pegg is now taking orders for the new leisure range which is now available to order. Samples of each item are on display and orders should be completed within 7-10 days. The replica kit sizes which were out of stock will be back in this evening as supplies were due on Monday and earlier today. We have also placed a new mug order and now await delivery. With Christmas rapidly approaching don't leave it to the last minute as with all ranges stock is limited. In stock now is a new style scarf and also red baseball caps to add to the black ones which have always been popular.

COMMERCIAL VACANCY

In our programme last Saturday we announced that Nick Lunn had left the club and that the job will be advertised. Well it has been in the Herald and on our website but now there has been a few changes behind the scene and the position now available is actually for a Football Sales executive who will report directly to our Business Development Manager who is Naime Azmi. Any person wishing to apply for the Football Sales executive position are requested to send a cv by post or e-mail. Address applications for the attention of the General Manager to be posted to the address on page 5 or e-mail to clubsec@thelambs.co.uk

MATCH DAY SPONSORS

If you know any firm or individual who may wish to sponsor a game or match ball please pick up a leaflet from Reception or send an e-mail to commercial@thelambs.co.uk or call 07795841106. A number of dates are still available and deals can be arranged to suit the budget available

IT Support that never sleeps!

A Revolutionary Change in Computer Support

Proactive IT Support takes a different approach to computer support. Rather than just respond to problems after the fact, we use our state-of-the-art automated systems to check your systems proactively every 5 or 15 minutes. We'll nip problems in the bud before – not after – they disrupt your business.

Does your computer support company:

Keep you safe from harm by **automatically checking your anti-virus systems** each and every day?

Keep you up & running by **automatically checking your event logs** first thing every morning?

Keep you in contact by **automatically checking your email systems** every morning?

Keep you running by **checking your Windows services, TCP ports & network connections** every few minutes?

Keep you safe by **checking for hacker attacks**?

Keep you safe by **automatically checking your backup** every day?

And do they do all these things automatically – with an advanced Care System that doesn't get sick, distracted or go holiday?

Proactive IT Support conducts dozens of checks on your systems every five or fifteen minutes. We can spot many problems before they occur. And we'll get instant alerts about others – usually before you know you have a problem – so we can fix them before you experience the pain of downtime.

Laser Cutting

Madewell products Ltd provides a subcontract laser cutting and fabrication service to customers throughout the U.K. Since 1968 we have built up a very secure relationship with suppliers, this means that most materials can be sourced the next day for delivery to us reducing the lead times to our customers.

Welding & Fabrication

Madewell Products Ltd has a dedicated production team to supply our customers with fabrication and welding Services of stainless steel, mild steel, aluminium and zintec components and fabrications. With over 40 years of experience. Our skilled fabricator welders are all coded to BSEN 287 standards. We have a vast array of fabrication machines **including power rollers, fly presses, drills, milling, blade/band sawing and autotap machines**

Tube Bending

Madewell are pleased to introduce a new addition to the family. The Langbow Soco SB38x4A-3SV Mandrel Tube Bending Machine with push bend facility. The main points to promote are the machines repeatability, accuracy of parts and quality of bends using original Soco tooling. It produces tight bends down to 1.5 x D Centre line radius and automatic large radius bends utilizing the 3rd stack rollers and carriage push facility (capable of forming large radiiuses). Quick and efficient operation.

CNC Brake Press

Madewell Products Ltd is investing heavily in new technology, a 3 metre 220 tonne Hydraulic Press Brake that will dramatically increase our capacity for folding laser cut components; this will join our LVD, Promecan and Guilfil press brake on site.

Proud supporters of Tamworth Football Club

Supporters Club

Good evening ladies and gentlemen and welcome back to the Lamb.

Coach Travel:

Bookings are now being taken for the next two trips. Woking Sat 29th Sept. Coach leaves the Lamb at 10.15 - Cost is £15 SC members/£20 non-members. Forest Green Rovers Tue 9th October. Coach leaves the Lamb at 16.30 Cost is £14 SC members/£18 non-members. Please see Emma or Paul in the club house to book your seat or contact them on 07864981558.

Competition Time

We will be running a "predict the first goal time" competition once a month during the season with the prize being a football signed by the TFC squad. Look out for the first grid of the season around the clubhouse/ground and have a go.

Home Match Ticket Draw

For each home fixture, an SC member receives a free terrace ticket. At the Barrow game, congratulations went to member number 138 Graham Gilliver who won the ticket for today's game. Listen to the tannoy at half time today as one SC member will win the ticket for the Newport County game.

Monthly £50 draw

This was drawn at the Lincoln City game too and September's winner was Graham Spencer. As an SC member, you'll be in October's draw.

Many Happy Returns

We have an absolute rash of notable SC birthdays this week. Emma Blood had a birthday yesterday and Emma Whitehouse celebrates today. Revealing ladies' ages is ungallant so I shall estimate 21 (22 absolute max) for the pair of you. Paul Freer is meanwhile, 36 on Friday and on that same day, I believe there is a small celebration for Andy "Henry" Farrington finally reaching err..."49". Happy Birthday to all of you.

Skittles Evening

Gateshead couldn't do it last week. Lincoln couldn't do it Saturday but could you beat the TFC squad? It's your chance this Thursday night from 7pm as the SC take on the team at skittles in the clubhouse. Come down and have a go. £5 entry for a team of two.

games, with Dave Clayton taking the role when we're on the road. This news has done nothing to dampen the speculation surrounding Dave Brown and 606 or Strictly Come Dancing although officially, he claims to be available to stand in should Nigel or Dave C be unable to cover a game. Please tune in if you can't make a game and have a listen to our fellow fans' thoughts.

It's also still not too late to join the SC. At a cost of £4 adults and £2 concessions, 10% club shop discount, reduced coach fares and free entry into a monthly £50 cash draw and a free match ticket draw are all included.

Enjoy the game!

Ben Swallow - Stoppage Time Winner

Ben Swallow's stoppage time winner at Rodney Parade maintained Newport County's place at the top of the Blue Square Bet Premier table. Swallow (pictured) found the top right corner from 25 yards to complete a County comeback against Southport. A Chris Lever penalty, given for a Shaun Whalley foul by Andy Sandell, had put Southport ahead on 18 minutes. Three Newport penalty claims were ignored before Aaron O'Connor's lobbed second-half equaliser, and then Swallow delivered a spectacular winner. Following the game County manager Justin Edinburgh told BBC Radio Wales "Credit to Southport, they came and set about us early and we were on the back foot. "I think what we've shown is we've got a good group here now and have overcome that and gone on to win the game. [I'm]

absolutely delighted. "The quality that we have brought from the bench has changed the game for us."

Steve Brogan - Debut Goal

An injury-time debut goal for Steve Brogan ended Macclesfield Town's 100% home record and sent

Forest Green Rovers second in the league. Matt Taylor found the bottom left corner from inside the area to give Rovers a first-half lead. Matthew Barnes-Homer's close-range strike levelled things after the Silkmen's John Paul Kissock was sent off for a second bookable offence. But Brogan's close-range effort late on gave Forest Green all three points. Forest Green Rovers manager Dave Hockaday told BBC Radio Gloucestershire. "That was what football should be all about, two teams who had a go at each other. We wanted to score more than them, they wanted to score more than us and how it ended up just 2-1 I don't know. "In the first half we were outstanding. We got caught a couple of times but we could have scored any number of goals. Second half we didn't really come out the traps and it's a poor goal from our point of view, but we kept on going and just about deserved to win. "To come here and play a team that is so in form and banging in the goals, and to restrict them to one goal which was poor defending, I'm absolutely chuffed for the boys and it's a great three points." This is a good result. What would make it a great result now is if we

recover and go to Hereford and get something."

Lee Noble - Last Minute Equaliser

A last-minute equaliser from Lee Noble (pictured) secured a point for in-form Dartford at high flying Wrexham. Danny Harris gave

the visitors a fourth-minute lead with a shot from the edge of the area. Wrexham soon levelled as Danny Wright drilled into the top left corner after finding a yard in a crowded area. The home side took the lead on the stroke of half-time when Andy Bishop lifted the ball into the net, but late Dartford pressure was converted when Noble struck with a 25-yard free-kick. Following the game Wrexham player-manager Andy Morell said; "Our shape was all over the place. It could have been 6-6. We probably should have had a penalty but I don't think we deserved to win. "We've got to re-group and be better. I think we were lucky to get away with a draw in the end. "They had chances, and I know we had chances to put it to bed but we weren't clinical enough in the box. We were way off where we expect the lads to be." Meanwhile Dartford manager Tony Burman spoke of his delight with the result; "I thought we thoroughly deserved what we got out of the game. When it was 1-1 we had chances and we got punished. "We've come to a fantastic place, lots of history, good side, experienced side, and I think we've come here and given a good account of ourselves.

Mansfield settle for a draw

Mansfield Town failed to take advantage of playing the entire second half against ten men and were forced to settle for a draw against AFC Telford United. Lee Beevers' shot saw Stags lead but a Ryan Tafazolli own goal and a Richard Davies strike put the hosts 2-1 ahead. A pulsating first half ended with Mansfield seemingly in control as Liam Chivers was sent off for a foul on Jake Speight, who netted from the spot. But the visitors were unable to make their extra man count after the break.

Nuneaton snatch a point

Wesley York scored twice in a minute as Nuneaton Town came from behind to snatch a point at Hyde. Adam Griffin put the Tigers ahead with a thunderous 35-yard strike in to the top corner. And they doubled their lead in the second half through Phil Jevons, who latched on to Alex Brown's cross. York's right-footed effort gave Nuneaton hope and, just 42 seconds later, he found the end of Simon Forsdick's cross to deny Hyde the win.

Woking defeat Gateshead

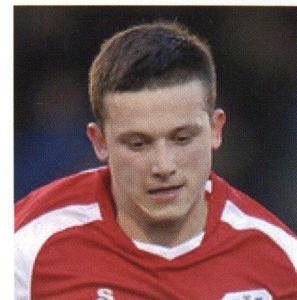

Jack Parkinson's early goal set Woking on their way to victory over Gateshead. The hosts led inside six minutes when Parkinson's 25-yard effort deflected past keeper Adam Bartlett, and Gavin McCallum added a second from close range after good work from Kevin Betsy. Gateshead were much improved after the interval and Phil Turnbull drove the ball in from 12 yards to make it 2-1. But their hopes of a draw all but ended when Chris Bush was sent off for a second yellow card on 81 minutes.

Ritchie Baker Hat-Trick

Ritchie Baker (pictured) scored a hat-trick as Barrow defeated Ebbsfleet United. Baker opened the scoring with a neat volley from inside the area and grabbed his second from the penalty spot either side of

MARK MAYBURY'S

look at the weekend action in the Blue Square Bet Premier Division

a Phil Walsh own goal. Tom Phipp pulled one back for Ebbsfleet from outside the area before Nathan Elder headed home to make it 3-2. But despite Barrow's Sean Hessey being sent off for two bookings in two minutes, Baker secured the points with a 20-yard free-kick.

Kidderminster hard fought draw at Alfreton

Kidderminster Harriers have now gone 10 games without a win following a hard-fought draw at Alfreton Town on Saturday. Former Lamb Dan Bradley put the hosts ahead against his former club when he swept in a low effort from the right of the area following Nathan Arnold's pass. But the visitors drew level shortly after the hour mark when Anthony Malbon blasted home. Marvin Johnson's shot was saved by Reds keeper Jon Stewart at the death. Following the game Alfreton Manager Nicky Law said; "I'm happy with a point. We started well and I think we could have taken the lead before we did. They came back into it and they had spells where they were on top. "I thought we had spells where we looked slightly leggy in the second half. We had a couple of injuries to personnel which didn't help us and that's where we are at the minute. We don't have a great deal of options. "If I look at the bench, yeah, they're good players, but they've got no game time, so it's a difficult one really. So I'm relying on the lads who are on and I'm left thinking it's better to take the point now."

REWIND

Lloyd Kerry struck inside a minute to hand Tamworth a scrappy victory over Lincoln City in the Blue Square Bet Premier Division. In the opening seconds Kerry latched on to Shaun Jeffers pass to fire home from close range. It was his first goal for the club.

Both sides were reduced to ten men in the twenty sixth minute when Richard Tait and Gary Mills received straight red cards for violent conduct.

THE VERDICT

Lloyd Kerry's first goal for the club was enough to earn all three points for Tamworth and make it two wins on the bounce. In a scrappy game the home side had to dig deep to record the win and the three points gained takes the Lambs back up into eighth spot in the table ahead of tonight's game against Luton Town.
