PAUL BUCKLE

Good evening and welcome back to Kenilworth Road for our third successive meeting with Dorchester Town.

Tonight we look to build on Saturday's 2-1 FA Cup victory that saw us in the hat for the third round. It was with great pride to see our name in the draw, and I am delighted that

our endeavours in the competition so far this season have been rewarded with a home tie against Wolves.

They are a big club with a great cup tradition and were in the Premier League last season. It promises to be an exciting game and one we will look forward to when it comes around.

Before then we face a busy and important Christmas period but this evening's game we have an opportunity to progress forward in another cup competition. We already know how much of a challenge Dorchester can pose but I

am confident if we can repeat the performance levels we showed in the last two matches we can book our place in the next round.

I said after the game on Saturday that I thought our FA Cup win may have knocked the stuffing out of them so I expect Dorchester to really come out fighting tonight. We need to make sure we are professional and disciplined.

In any walk of life if you are sloppy or half-hearted you get found out, and I will be telling the players I expect nothing less than a victory and a solid performance tonight.

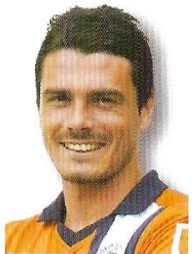

The FA Trophy represents a chance to get to Wembley and as a group we will be doing our best to make sure we go as far as possible in this competition.

It's important we continue to build momentum going into the festive period, and the more this group play together the better we will become.

Enjoy the game and get behind us this tonight.

RONNIE HENRY

After Saturday's win we welcome Dorchester again to Bedfordshire in our mini-series against the Blue Square Bet South side.

Tonight gives us the opportunity to get our name in the next round of another competition. The FA Trophy has a fantastic reputation and one which I have had the pleasure of

winning in my career.

We believe we can go all the way to Wembley. It's going to be tough as Dorchester have already proved in the past two games.

It was disappointing to concede yet another goal from a set piece to allow Dorchester a route back into the game, but I thought we deserved our victory. We had Mark Tyler to thank for a number of excellent saves but we know we shouldn't have allowed that to happen. At 2-0 we were

cruising but we switched off from a corner and all of a sudden they were back in it.

However, we kept our heads and could have scored a couple more in the end. Now we're hopeful we can repeat the feat tonight.

The win meant we were all glued to the television on Sunday in anticipation for the third round draw. We were one of the last teams out of the hat and at one point – without about eight teams left – Manchester United were still in there.

However, we got paired with Wolves, and what a prospect that will be. A full house at Kenilworth Road against a club who were in the Premier League last year. Bring it on!

Until then we must focus on tonight and the run of league fixtures ahead. Another victory tonight will boost confidence even more.
