**GOOD AFTERNOON AND WELCOME BACK TO
ST JAMES PARK FOR THIS AFTERNOON'S
MATCH WITH LUTON TOWN.**

Today makes a nice change as it gives us a break from the League campaign and gives us a different focus. Last year, we took great enjoyment from our run in the FA Cup and created some great memories with our third round clash against Liverpool. We will strive to get as far again and enjoy another good run in the competition.

There is a lot of hard work to be done before we get that far, though, starting with this afternoon's game. We couldn't have been drawn against a tougher team from our league than Nathan Jones' Luton.

Nathan has been in charge at Kenilworth Road for a while now and is really starting to get the team playing the way he wants them to. I want to welcome Nathan, his staff and everyone connected to Luton to St James Park this afternoon and wish them a safe return home. We'll see you again in a few weeks!

Much has been said of our home form and I can assure you that we are doing all we can to find that winning formula. We haven't helped ourselves at times by gifting goals to the opposition, such as last time here against Cambridge.

**“ TODAY

FROM THE LEAGUE
CAMPAIGN AND

FOCUS ”**

However, while Christy was quick to apologise for his error, I was proud of the way he bounced back from that mistake which is testament to his character.

I have said before that players will be rewarded with a chance in the first team off the back of impressing the coaching staff in training and that was certainly the case with Christy. We

kept faith with him at Morecambe last week and he repaid that faith with another excellent performance, albeit one that ended prematurely due to the nasty gash he received in a clash with Kevin Ellison. That in turn makes him a doubt for today's game.

I was also delighted with the way Bobby came in from the cold and did so well. He has

taken being out of the first team like a true professional. It is never easy for a player to see someone else take their place in the side, but Bobby has really done his bit with his support and encouragement to both Christy and the team, which is symptomatic of the professionalism and togetherness we have in the changing here at Exeter City.

GPS TRACKING EQUIPMENT

Exeter City Football Club needs your help to raise £9,000 towards GPS Tracking Equipment to keep up to date with the evolving science of training and monitoring the squad.

Why we need GPS Tracking:

GPS Tracking is paramount to ensuring our squad is not under or over trained. It gives us the best opportunity to maintain a balance between training and recovery, reducing the risk of overuse injuries and enabling us to monitor improvements in performance of our players.

Benefits of GPS Tracking:

Most importantly the equipment allows us to collect baseline fitness data during pre-season, allowing us to track and monitor continued improvements. In season, this equipment will allow us to monitor total distances, average speeds, number of sprints and sprint distances.

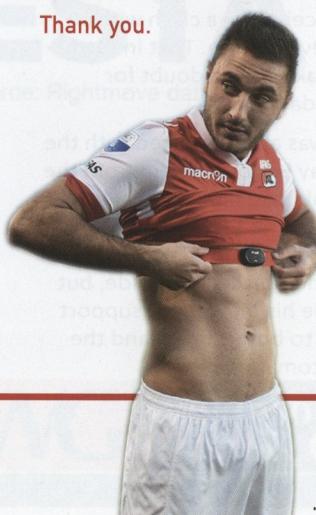

Combining GPS (External Load) with Heart Rate as a measure of Internal Load will bring us in line with the top clubs in both our league and the leagues above us, helping us to determine the relative load enabling us to adapt training accordingly.

How you can help:

Each player will be responsible for their own kit, so we'll need 30, each costing £300. If you sponsor a GPS kit for a named player or players, your name will appear in the matchday programme along with other kit sponsors. Or, you can make a donation towards the total amount.

However much you give, singly or with others, your donation will be helping us to get the very best from our players. For further information contact [Elaine Davis](mailto:Elaine.Davis@sjp.com) at SJP or eadavis5@hotmail.com.

Thank you.

REFEREE: MR. B TONER

EXETER CITY CLIMBED UP TO 19TH IN THE TABLE WITH ANOTHER IMPRESSIVE AWAY PERFORMANCE AGAINST MORECAMBE ON SATURDAY.

Paul Tisdale's side couldn't have wished for a better start with the first goal scored by David Wheeler within five minutes of kick-off.

A bad clearance from Morecambe's Alex Whitmore gave Lee Holmes a chance to stretch his legs and run at the Morecambe defence. He played an inch perfect through ball to Wheeler who finished calmly, slotting the ball in the bottom corner of the net.

City continued to attack and the second goal came after a bit of good fortune. Forward Reuben Reid held the ball up well inside the box and found Joel Grant with a simple pass and his shot got a little deflection on the way through which managed to beat the keeper.

While the referee was playing an advantage in the Grecians' favour for a late tackle on Wheeler, Lee Holmes found lots of space on the edge of the box and from a tight angle he struck the ball very cleanly with the outside of his boot into the corner of the net.

That clinical first-half attacking display, coupled with a resolute second-half defensive performance, ensured City made the long trip back to Devon with all three points.

REFEREE: MR R JONES

CAMBRIDGE UNITED PROVED TOO STRONG FOR EXETER CITY AS GOALS FROM LUKE BERRY AND HARRISON DUNK SAW THEM LEAVE ST JAMES PARK WITH ALL THREE POINTS.

Both goals came in the opening 10 minutes of the match and, despite a late header from Joel Grant in the second half, the Grecians failed to find that crucial second goal.

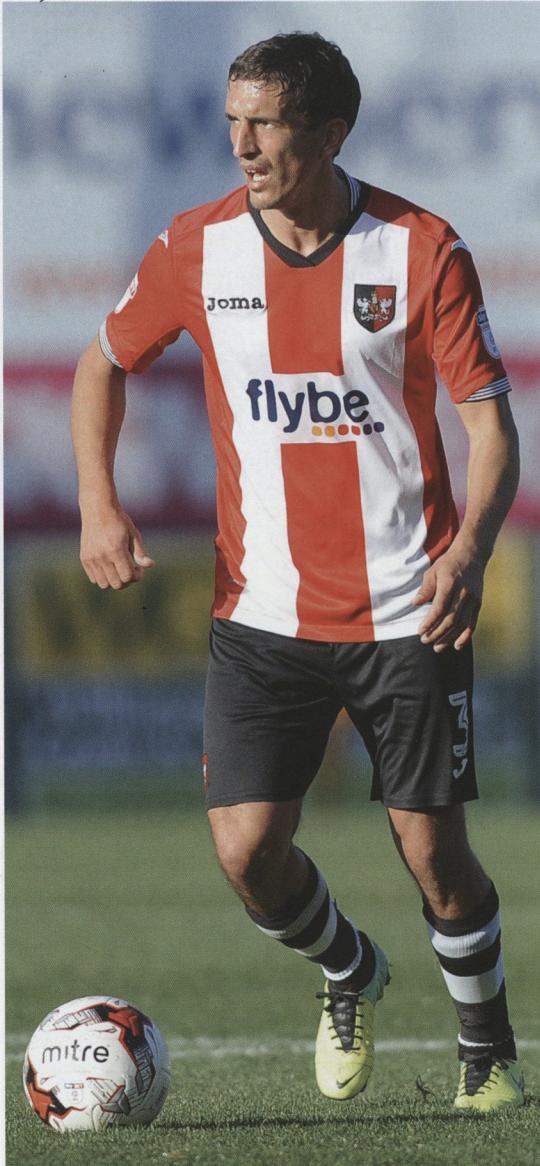

Just seven minutes into the game a mix-up between goalkeeper Chris Pym and teammate Luke Croll led to the Cambridge opener. Pym saw his attempted kick charged down and then both players failed to clear the ball at the second attempt and Berry took full advantage of the opportunity and calmly passed the ball into an empty net.

Things didn't get any better for the Grecians as moments later they conceded a soft second. City failed to deal with a long ball which landed in the centre of the box and Dunk kept his cool to volley home.

At half-time Paul Tisdale decided to make two changes bringing on Grant and Lloyd James.

City came out with the bit between their teeth, and they had a couple of chances coming from Robbie Simpson who had his shot blocked and James who hit the ball over the bar by a matter of inches.

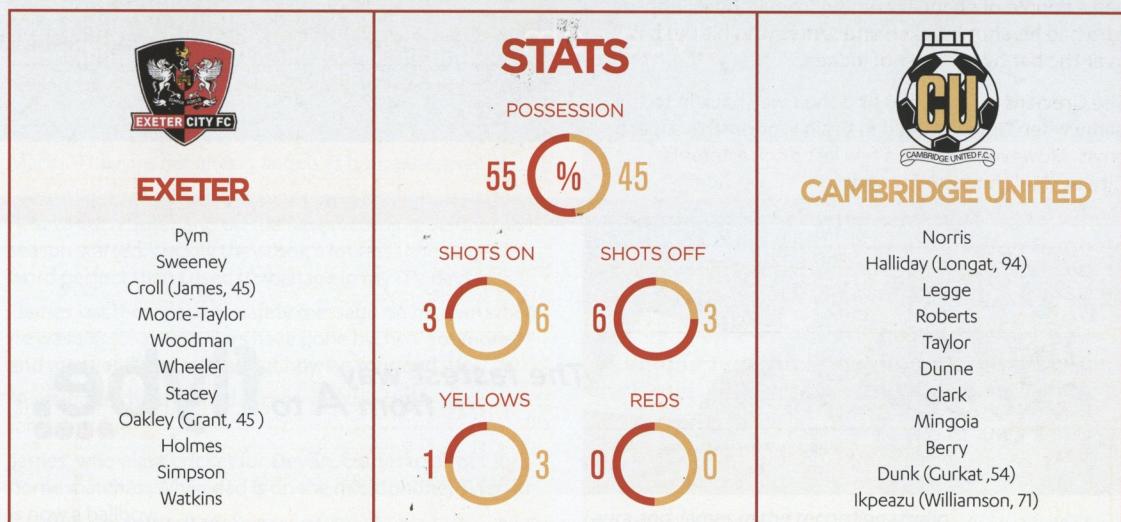

The Grecians managed to find their way back in to the game when Grant headed in Craig Woodman's superb cross. However, despite a few last ditch attempts, City couldn't find the second.

James Tyler and his dad Mark at St James Park

MATCHDAY AT ST JAMES PARK IS TURNING INTO A FAMILY AFFAIR FOR OUR ANNOUNCER MARK TYLER.

The former ITV Westcountry Sport presenter has been on microphone duties at the park for the last couple of seasons, and now the younger Tyler generation is getting in on the act as well.

Twelve-year-old James and sister Laura, who is nine, are the young voices on our safety announcement just before kick-off.

"I have to admit that there's a slight smile on my face when I hear them asking the crowd to be well behaved," said dad Mark. "They are not always angels at home themselves."

"They did manage to stay friends long enough to sit down next to each other and do the new recording before this season started. Luckily they took a lot less time to get it word perfect than I used to manage in my ITV days."

"James last recorded the safety message on his own when he was six, so, as the years have gone by, he's got more and more embarrassed about how he sounded."

"A return to the studio, this time with his sister, was long overdue."

James, who plays cricket for Devon, comes to all of City's home matches. While dad is on the microphone, Tyler jnr is now a ballboy.

"He was very excited to be chosen," said Mark. "It was always something I wanted to do as a kid in the 1970s. I never got chosen, despite being friendly with the son of the then club secretary Pat Wakeham."

"I've seen James drop a few catches at cricket. Hopefully his handling skills will be a little better with the larger ball."

FEATURE INTERVIEW

ROBBIE SIMPSON UP FOR THE CUP

Born: 15.03.85 Poole

Position: Striker

Previous clubs: Cambridge City, Cambridge United, Coventry City, Huddersfield Town, Oldham Athletic, Leyton Orient

 @RobbieSimmo

DESPITE HAVING JOINED EXETER CITY TOO LATE TO BE PART OF THEIR FA CUP HEROICS LAST SEASON, ROBBIE SIMPSON IS NOT SHORT OF A STORY OR TWO ON THE WORLD'S MOST FAMOUS CUP COMPETITION.

The 31-year-old striker, who has a degree in sports science and mathematics, got to the second round of the competition with non-league Cambridge City in 2005 and scored a spectacular volley at Anfield for Oldham Athletic seven years later.

SIMON LARKINS talked to Robbie about what the FA Cup means to him, how he managed to balance studying for a degree with playing football full-time and what his new business – LAPS (Life After Professional Sport) – aims to achieve.

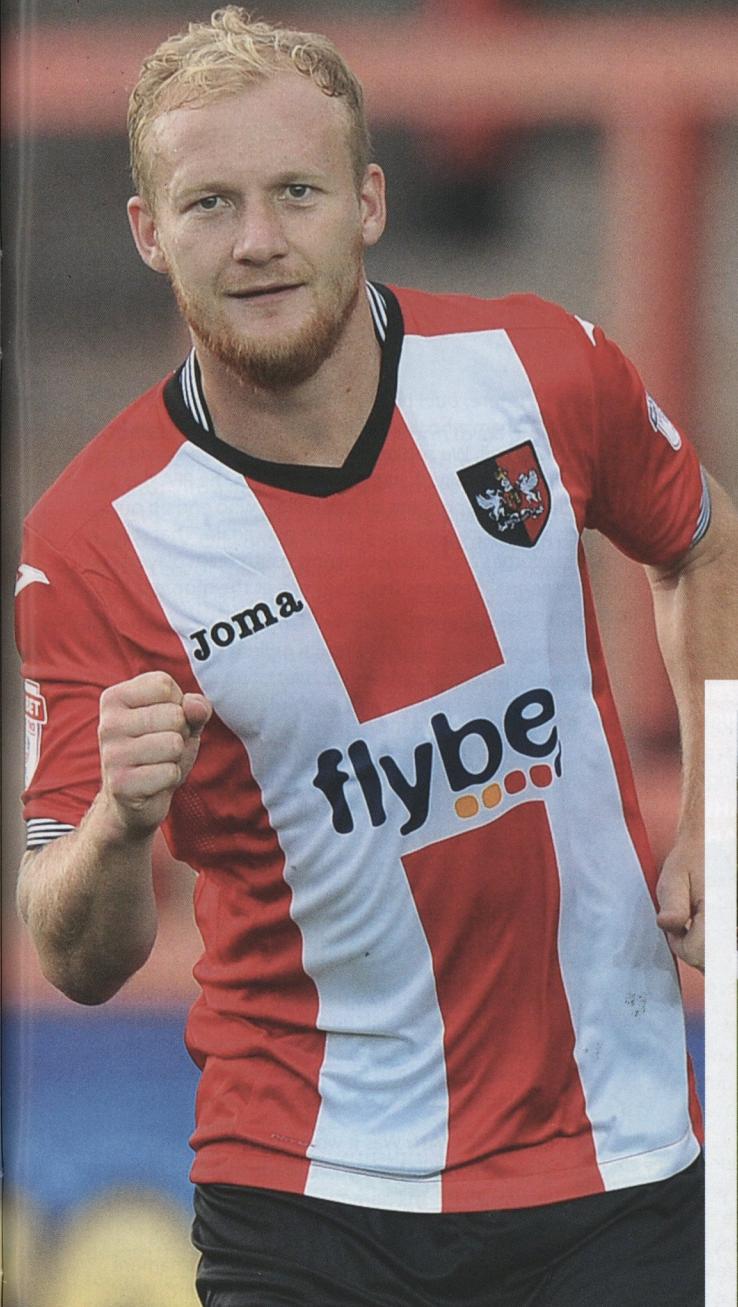

THE GRECIAN: Hello Robbie, it's Luton Town this Saturday in the FA Cup. How much do you look forward to playing in this competition?

ROBBIE: I love playing in it. Thankfully, I have some good memories from the competition and, for me, it is still the best domestic cup that there is. It provides a great chance for the smaller clubs to play the bigger sides. I watched Exeter play Liverpool last season and it can make for great occasions like that.

THE GRECIAN: I am going to take you back to the 2004/05 season now when you were at Cambridge City. What can you remember from the FA Cup run that year when your side got to the second round and played MK Dons?

DID YOU KNOW?

ROBBIE SIMPSON WON THE BRITISH UNIVERSITIES TITLE THREE YEARS RUNNING WHILE STUDYING FOR A SPORTS SCIENCE AND MATHEMATICS DEGREE AT LOUGHBOROUGH UNIVERSITY.

“ FOR A GOOD CUP RUN YOU MIGHT NEED A POSITIVE DRAW TO PROGRESS, BUT ULTIMATELY IT'S ABOUT GETTING THROUGH EACH ROUND BY TAKING IT EACH GAME AT A TIME AND BELIEVING THAT YOU ARE CAPABLE OF BEATING TEAMS FROM HIGHER DIVISIONS. ”

“ A STAT CAME OUT FROM THE PFA THE OTHER DAY THAT 70 PER CENT OF FOOTBALLERS WHO END UP OUT OF CONTRACT BEFORE THEY ARE 21 NEVER PLAY AGAIN. THAT STAT SPEAKS VOLUMES AND I THINK ALLOWING YOUTH TEAM PLAYERS TO GET BETTER QUALIFICATIONS THAN THEY CAN AT THE MOMENT IS A PRESSING ISSUE. ”

THE GRECIAN: You were not at the club last season when Exeter City played Liverpool in the competition, but how much has that game been mentioned as a motivating factor for doing well again in the FA Cup this season?

ROBBIE: It does get mentioned every now and then. It was a great night for the club and the city as a whole and we have spoken about that and potentially what could be the 'Liverpool' of this season. From my point of view, I would love it to be Arsenal. They're one of the big clubs I haven't played against and my favourite team as well. Those things get mentioned at this time of year and it is little things like that that create a buzz around the place for FA Cup weeks.

THE GRECIAN: You have an FA Cup memory of your own against Liverpool as you scored a spectacular volley at Anfield for Oldham Athletic in 2012. Where does that rank in terms of highlights of your career?

ROBBIE: It is, without doubt, my best moment in football. I know the (Exeter City) lads went to Anfield last year and for me it is the best place I have ever played. Listening to the fans singing 'You'll Never Walk Alone' before the game makes the hairs stand up on the back of your neck and then to score to put your team 1-0 up at the Kop end is unbelievable. At the time I had had a bit of trouble getting back out to Oldham on loan from Huddersfield Town. I had to pull some strings and effectively give up some of my contract to be able to go out and play, so that moment made it all worthwhile for me.

THE GRECIAN: When Lee Holmes mentions his strike straight from a corner against Liverpool, do you bring up your goal at all?

ROBBIE: I haven't done yet. I am waiting for the right moment to drop it in because Holmesy has mentioned his goal a few times. I have just kept quiet though because I want him to view my goal and come to me rather than me shout about it.

THE GRECIAN: While you were at Cambridge United you also studied for a degree in sports science and mathematics. How important do you think it is for young players to carry on their education to degree standard if they can?

ROBBIE: It is rare, but I played with a guy called Matt Smith at Oldham who went through the same route as I did into football. We spoke about it quite regularly and it really is the ideal way. A stat came out from the PFA the other day that 70 per cent of footballers who end up out of contract before they are 21 never play again. That stat speaks volumes and I think allowing youth team players to get better qualifications than they can at the moment is a pressing issue.

THE GRECIAN: How much did your degree help you in professional football?

ROBBIE: It helped me massively. First and foremost, going to university and living away from your parents teaches you to be independent and make life choices on your own. When I finished my degree, I left Cambridge United and signed for Coventry City and moved away from home. Some young players might not be able to handle that, but I already had three years' experience of living away from my parents and caring for myself. So, in terms of life education it is massive. Also my sports science degree gave me an added advantage of knowing what to eat, what not to eat, the amount of sleep I needed and extra fitness things I could do to keep myself ahead.

THE GRECIAN: Was it while studying at university that you first linked up with Paul Tisdale?

ROBBIE: Yes, Tis selected me to play for England Universities team and we had a week or two's training at Lilleshall and then we had a tournament against Scotland, Wales and Northern Ireland. We won the tournament and I got the golden boot and ever since then we have kept in contact.

THE GRECIAN: You have also recently set up a business called Life After Professional Sport. I was wondering if you could tell me a bit about the company and what its aims are?

ROBBIE: It's a career guidance platform to aid professional sports people, chiefly for when they retire and look to progress into a new career. They can get that guidance while they are still playing or if they've already hung up their boots. One of the big reasons for setting it up is that 70 per cent of sports people suffer from depression post-retirement. It is hard to replicate the feeling of winning in a team or scoring a goal at Anfield. Once you retire and you realise that feeling is never going to occur again, it is quite a hard thing to take. If I can help guide professionals to take that passion and get that feeling from a new career, then I think that will ease some people's anxiety about retiring from professional sport and hopefully reduce that depression rate. And that is just one of the reasons why I have set it up. Other reasons are that I know it is hard. I speak to young players in the changing rooms and ask them what they might do once they retire and the majority of them haven't got a clue. These are people who have only got a year left on their contract and know that it might not get renewed. The PFA are doing more and more each year, but I am hopeful LAPS can work alongside them to aid them even more and help them achieve their aims.

THE GRECIAN: The business has not been running for very long, but it has already been mentioned by Richard Branson. That must have been nice to get that recognition.

ROBBIE: Yes, Richard Branson wrote a blog towards the end of the Olympics this summer. Lots of Olympians were saying this would be their last Olympics and they had to go into the 'real world' after that and knew that would be tough. Richard Branson decided to write a blog about the transferable skills elite athletes have and how they could be transferred across to business. His editor messaged me and asked if Richard could mention our company Life After Professional Sport? I said: 'Yes, that would be fine'. It was a bit of a jackpot moment for us, because he's one of the world's best entrepreneurs. For him to acknowledge the company I have set up was a proud moment and hopefully we can use his blog for years to come.

Exeter City players Robbie Simpson and Pierce Sweeney were the guests of honour at last month's East Devon Grecians meeting.

Robbie joined City in the summer having played for the likes of Coventry City, Cambridge United, Huddersfield Town and Oldham Athletic during his career.

Pierce was also a summer signing for the Grecians having come through the Reading Academy system. He has played every match for City so far this season.

Gareth Hughes, of East Devon Grecians, said: "Robbie and Pierce were an absolute delight and did the club proud.

"Both players were great and what a difference it makes when we have the chance to meet them and get to know a bit about their personalities. As we have come to expect they were a true credit to Exeter City."

A COMPETITION AS HISTORIC AS THE FA CUP DESERVES SOMETHING SUITABLY TRADITIONAL.....

*My birthday, New Year's Eve and Christmas Day;
These are among the highlights winter brings.
St Valentine's Day is, I guess, OK,
Yet I yearn longingly for other things.
Affection builds from August of each year,
Then in November's when my heart explodes.
Come January the passion's fully here
And lasts 'til May when all my love unloads.
Week in, week out, the league routine's my care,
But only one event ignites my soul.
The chase for that iconic silverware
Is every club in England's allied goal.
From Manchester to Exeter, we're up
And dream of getting lucky in the Cup.*

TEN YEARS OF TIS: THE INAUGURAL XI

By Rory Ngah

ON SATURDAY, AUGUST 12, 2006, AN EXETER CITY SIDE LED BY THE NEWLY APPOINTED PAUL TISDALE MADE THE LONG TRIP NORTH TO BOOTHAM CRESCENT WHERE THEY MET YORK CITY IN THEIR CURTAIN RAISER TO THE 2006/07 CONFERENCE CAMPAIGN. WHILST MUCH HAS CHANGED OVER THE LAST 10 YEARS, TIS HAS MAINTAINED. THEREFORE AS PART OF HIS 10TH ANNIVERSARY CELEBRATIONS, WE SHALL BE TAKING A TRIP DOWN MEMORY LANE BY PROFILING HIS FIRST STARTING XI.

This week our commemoration of Paul Tisdale's first game as City boss will continue with a biography of striker Jamie Mackie, who made 91 appearances for the club between 2005 and 2008, scoring 19 goals.

Name: Jamie Mackie
DOB: 22/09/1985
Position: Striker/Winger
Career Appearances: 391; Goals: 64
Exeter City: 91; Goals: 19
International Caps: 9; Goals: 2

Born in Dorking, Surrey, Jamie Mackie began his football career at non-league Leatherhead, before joining Wimbledon as a trainee in 2003. However, having made just 13 league appearances for the Crazy Gang, he was forced to relocate to Buckinghamshire as part of the club's controversial move to Milton Keynes.

Jamie's stay in the Midlands was, however, short lived, as he opted to join Exeter City in the summer of 2005.

Although he initially found it difficult to break into the Grecians' side, having impressed during a loan spell at Sutton United, he was promptly recalled and soon established himself as a regular starter.

Unfortunately for City, Jamie's stellar performances in the red and white quickly attracted the attention of other clubs. Eventually, after much speculation, he signed for Championship side Plymouth Argyle in January 2008 for a handsome fee of £145,000.

Whilst many former Grecians have found it difficult to win over the Green Army, Jamie took to life at Home Park like a duck to water, scoring his first goal just 11 seconds into his debut against Barnsley. Initially signed as an impact sub, his hard work once again saw him claim a starting spot. He would go on to make 89 appearances over the course of the next two seasons.

Although Argyle were relegated at the end of the 2009/10 season, his impressive performances caught

the eye of then Scotland manager Craig Levine, who offered him his first cap against the Czech Republic in October 2010. He has since made eight further appearances for Scotland, notching two goals.

His form earned him a move to Queens Park Rangers during the summer of 2010. Once again Jamie adapted quickly to new surroundings, netting seven goals in his first eight appearances for the club. Although his season was ended prematurely by a serious leg injury, he gained a Championship winners' medal as the R's gained promotion to the Premier League for the first time since 1996.

Spurred on by the club's good fortunes, Jamie soon worked his way back to full fitness, making his top-tier debut away at Fulham in October 2011. Operating primarily as a winger, he adapted well to top-flight football, notching seven goals in his first season.

Although he went in search of a new challenge at the end of the 2012/13 season, after spending a season each with Nottingham Forest and Reading, he returned to Loftus Road in the summer of 2015. His return to the R's has so far been blighted by a series of injuries, but he currently has high hopes of regaining his spot in the team's starting line up.

CITY LEGENDS: SCOTT HILEY

Will Barrett

THIS SEASON WE WILL BE DELVING INTO THE GRECIAN ARCHIVE TO TAKE A CLOSER LOOK AT SOME OF THE PLAYERS WHO HAVE AT ONE TIME OR ANOTHER ACHIEVED LEGENDARY STATUS AMONGST THE CITY FAITHFUL.

Born: Plymouth, 27 September 1968

Position: Defender

City Appearances: 345

Goals: 13

Scott Hiley first came through the Exeter City youth system to earn a full professional contract in August 1986, making his league debut against Burnley in October 1987.

An attacking right-back who played very much in the style of his manager, Terry Cooper, Scott formed an effective partnership on the right flank with Brian McDermott as part of City's title-winning side of 1989/90.

In March 1993 he followed Cooper to Birmingham City for a fee of £150,000, where he played 49 league matches for the Midlands club.

Impressing once again, Scott was transferred to top-flight club Manchester City in February 1996, initially on loan, and then for £250,000, however injury restricted him to just nine league outings.

@GrecianArchive
 @TheGrecianArchive

Hiley signed for Southampton in August 1998, (where Terry Cooper was working in a scouting role), and spent 16 months there, playing in 32 league games.

Scott then moved across to Portsmouth in December 1999 for £200,000, captaining the side and winning the player of the year award in his first full season. He added a further 75 league matches to his career total at Fratton Park, before being given a free transfer and rejoining Exeter City in September 2002.

In his second spell at St James Park, Scott was one of the most consistent players in the side, but unfortunately he could not stop us from (temporarily) losing our Football League status in 2003. However he stayed on with the club and joined the coaching staff, whilst continuing to play in the first team.

Despite now being a senior figure at St James Park, and adding the role of assistant manager to his responsibilities, Scott still showed great quality and added a moment that will always be remembered by City fans when he 'megged' Cristiano Ronaldo in the FA Cup third round replay.

Eventually Scott ended his career with City in February of 2006, and spells for Crawley Town, Tiverton Town and Cullompton Rangers followed before he retired from the game.

Having achieved a huge amount in football, not just with City, Scott is worthy of the title 'City Legend' and this was shown in a recent poll by the Express & Echo where he was voted the club's most popular defender, beating the likes of Shaun Taylor, Rob Edwards, and Jimmy Giles.

TONY MORRIS

TONY MORRIS WAS BORN IN HEAVITREE AND EDUCATED AT LADYSMITH, WHIPTON INFANTS, SUMMERWAY, PINHOE PRIMARY AND EXETER SCHOOL. HE BECAME A REGULAR BIG BANKER IN 1955. THOUGH EXILED SINCE 1963 AS A WRITER FOR NUMEROUS PUBLICATIONS (RACING JOURNALIST OF THE YEAR IN 1990), HE IS STILL CITY-MAD. PROUD FATHER AND GRANDFATHER OF STAUNCH CITY FANS. HERE ARE HIS LATEST THOUGHTS ON FOOTBALL AND THE GRECIANS.

Ask me what I did on any day last week, and chances are I won't remember. But I have vivid recall of the first time City were drawn at home to Luton Town in the FA Cup, and am horrified to realise it was nearly 56 years ago.

A tie against the Hatters was a big deal then. They were a top-tier club, and had gone all the way to Wembley in the previous season's competition, losing the final 2-1 to Nottingham Forest. We were mid-table in the old Division four and had contrived a rare inclusion in the third round draw by virtue of wins at the Park over Barnstaple Town (4-0) and Brentford (3-1).

News of our plum draw against such distinguished opposition was wildly exciting for a 15-year-old who had never seen a First Division team in action, and I had sleepless nights until I'd secured my ticket and found a safe place for it.

When the great day – Saturday, January 9, 1960 – arrived, I felt I couldn't be at the ground early enough. In fact, I was there before 9am, first to arrive at the gate at St James Road, and I was standing there at least an hour before a second chap turned up. It must have been 11.30 before our numbers could reasonably be termed a queue.

Fortunately, it was not very cold and it didn't rain, but I would have put up with a blizzard, had it been necessary. I'd resolved to be the first through that gate, and then to make the dash for my chosen spot on the halfway line in the Cowshed. And I succeeded in my aim.

But before I made my entrance, I was interviewed by Tony Court, the Express & Echo's football writer, and the paper's photographer snapped me for the back page of that evening's edition. Court asked me a load of questions, including what I was hoping to do when I left school.

He looked a bit surprised when I said: "I want your job." I suppose that was a bit cheeky, but I was at least half-serious. As it turned out, not much more than three years later I was a sports journalist in Fleet Street, albeit writing racing rather than football.

The game that had seemed so exciting in the anticipation proved something of a let-down. Our potential match-winner, Gordon Dale, got crocked early, and we were beaten 2-1. It's high time we exacted some revenge.

Come on you Grecians!

@bbcdevonsport

I WAS ON THE SUNDAY REQUEST SHOW LAST WEEKEND JUST BEFORE THE EXETER CHIEFS GAME CAME ON AIR AND I WAS A LITTLE BIT FLUMMOXED WHEN THE PRESENTER ASKED ME WHO I THOUGHT WOULD WIN.

The funny thing is you spend all week preparing for the programme and trying to cover every eventuality after the game – nine times out of 10 the last thing I stop to think about is what the actual result might be (in the end I edged towards a Chiefs win and I would have been right if it hadn't have been for a Bath try in the eighth minute of injury time!)

Having said all that I have a good feeling about the Grecians' chances this afternoon. Luton are going well in the promotion race and the last thing they'll want is a replay – therefore I think they will come here and go for it – and that could suit City down to the ground – as we saw in last season's wins against Accrington Stanley and Plymouth Argyle.

THE FUNNY THING IS YOU SPEND ALL WEEK PREPARING FOR THE PROGRAMME AND TRYING TO COVER EVERY EVENTUALITY AFTER THE GAME – NINE TIMES OUT OF TEN THE LAST THING I STOP TO THINK ABOUT IS WHAT THE ACTUAL RESULT MIGHT BE.

The second reason for my optimism is I feel City may have just got a taste for it. I think last December's 2-0 win over League One Port Vale was arguably the Grecians' best home performance of the season and that set up the double header against Liverpool with the home game here not far behind.

Of course one of the problems of making your predictions on paper is that they're written down for ever more – if I'm asked for my thoughts on the radio at 2.20pm the chances are that by 4.55pm most people will have forgotten what I went for. Rest assured though that whatever the result this afternoon I won't be in the commentary box to

take responsibility – take it up with John Ayres!

Enjoy the game.

FA CUP - DID YOU KNOW?

When the first FA cup final took place in March 1872, football had yet to really catch on in a big way. The match, between Wanderers and Royal Engineers, was played on the cricket pitch of The Oval. There were no nets on the goal posts and only 2,000 people turned up and paid the one shilling admission in order to watch the action. There were only 15 teams in the competition.

Wanderers had played four rounds but won only one of their matches. They drew against Scottish club Queen's Park in the semi-finals but were awarded their place in the final by default as the members of Queen's Park could not afford to return to London for a replay. Wanderers won the game 1-0, the single goal coming after 15 minutes.

FLASHBACK

FRIDAY, APRIL 3, 2015

LUTON TOWN 2 EXETER CITY 3 (HARLEY 51, MOORE-TAYLOR 76, WHEELER 90+5)

Ben Strange

A FIVE-GOAL THRILLER AT KENILWORTH ROAD SAW THE GRECIANS FIGHT BACK FROM GOING TWO GOALS DOWN TO CLAIM ALL THREE POINTS DURING THIS GOOD FRIDAY ENCOUNTER.

Despite City producing an impressive first-half display, they were left scratching their heads at the break having conceded twice. The Hatters first goal was scored by Luke Guttridge, who struck just after 20 minutes, albeit a deflected effort, and Mark Cullen added the home side's second just before half-time.

But Paul Tisdale's men kept their composure and hit back through Ryan Harley six minutes into the second half. The midfielder got on the end of an exquisite chip from Matt Oakley to rifle a right-footed volley in from a tight angle past Elliot Justham in the Luton goal.

City then continued to fight their way back into the game and managed to draw level on 76 minutes as Jordan Moore-Taylor finished well just inside the Luton box, after good hold-up play from Clinton Morrison.

The Grecians' dominance then paid off as the comeback was completed in the last minute when Lee Holmes,

That win for the Grecians put them on level points with their opponents and just three points behind the play-off places.

Cornwall-born Walton came through the youth ranks at Plymouth Argyle before making the move to East Sussex with Brighton & Hove Albion in 2013. He made his debut for his new club in August 2014 during a Capital One Cup tie with Tottenham, and went on to make three appearances in the Championship before being loaned out to Bury. After suffering a groin injury, Walton went back to Brighton to receive treatment and then found himself back at his boyhood club Plymouth for another loan spell. Walton's first game back with the Pilgrims came against City in the Grecians' 2-1 victory at Home Park in 2015. He returned to Brighton after his brief stint back in the south-west and finds himself in League Two again this season working with manager Nathan Jones.

In his first year with the Robins the club made it to Wembley in the League One Play-Off Final, but they were narrowly beaten by Millwall. 2011 saw Cuthbert make the move to Leyton Orient, where he spent four years clocking up well over a century of appearances. It was to be more heartbreak though as he reached the Play-Off Final once again but missed out on Championship football after his side were beaten on penalties by Rotherham United. In May 2015 Cuthbert then dropped down to League Two to join Luton. He was made club captain in October that year after Steve McNulty left on loan for Tranmere Rovers.

**THE GAFFER****NATHAN JONES**

Welshman Jones took charge of the Hatters in January 2016 and helped guide the club to an 11th place finish in League Two last season. Currently enjoying his first spell in management, he took the role following the departure of John Still last year. The 43-year-old learned much of his coaching trade with Brighton & Hove Albion between 2013-2016, having previously spent time as an assistant manager at Yeovil Town and under-21 boss at Charlton Athletic. As a player he represented the likes of Southend United, Brighton and Yeovil and spent a short loan stint with the Grecians in 1998. Jones also spent a year in Spain where he played in the second tier before returning to the UK to join Southend.

FOOTBALL HISTORIAN LEIGH EDWARDS SELECTS TEN KEY MATCHES AND EVENTS THAT HAVE SHAPED LUTON TOWN'S POST-WAR ERA

1955 – TOP-FLIGHT HATTERS

Gordon Turner scored 32 goals as Luton Town won promotion to the top-flight for the first time in 1954-55. The Hatters began with a 3-0 victory at home to Nottingham Forest and soared up the Second Division table with six straight wins. Gordon Turner grabbed a hat-trick as Luton trounced Blackburn 7-3 and they triumphed 5-1 at Nottingham Forest. Dally Duncan's side maintained their challenge, slamming four goals past Hull City, Rotherham United, Liverpool and Port Vale. Tom Aherne and Shay Dunne were ever-present as Luton pipped Rotherham to the runners-up slot on goal average with a 3-0 win at Doncaster.

1959 – FA CUP FINALISTS

Luton Town were FA Cup finalists for the first and only time in 1958-59. The Hatters were unbeaten in their opening ten First Division games, trouncing Manchester City 5-1 and scoring four goals past West Ham and Preston. They recovered from a lean spell to beat Arsenal 6-3 and Burnley 6-2, then top scorer Allan Brown netted four goals in a 5-1 demolition of Nottingham Forest but poor results over the closing weeks saw them finish below mid-table. Luton defeated Leeds 5-1, Leicester 4-1, Ipswich 5-2, Blackpool 1-0 and Norwich 1-0 in the FA Cup before Syd Owen's side lost 2-1 to Nottingham Forest in the final.

1968 – FOURTH DIVISION TITLE

Bruce Rioch netted 24 goals as Luton Town won the Fourth Division title in 1967-68. New captain Terry Branston made his debut as the Hatters kicked off with a 1-1 draw at Wrexham and Ian Buxton arrived from Derby in September. Luton lost just two of their first 18 matches and beat Charlton in the League Cup first round, scoring 27 goals in a run of eight successive wins. Allan Brown's side went top of the table with a 2-0 win at Brentford in February and Keith Allen, Max Dougan, Fred Jardine, John Moore and Ray Whittaker also starred as they remained in pole position, clinching the title with a 4-0 victory over Crewe.

1970 – PROMOTION WINNERS

Malcolm Macdonald scored 25 times as Luton Town won promotion in 1969-70. The Hatters

LUTON TOWN – DEFINING MOMENTS

had narrowly missed promotion the previous season and Bruce Rioch was sold to Aston Villa for a record fee, with Alec Stock signing Malcolm Macdonald, John Ryan and John Collins. Luton were early leaders after remaining unbeaten in their opening 13 matches, recruiting Chris Nicholl from Halifax and Matt Tees from Charlton. Malcolm Macdonald grabbed hat-tricks in 5-0 wins over Bradford City and Reading, with Luton unbeaten in their last six matches and clinching promotion as Third Division runners-up with a 0-0 draw at Mansfield.

1974 – FIRST CLASS RETURN

Luton Town regained top-flight status after an absence of 14 years in 1973-74. The Hatters recovered from a 4-0 defeat at Nottingham Forest on the opening day to hammer Carlisle 6-1, embarking on an eight-match unbeaten run. Harry Haslam signed Alan West from Burnley and Jimmy Husband from Everton as Luton maintained their promotion

challenge. Husband netted a hat-trick in a 3-1 victory over rivals Orient, then leading marksman Barry Butlin scored three in a 4-2 win over Preston. Alan Garner and Bobby Thomson were ever-present and other stars included Peter Anderson and John Ryan as Luton finished runners-up.

1982 – SECOND DIVISION CHAMPIONS

David Pleat guided Luton Town to the Second Division title in 1981-82. The Hatters had narrowly missed promotion in the previous two years and Tony Grealish was swapped for Brighton's Brian Horton. They raced to the top by winning their first three games and hammered rivals Watford 4-1, then Steve White scored four times in a 6-0 demolition of Grimsby. Richard Money arrived from Liverpool and was an influential figure as Luton were unbeaten in their last 14 matches. Leading marksman Brian Stein, Mal Donaghy, Kirk Stephens and Steve White were all ever-present as Luton won the title with 88 points.

1988 – LEAGUE CUP WINNERS

Ray Harford plotted Luton Town's 1988 League Cup final triumph. Danny Wilson replaced Peter Nicholas in midfield, while Micky Weir arrived from Hibernian and Mike Newell moved to

Leicester. The Hatters won 5-2 at Oxford and Ian Allinson was signed from Stoke in October, with Luton losing just twice in 12 matches including a 7-4 win in the return match against Oxford, finishing ninth in the top-flight. They defeated Wigan 5-2, Coventry 3-1, Ipswich 1-0, Bradford City 2-0 and Oxford 3-1 in the League Cup before beating Arsenal 3-2 in the final. Luton were also FA Cup semi-finalists and Simod Cup finalists.

1989 – WEMBLEY FINALISTS AGAIN

Luton Town were League Cup finalists for the second consecutive season in 1988-89. Departures were Brian Stein, Mark Stein and Andy Dibble, while newcomers included Roy Wegerle, John Dreyer and Steve Williams. Luton's first home win was 1-0 against Liverpool and they beat Southampton 6-1 in January but First Division form was generally disappointing, with the Hatters narrowly avoiding relegation by winning three of their last four games. Luton defeated Burnley 2-1, Leeds United 2-0, Manchester City 3-1, Southampton 2-1 and West Ham 5-0 in the League Cup before losing 3-1 to Nottingham Forest in the final.

2002 – THIRD DIVISION RUNNERS-UP

Steve Howard scored 24 times as Luton Town won promotion in 2001-02. Joe Kinnear's side were early leaders after winning their opening two matches and newcomer Carl Griffiths netted a hat-trick in a 5-1 win over Torquay. The Hatters briefly regained pole position after beating Darlington 5-2 in October, signing Chris Coyne from Dundee, Jean-Louis Valois from Lille, Dean Crowe from Stoke, Ahmet Brkovic from Orient and Dave Bayliss from Rochdale. A run of 12 successive wins, slamming five goals past Halifax and Mansfield, took Luton back to the top with two games remaining but they finished runners-up to Plymouth.

2005 – RECORD POINTS TOTAL

Mike Newell managed Luton Town to the League One title in 2004-05. The Hatters stormed to the top of the table, winning 10 of their first 12 games before three successive defeats. They beat Bradford City 4-0 and Wrexham 5-1, then Steve Howard netted a hat-trick in a 4-1 win at MK Dons. The 1-0 victory over Port Vale in December heralded a 14 match unbeaten run and Luton bounced back from a 3-1 defeat in the return fixture to hammer Bristol City 5-0. Briefly displaced as leaders by Hull, they triumphed 4-1 at Torquay and secured promotion with four games remaining. Luton won the title with a record 98 points.

UNDER-18s: YEOVIL TOWN 1 EXETER CITY 2

Exeter City's under-18s stretched their winning run to four games with a 2-1 victory away to Yeovil Town to remain top of the Youth Alliance South West division.

Ben Seymour and Lucas White both scored in the first half, with the visitors in control of proceedings for the majority of the match.

A late penalty halved the deficit for Town, however the Grecians stood firm in the final few minutes to secure another one-goal victory – their fourth in as many games.

From the start Exeter looked to control the play with their short, sharp passing. They set a quick tempo to the match which proved to be effective when they came forward trying to unlock the Grovers' defence.

From an attacking corner, City broke the deadlock with Seymour pouncing on a loose second ball to bundle the ball home and make it 1-0.

The opening goal provided something to build on for the away side, and they scored once more before half-time with Lucas White finding the net.

In attack, Exeter looked to their three forwards to score another and kill the game off, but chances were limited as both defences remained solid in a tight second half.

Under-18s coach Dan Green shuffled the City pack and brought on Josh Hancock, Brandon Parsons, Cameron Hargreaves to add energy to the ranks, however it had little effect on breaking down a resolute Grovers' defence.

Goalkeeper Lewis Williams made his first appearance since returning to injury as time ticked down to, however with 10 minutes left, it remained a close contest in a match where the next goal could have shifted momentum in the closing stages.

On 89 minutes the home side finally got a breakthrough when a penalty was awarded after some grappling in the 18-yard box.

The spot-kick was converted and with just injury time remaining, the hosts had a chance of snatching a draw. But in the time that was left, Green's men stood firm to secure another victory in the Youth Alliance South West division.

ECFC Under-18s: Charlie Phillips, Alex Hartridge, Sam Haynes, Joe O'Loughlin, Josh Key, Jack Sparkes, Mitch Thomas, Max Smallcombe, Joel Randell, Lucas White, Ben Seymour.
Subs: Lewis Williams, Brandon Parsons, Cameron Hargreaves, Josh Hancock

FROM THE DUGOUT

Academy manager Simon Hayward, said: "We started well and had a good first half, and our play performance was epitomised by Mitch Thomas in central midfield. He really set the tone for the game, and the high tempo and

intensity to his play was excellent. It was the best 45 minutes we had seen from him all season.

"This is the fourth consecutive week where we have won by the odd goal. We are still waiting for that complete performance from the lads, but we have won once again whilst we haven't been at our best. Neither goalkeeper had any real saves to make in the second half, and besides the penalty, we never looked like conceding at any time. I think we controlled and managed the second half well enough."

EXETER FOOTBALL IN THE COMMUNITY ANNOUNCE CHARITY PARTNERS FOR 2017

Exeter City Football in the Community are pleased to announce that they have joined forces with Age UK Exeter, Children's Hospice South West and Exeter Deaf Academy for their forthcoming events.

The partnership provides these much-valued local charities with fundraising opportunities through sponsorship of participants /competitors of all of Football in the Community running events. Jacqui Cornish, community fundraising & partnerships manager for Age UK Exeter, said: "We are thrilled and delighted that Exeter City's FITC have chosen to partner with us. We look forward to working alongside our charity partners over the coming months."

Whether you are a seasoned runner or yet to put those trainers on, there is something for all ages and abilities throughout the year. Starting with the Santa Run on Sunday, December 4, along Exeter's quayside, your choice of 1.5 miles or 5k routes, the 1.5-mile has no age limit; the only restriction for both is the need to wear a Santa suit.

You will be welcomed at the finish by Exeter street market who will be offering a variety of festive food and drink to get you and your supporters into the Christmas spirit.

Helen Treble, Exeter Deaf Academy marketing manager added: "The Exeter Football in the Community Charity Partnership is a wonderful opportunity for Exeter Deaf Academy. As a charity, we are not funded in the same way as state schools so rely on fundraising. We have a proud 190-year history of supporting deaf students who join us from all over the UK. This is largely thanks to the generosity of the people of Exeter. We'll be cheering all the runners past the finish line."

In the new year it's the turn of the Exeter Half Marathon

in February. Then the Granite Way 10 or 20-mile event in March, with the finale, the ultimate charity runners challenge, the Exeter Marathon returning on Sunday, May 21, 2017.

Josh Allan, community fundraiser for Children's Hospice South West, said: "We feel very privileged that EFiTC have chosen us as one of their partner charities. We look forward to being part of four fantastic running events and raising awareness for our wonderful charity."

Online entry for the Santa Run, Exeter Half Marathon, Granite Way and Exeter Marathon are now open www.exetercityfitc.co.uk/courses/running-events

EXETER CITY 0 STEVENAGE 4

EXETER CITY HOSTED STEVENAGE IN THE SECOND ROUND OF THE FA WOMEN'S PREMIER LEAGUE PLATE LAST SUNDAY.

This was City's first game for two weeks and they got off to a shaky start which allowed Stevenage an early opportunity on goal that was saved.

Exeter started to force their way into the game with Dani Skinner looking bright on the ball before attempting to play it to Kate Finch.

The majority of possession was shared in the middle third of the pitch with both sets of midfielders looking to break down one another.

Stevenage opened the scoring capitalising on a defensive error, slotting home past keeper Reynolds. Stevenage continued to attack the Exeter goal and the pressure told as they added three more goals before half time.

Exeter were forced into a substitution with goalkeeper Reynolds being replaced by Kelly Ball.

City started brightly in the second half and Manfy

Sharpe and Courtney Butt were proving crucial in pinning Stevenage back in their own half. Centre back pairing Hollie Stone and Paige Longworth looked comfortable in the air with striker Kate Finch competed for every second ball.

Karolyane Alencar provided some dazzling runs twisting inside and out the Stevenage full-backs however try as they may City couldn't break through the visitors defence which stood as they won the game 4-0.

“ THE CITY PLAYERS ARE FANTASTIC AND THEIR SPIRIT IS UNDENIABLE, SO NOW WE WILL REGROUP AND BE FRESH FOR OUR NEXT GROUP OF GAMES ”

half could not be salvaged.

"Our focus is now on the league, and so far we have played four of the top five teams so we have an opportunity to start picking up points. The City players are fantastic and their spirit is undeniable, so now we will regroup and be fresh for our next group of games."

CSR is not just another division, it's in everything we do.
