STAINES TOWN FC TIMELINE

1879/80 – Earliest known record of a football club in the town, Staines Rovers. Earliest home grounds included Lord's Field, the Lino' Ground, Stollery's Field, and The Lammas. Around the same time, St Peter's Institute FC formed, playing at Edgell Road.

1892 – accepted date of formation of Staines Town FC, believed to be based at the Billet Ground on Shortwood Common.

1895 – Staines Town FC absorbs St Peter's Institute FC; a year later, the club becomes Staines Albany FC.

1900 – West London Alliance Division 1 winners.

1901 – West London League Division 1 winners, then switched to the West Middlesex League.

1903 – club known as Staines FC (until 1914).

1904 – West Middlesex Cup winners for the first time; joined Great Western Suburban League.

c1908 – home ground moved to the Mill Mead Enclosure at Hammond's Farm.

1910 – defeated at Griffin Park by Shepherds Bush in Staines' first Middlesex Senior Cup final.

1912 – GWSL runners-up during the presidency of John Ashby, of the prominent finance and brewing family.

1913 – dropped into Hounslow & District League.

1914 – converted to a rifle club during WWI: football in the town continued in works munitions leagues.

1919 – resumed as Staines Lagonda FC, spending a season back in the Hounslow & District League.

1920/21 – reverted to the Great Western Suburban League, and won promotion to Division I by winning Division 2 (Middlesex), as well as capturing the Uxbridge League and Cup double.

1924 – create shockwaves in the FA Amateur Cup, by reaching the last 16 (3rd Round Proper) and only losing to Wycombe Wanderers after a missed penalty in front of well over 3000 at Mill Mead; having been GWSL runners-up for the past two seasons, stepped up to the Spartan League, under the progressive presidency of John Drake.

1925 – reached FA Amateur Cup 2nd Round Proper; name changed back to Staines Town FC at end of season.

1935 – following a period of financial decline and the loss of the Mill Mead ground to the water com-

pany, the club went into hibernation.

1943 – resumed under the name of Staines Vale FC, replacing Vickers Armstrong in the Middlesex Senior League, and playing at the Lino' Meadow; finished as South Division runners-up in the first two seasons.

1947 – after a year or so known just as Staines FC, present Staines Town FC name is adopted; home grounds in this period included Staines Stadium on Wraysbury Road, The Lammas also on Wraysbury Road, Mott's Field (Commercial Road), and predominantly Laleham Village Recreation Ground on Broadway (now home of Staines Lammas FC).

1951 – league re-organised and became the Parthenon League. Purchase of a new ground at Wheatsheaf Lane, as the Club stabilises under officers Jim and George Bone, Charlie Young, and Fred Terry.

1953 – finished 3rd in the Parthenon Premier and became founder members of the Hellenic League.

1958 – advanced to the Spartan League.

1960 – Spartan League Senior Section champions in the first of Pat Wire's 18 years as chairman.

1963 – Cliff Lane appointed Manager, 10 years after joining the Club as a player. By the time he died in 1995 he had served in numerous capacities, including two spells as Chairman.

1965 – first Southern Combination Cup win: it has also been captured in 1967, 1995, and 2006.

1968 – following the untimely death of Ray Wyld the previous year, the Club settles on Ken Ballard as its first modern style manager. His 11 year tenure brings unprecedented success.

1971 – Spartan League runners-up earned promotion to the Athenian League Division 2.

1972 – promoted to Division 1 as champions with record 51 points.

1973 – Athenian Division 1 runners-up spot enabled the Club to skip the Premier entirely and join the new Isthmian League Division 2.

1974 – champions of Division 2 to earn promotion to Division 1, which was renamed the Premier Division 3 years later. Mick Clarke founds the Youth section.

1975 – winners of the Barassi (Anglo-Italian Ama-

teur) Cup, defeating Banco di Roma home and away, with 70,000 seeing the game in the Olympic Stadium, and a record 2750 at the home leg; beat Hendon in a replay to win the Middlesex Senior Cup for the first time: it was retained in '76 and '77.

1977 – first London Senior Cup final, losing a replay to Wimbledon, their last game as a non-League club.

1978 – reached the last 32 of the FA Trophy, a feat repeated in 1985, 2004, and 2012.

1982 – 4th place in the Isthmian Premier, which was then (theoretically) a direct feeder to the Football League.

1984 – demoted to Division 1 under a controversial ground grading ruling.

1989 – promoted back to the Premier as Division 1 champions under Alan Gane.

1990 – the visionary Alan Boon becomes chairman for a third time, beginning an unbroken 21 years in which he guided the Club to its present respected position. Won Middlesex Senior Cup for second time in three years.

1993 – relegated to Division 1.

1994 – Chris Wainwright's side does a Middlesex 'double', winning both the Senior and Charity Cups

1996 – promoted to the Premier.

1997 – the first of a two year groundshare at Chertsey Town proves unsettling as the Club is relegated to Division 1, although the Middlesex Senior Cup is recaptured.

2002 – Isthmian League (now known as Ryman League) re-organised: placed in Division 1 (South).

2003 – during Ballard's second spell as manager, groundshares at Walton & Hersham and Egham Town are followed by a triumphant return to the rebuilt Wheatsheaf Park. Club adds an Academy, based at Kingston College.

2004 – Steve Cordery caps the first of his 9 sea-

sons as manager by advancing the Club to the Ryman Premier, following re-organisation sparked by expansion of the Conference.

2006 – women's team reach FA Women's Cup 3rd Round Proper; Academy are ESFA U18 National Cup finalists.

2007 – highest Ryman Premier placing, runners-up spot puts us in the Play-Offs, but narrowly lose the final to AFC Wimbledon; reached the FA Cup 1st Round Proper for the first time since 1984, and after drawing at Stockport County, David Sargent's winning shoot-out penalty in front of a record home crowd of 2860 and a live SkyTV audience takes the Club to the Second Round for the first time, and eventual home defeat by Peterborough United.

2008 – no mistake this time, as another runners-up spot is followed by Play-Off success and promotion to the Conference (South).

2009 – among the prestigious matches hosted at Wheatsheaf Park, perhaps the most important was the full women's international between Iceland and Denmark; another glorious FA Cup run, with a 1st Round Proper win at Shrewsbury Town followed by home and away games with Millwall.

2010 – Middlesex Senior Cup winners for the first time in 13 years: it is retained in 2011, after winning the George Ruffell Shield for the Middlesex Super Cup.

2011 – Matthew Boon assumed the chairmanship following the passing of his father, and completes the Club's transition to a limited company.

2013 – former Jamaican World Cup player Marcus Gayle caps his first season as manager by guiding the team to Middlesex Senior Cup success. Academy team win the Ryman Youth League (West) for the 3rd year running, and add the Lucas Fettes Isthmian Youth Cup, and Isthmian Champions' Play-Off.

CHALLENGE TROPHY
First Round Proper [tie 28]

SATURDAY 30th NOVEMBER 2013 EST
kick-off 3:00pm

STAINES TOWN
versus
LUTON TOWN

Good afternoon everyone, and a warm welcome to Wheatsheaf Park to all players, officials and supporters, especially those from Luton Town FC, whom we are delighted to host in today's FA Carlsberg Trophy tie. We hope you have a pleasant afternoon with us, and a safe journey back to Bedfordshire later this evening.

The FA's balls have certainly been well-disposed towards Staines Town this season, at least in terms of interest and excitement for the *Massive*. First of all, having battled through to the First Round Proper of the FA Cup for only the fourth time in our history, we got the pairing most of us would have chosen - Brentford - from among the 79 other possible clubs, and now in the Trophy we've got probably the plum draw with a visit from the best supported club in non-League football (average home league crowd since their demotion from the Football League - exactly 6000, at least 60% higher than the second highest). That does of course mean that Marcus' boys will have faced two of the most accomplished possible opponents in the space of a month, but that's the sort of test that every player relishes, and it's up to them to show how much we've learned from the defeat at Griffin Park when we take the field this chilly November afternoon. Luton moved up to second place in the Conference Premier as they eased past Southport 3-0 on Tuesday night.

If the cups have been exciting, then so has our League campaign to date, especially here at Wheatsheaf Park. Who would have thought, when we dodged the drop back in April, that we would win all seven of our opening League games here - a record surpassed only by our 1922/3 season in the Great Western Suburban League, when it is believed that we won all 9 home league games (although there is some doubt over one of the results), an possibly a tenth against a team who did not complete the season! Unfortunately, this season's run ended at seven, as we came unstuck here last weekend against Concord Rangers by a single goal, a trend that continued in disappointing style on Tuesday night when we rolled over for bottom side Gosport Borough to register a 2-0 win at their Privett Park ground. Both opponents whom we have never met in league competition before, being newly promoted, and two unwanted records we will have to try to put right when we meet again later in the season. A couple of small positives to take from both those games were the absence of any bookings, and the very kind comments from both Concord and Gosport regarding our fans and graciousness in defeat.

If you have young children, then make a note in your diary for the afternoon of Sunday 22nd December, when Sally Payne, Kim Sherwood, and Vanessa Cox will be holding their traditional Staines Town FC Kids' Christmas Party here at the Club. For more details, see the panel on page 25.

Don't forget, if we draw today, the replay is at Luton this Tuesday (7:45) which will mean our cup game with Harrow is off that night.

My thanks as usual go to Andrew Barringer and Kevan Platt for their most helpful data about Luton Town FC, to Matt Albright, and to Angie Payne, for their contributions to today's issue.

Enjoy the game!

Welcome to the Hatters – Player Profiles

#1 **Mark TYLER** (goalkeeper, age 36): Hugely experienced goalkeeper who signed a contract extension in May. With almost 700 senior appearances, he was one of the Hatters' first signings upon joining the Conference, and he has gone on to keep 72 clean sheets in 184 games for them. Previously with Peterborough.

#3 **Danny FITZSIMONS** (left or centre back, 21): Bio: Former Millwall and QPR defender who followed team-mate Jim Stevenson to Kenilworth Road from Histon in the summer. He swept the board at the Stutes' end-of-season awards and has over 100 games to his name.

#4 **Jonathan SMITH** (centre midfield / right back, 26): Joined the Hatters from Swindon last season having helped Paolo Di Canio's Robins lift the League 2 title in 2011/12. Previous clubs include Morecambe, Forest Green, and York.

#5 **Steve McNULTY** (centre back, 29): Liverpool-born and a former player with Barrow and Vauxhall Motors, Steve signed a new deal with the Hatters this summer after a string of accomplished performances for the club during 2012/13. Captained Fleetwood Town's Cod Army to Conference title in 2011/12

#6 **Anthony CHARLES** (centre back, 32): A wealth of experience includes helping Barnet and Aldershot to Conference titles in 2005 and '08 respectively. A calm, composed, left-footer, Charles left *The Shots* for Northampton in January 2012 and went onto play 18 times in League 2 for the Cobblers. Ended last season with Plymouth.

#7 **Alex LAWLESS** (midfield, 27): Influential and creative player signed from York in November 2010, and after renewing his contract in the close season, in preference to offers from League 1, has taken his Hatters appearance tally to 124, with 12 goals. Formerly with Fulham, Torquay, and Forest Green.

#8 **Solomon TAIWO** (central midfield, 28): Experienced Conference player before John Still signed him for Dagenham & R in 2007, before Cardiff took him into the Championship for £250,000 in 2009. Reunited with Still in March, and extended his Luton contract in the summer.

#9 **Jon SHAW** (striker, 29): Appeared for Sheffield W, Burton, Halifax, and Mansfield, before a golden spell at Gateshead yielded 45 goals in 80 games prompted a move to Kenilworth Road last summer. A

hat-trick against Barrow helped him reach double figures for Luton last term.

#10 **Alex WALL** (striker, 22): Raw, powerful and pacy, Alex's move from Maidenhead last term was John Still's first signing at Kenilworth Road, and he responded with a brace against Ebbsfleet.

#11 **Jake HOWELLS** (midfield, 22): Débuting on the last day of 2007/8 makes Jake Luton's longest serving player, despite his young age. Since then, the left-footer has earned Wales U21 caps and has made over 200 appearances for the club.

#12 **Scott GRIFFITHS** (left back, 27): Helped Still's Dagenham win the Conference in 2007, and a loan at Chesterfield in 2011 saw him win a League 2 medal. Signed a contract with Luton following his release from Peterborough in March.

#13 **Mark CULLEN** (striker, 21): A former Hull player who scored on his début in the top flight, but the two fine goals he scored against Luton while on loan at Stockport did enough to convince *The Hatters* to offer his a 2 year deal.

#14 **Andy PARRY** (central defence / midfield, 21): Signed from Southport on a 2 year contract this summer, Andy has two season's worth of Conference football under his belt but began his career as a youngster at Blackburn.

#16 **Elliot JUSTHAM** (goalkeeper, 22): A commanding 6'3" who was a trialist with W Ham and Reading and had a spell at Brentwood. Kept 14 clean sheets in 31 games for East Thurrock last season, earning the offer of a 2 year deal at Luton in May.

#17 **'JJ' O'DONNELL** (left midfield, 21): Joined the Town in 2010 from St Albans, making his début in an FA Cup tie vs Corby later that year. After successful loan spells at Thurrock and Hampton & Richmond, he penned a 3 year contract last summer. Currently on loan at Hyde.

#18 **Dave MARTIN** (left wing, 28): Former Dartford, Crystal Palace, Millwall, Derby, and Southend midfielder who signed for the Hatters in January and went onto score 3 times in 16 league appearances for the club, gaining him a 2 year extension in the summer

#20 **David VIANA** (midfield): Highly-rated Portuguese youth international who signed a one-year contract at

Luton 2 months ago. Born in France and previously playing for Strasbourg, Athletico Madrid, and MLS side Real Salt Lake, he can play across the midfield or just behind the striker.

#21 **Luke GUTTRIDGE** (central midfield, 31): This influential player has over 400 senior appearances with clubs including Torquay, Cambridge U, Southend (promoted twice), L Orient, Colchester, Aldershot, and Northampton (League 2 Play-Off finalists). Signed a 2 year contract for the Hatters in August

#22 **Shaun WHALLEY** (attacking midfielder / winger, 25): Previously at Wrexham and Chester, he enjoyed a super 2012/13 season with Southport, scoring 10 with numerous assists. After picking up his awards with The Sandgrounders, he followed Parry to Luton on a 2 year deal.

#23 **Matt ROBINSON** (midfielder, 19): In his second season at Kenilworth Road having signed last summer from Leicester City. Impressive displays earned a new two-year contract in 2013.

#25 **Ronnie HENRY** (right back, 19): Club captain in his second season with the club since joining in summer 2012 from Stevenage, whom he helped win promotions from the Conference to League 1.

#26 **Paul BENSON** (striker, 33): Experienced centre-forward who has been on loan from Swindon since August. Helped Dagenham & Redbridge to two promotions under John Still, scoring over 75 times in the process. He added to his tally while at Charlton and Swindon, where he won a League 2 winners' medal in 2012.

#27 **Andre GRAY** (striker, 22): Signed in March 2012 from Hinckley and made an instant impact with his pace and scoring ability – topping the charts with 20 last term. Has been capped by England C.

#28 **Jim STEVENSON** (midfield, 21): Box-to-box man signed on a 2 year deal in May from Histon, where he ended last term as top scorer with 11. Actually made his 'Stutes début as a 17 year old away to Luton. Currently on loan at Darford

#30 **Alex LACEY** (centre half, 20): Made his Luton début at 17 in the FA Trophy, and after returning from a season long loan at Eastleigh, was made captain during an outstanding pre-season in 2013.

Good afternoon to you all, and a big welcome to fans of Luton Town for their visit to Wheatsheaf Park.

Well done to all the 36 *Swans* who made the journey to Gosport on Tuesday night: blimey was it a cold one eh? I was pleasantly surprised by how nice the Gosport ground was, and their people were delightful. We look forward to meeting them again in March – let's hope it's a warmer day.

I'd like to say a big *Hello* to our Mascot for the day, 12 year old Alex Perfect, and also Luton's mascot George Wilde, whose Dad contacted us to see if George could be the Mascot, as his teacher is our very own Lewis Ferrell! How great is that? I hope both boys have a super day with us, and have good memories to take back to their school mates on Monday.

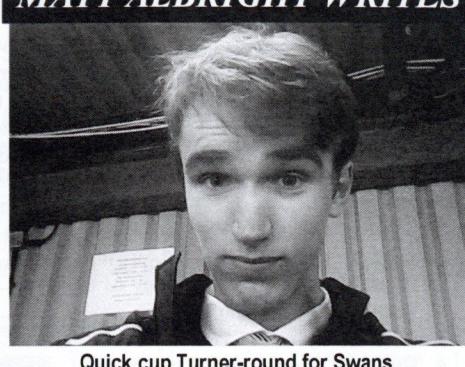

I still have a few slots left for Mascots until the end of the season, so please see me if you would like to put your child on.

I hate to remind you but there are 24 shopping days left for Christmas, so don't forget to visit the club shop to pick up a few stocking fillers.

If you haven't seen Sally or Kim yet to put your kids names down for the Xmas party on 22nd Dec, please let them know asap.

Enjoy the game, and I'll say Swans 2 Luton 1.

MATT ALBRIGHT WRITES

Quick cup Turner-round for Swans

Good afternoon and welcome to today's match between Staines Town and Luton Town. This match is in the FA Trophy first round proper - perhaps the non-league equivalent to the Capital 1 Cup but I feel that a the Trophy means a lot more to clubs at our level than the Capital 1 does for the Premier League and it certainly means more than the Johnstone's Paint Trophy does for clubs in League 1 and 2. I wonder what fans think about the idea that Skrill Premier clubs taking part in a qualifying round for the JPT? I for one think that it would be a great way to raise clubs' profiles. Back to today...Luton travel on the back of a 3-0 win at home against Southport on Tuesday night and are currently sitting pretty in second place in the Skrill Premier. Staines however are thirteenth in the Skrill South.

There have been two Trophy matches for Staines, these were both in the third qualifying round and it saw the Swans play Farnborough. The score in the first game (@ home) was 2-2 and the Swans won 2-0 in the replay. Jack Turner was the notable addition to the Staines line up in those two matches and he performed very well indeed.

Having looked at both clubs forums, it seems that Swans fans might well want to say goodbye to the FA Trophy as we have had our fun in the FA Cup so I would say its time to focus on league performance!

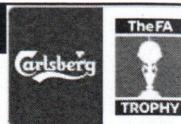

I would also like to ask anyone who can to support my friend local girl Vicky, at the time this was written she was 3 days away from shaving her hair off for charity and all being well it will have all gone by the time you read this. She is raising money for cancer charities and you can support her by visiting

Thank you for reading & may the best team win!

WE'VE MET BEFORE

Today's will be the first match between the senior sides of Staines Town and Luton Town. You may be surprised to learn that we have however met the *Hatters* in League action - during 1957/8 their Colts (3rd XI) were fellow Hellenic League members, and Staines Town did a Premier Division double with a 6-0 home win on 12 October (Peter Ellis 5, Dick Watmore), and a 3-1 win on 6 April (Ted Hasley and Ellis two more; Mardle for Luton) in the 'away' game that was also played at Wheatsheaf Lane. Watmore missed penalties for Staines in both games! We had to wait until 7 Nov 1994 for a visit to Kenilworth Road, and then it was a 1st Round Proper FA Youth Cup tie, when Luton beat Peter Penycate's charges 5-0 (Paul McLaren 2, Chris Willmott, Gary Issott 2).

Our Women's side enjoyed an intense Greater London League rivalry with Luton Town Belles II in 2005/6 and '06/7, with Staines taking the title and promotion in both seasons. There were four meetings that first season, a 1-1 draw in the AIFT Tournament, a thrilling 2-1aet Russell Cup win, and a 4-1 and 5-0 League double. Staines gleaned 4 League points the following season, from a 1-1 draw and 3-2 win.

Today's game will be our third FA Trophy tie to be played on this date of the calendar, the other two being against clubs who were - at the time - big Southern League outfits. The 1976 game represented one of our best results for many a year, having held unbeaten Cambridge at their own ground, Kenny Ballard's side put them to the sword at a muddy Wheatsheaf Lane. In 1968, we were drawn away to London University in a Southern Combination Cup tie, but the game was moved to here, and yielded the biggest margin of victory on this date: sadly, some of the margins of defeat have been somewhat heavier! In 1987, we kicked off our Middlesex Senior Cup campaign by beating Hayes, eventually lifting the trophy by beating Wembley in extra time at Wealdstone's old Lower Mead Stadium.

FAT = FA Trophy; **FMC** = Isthmian Full Members' Cup; **GWSL** = Great Western Suburban League; **HL** = Hellenic League; **DL / RL / VOL** = Isthmian League; **LSC** = London Senior Cup; **MSC** = Middlesex Senior Cup; **SCC** = Southern Combination Cup; **SL** = Spartan League. **p** = penalty. **aet** = after extra time.

LUTON TOWN FC - A BRIEF HISTORY

1885 - Formed on 11 April by merger of Wanderers FC (who claimed to already be using the Luton Town name) and works team Excelsior FC. They began just playing friendlies and entering the FA Cup, at Excelsior's Dallow Lane ground.

1890- Became the first southern side to adopt professionalism

1894 - Founder members of the **Southern League**.

1895 & '96 – Southern League runners-up, gaining election to **Football League** Division 2.

1897 – Moved to Dunstable Road.

1900 – Failed to gain re-election and rejoined **Southern League**.

1905 – Moved to Kenilworth Road.

1912 – Relegated to Southern League Div 2, where they mostly played Welsh teams!

1914 – Div 2 runners-up, resuming in Div 1 after the War.

1920 – Along with fellow Div 1 members, became Football League Division 3 en masse.

1936 – Runners-up to Coventry. Debutant Joe Payne netted 10 goals in a 12-1 win over Bristol Rovers.

1937 – Aided by 55 goals from Payne, secured promotion to Division 2.

1939 – With Kenilworth Road extended to hold 34000, the side just missed promotion to the top flight, and a good start the next season was cut short by war.

1955 – Clinched promotion on goal average. Having just avoided the drop in '51, Town came close to promotion in both '53 & '54, with a strong Youth policy feeding Jesse Pye's side with stars such as all-time top scorer Gordon Turner.

1956 – Began the 1st Division campaign with thumping wins over Newcastle, Blackpool, Wolves, and leaders Sunderland, but finished mid-table.

1958 – On the back of a best-ever 8th place finish, hit top spot for a time early in '58/9.

1959 – Exceeded their previous best in the FA Cup by beating Leeds, Leicester, Ipswich, Blackpool, and Norwich to reach the Final, where they lost 2-1 to Nottingham Forest.

1960 – Finished bottom: relegated to Div 2.

1963 – A succession of boardroom and managerial changes culminated in relegation to Div 3.

1965 – Crowds of 30,000+ in the cup run, dropped to 3,000 as they slumped into Div 4.

1968 – Promoted as champions to Div 3 under Allan Brown.

1970 – Manager Alec Stock and top scorer Malcolm Macdonald (£17500 from Fulham) took Luton up to Div 2.

1974 – Promoted again to Division 1, but went down after just one season.

1978 – Reserve boss David Pleat takes over a club with financial problems.

1982 – Following two near misses, Pleat took them back to Div 1 in great style.

1983 – A season of high scores ended with a 1-0 win over Man City to ensure they stayed up ... and made Mr Pleat's pitch-dance a tv favourite!

1984 – Lost to Everton in FA Cup semi-final

1985 – Club embroiled in controversy, first with the "plastic pitch" – similar to our neighbours' at Feltham, and then with the ban on away fans after trouble in an FA Cup tie v Millwall.

1986 – A good period saw Pleat lured away to Tottenham.

1987 – Under Ray Harford, Luton lost in the Simod Cup and Mercantile Credit Cup finals, and the FA Cup semi to Wimbleton, but Ray Harford's team secured a first ever major trophy by beating Arsenal 3-2 thanks to Brian Stein's last minute winner in the Littlewoods (League) Cup.

MEET THE MASCOTS

SWANS MASCOT ALEX PERFECT

Alex is 12½ year old and remarkably has his own business called The Fun Zone selling children's pocket money toys at all the local events and school fêtes & fairs etc... He is involved with lots of charity events and two years ago raised £10,000 to keep his local skate park open.

He is in the scouts and was the first scout in Surrey's history to achieve every badge.

Alex supports Arsenal and favourite player is Theo Walcott.

He recently started playing football himself for Pumas U13s: as an ADHD and Asperger's sufferer, this is a fantastic achievement, built on lots of practice, courage and determination. He began just playing short stints as a goalkeeper, but is now completing full games as a defender, and this season has graduated to playing for his school team. Now a year 8 at Warlingham Secondary School, he plays both football and cricket for his school, and is a real force to be reckoned with, according to his mum!

His hobbies are taekwondo, scouting, and making money! His pet hates are bullies and cruelty to animals. His ambitions are to meet David Beckham, Theo Walcott, and Alan Sugar!

GUARD OF HONOUR STAINES TOWN FC JUNIORS UNDER 9s

Today we welcome members of the Staines Town FC Juniors Under 9 team to be our Guard of Honour at this exciting FA Trophy fixture. Manager Ken Halse has provided the following details of the team, and the picture was kindly sent by Malcolm & Jo Buckingham.

The Under 9s are probably the most promising team, in the entire Junior section. At Under 7 level they were the most successful side in the Surrey Primary League, and this was repeated the next year as U8s. In addition to their league programme, they were also successful in the Weymouth Festival (2012) and in a similar competition in Bognor in 2013. Last summer, the team's success led to three boys signing for professional clubs, namely Chelsea, Fulham, and Queens Park Rangers.

TEAM PROFILE

Ken Halse - General Manager

Phil George - Manager / Coach

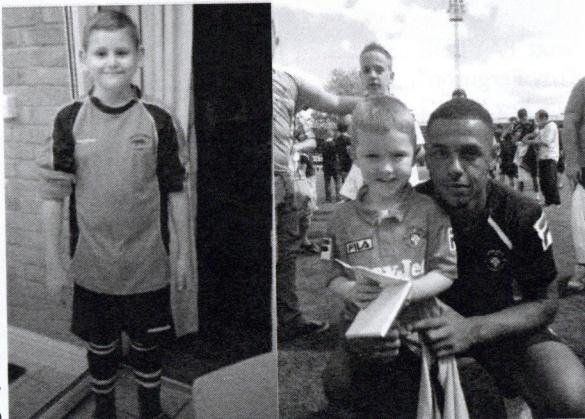

Rob Kean - Assistant Manager / Coach

HATTERS MASCOT GEORGE WILDE

George is five years old and goes to Sacred Heart RC school in Luton, where Staines Town captain Lewis Ferrell is his PE teacher.

George has been a season ticket holder with his dad at Luton from the age of 3, and his favourite player is Andre Gray.

STAINES TOWN JUNIORS UNDER 9s

The team has developed well under this excellent management team, and Phil and Rob feel that this is due to Ken being the most successful manager in the Junior section to date!

SQUAD

Tom Alexander (*goalkeeper*) Tom went into goal this season and has improved; he recently declined an offer to go on trial at Queens Park Rangers.

Rudi Buckingham (*defender*) Rudi is a strong boy in the tackle and this season has moved back from midfield, playing very well. A triallist at Chelsea and Fulham.

Charlie George (*striker*) A very quick and determined player. This season, Charlie has trialled at Fulham and is currently training at Tottenham Hotspur.

Lewis Kean (*midfield*) Lewis has moved from the defence this season. Always gives 100% and has scored a lot of goals already this season.

Luke Kingdon (*defender*) Luke is a very consistent and reliable defender who has proved difficult to get past this season.

Frankie Nethaway (*midfield*) Joined last season from Halliford Colts. He links play well, and continues to improve this season.

Louie Perrior (*midfield*) Has beautiful foot-

ball ability and is technically very gifted. Louie has scored quite a few goals this season.

Arthur Starr (*midfield*) Arthur has been awarded the Players' Player of the Year award in the last two seasons. A great passer of the ball and a triallist at Brentford and Fulham.

Oliver Stott (*utility*) Oliver joined this season from Abbey Rangers. He is a tall lad and a great asset to the team. A triallist at Fulham.

Ashley Taylor (*midfield*) Has a great left foot and strikes some wonderful goals. A good team member who was a triallist this summer at Queens Park Rangers.

Jack Taylor (*midfield*) Joined this season from Halliford Colts following recommendations from Fulham. A quick, strong player who will develop into an even better player at Staines Town.

The team would like to thank their generous sponsors:

... And to all the parents who support the boys: a big *thank you!*

IN THE PINK

You will have noticed our pink goalkeeping strip. Jack Turner suggested we adopt this colour, to demonstrate support for breast cancer awareness, having seen both his mother Kim, and grandmother suffer from the disease.

We applaud the solidarity of our other goalkeepers to this cause, and thank those supporters of both Staines Town and our opponents who have generously chosen to make donations to this worthy cause as a result.
