# DAYE ARTELL WRITES...

## PLAYERS RESPONSE WAS TERRIFIC AT MORECAMBE

**I**would like to welcome Nathan Jones, his staff, players and supporters of Luton Town to today's game. Luton are understandably favourites for promotion and are the highest scorers in the division. They share goals all around their team and we will have to be at our defensive best to keep them out. The players have shown they can do it. They did it here against Notts County and Stevenage and similarly at Morecambe on Tuesday night. It has to be same again from us.

We got the response we wanted from the players to record our first win in five matches. In truth it wasn't much of a football match on Tuesday night. It was sometimes a scrappy and bitty affair due to the adverse weather and pitch conditions, but to a man we were terrific on the night. The players had to show the other side of the game again. They had to work their socks off and be resolute. We had to ride our luck at times especially in the first half when Kevin Ellison hit the woodwork twice.

His first effort clipped the top of the crossbar but if you watch it back, his shot takes a slight deflection to propel it onto the bar. It was all about putting bodies on the line and making sure we make those kind of blocks to keep the ball out of our net. The second effort that struck the post was some shot from Ellison and there is not much

you can do about that. It has hit the inside of the post and come back out and it is those fine margins in sport that sometimes go for you and other times they don't. We were on the right side of one.

I thought we deserved to earn the clean-sheet and the three points. We had chances of our own and could have been ahead before Perry (Ng) scored the only goal with five minutes left. It was a wonderful strike from him and it topped off a good night for everyone. Perry is a good footballer. He has now played at full-back, centre-half and now in central midfield at first team level. He had played there before in the Academy and Steve (Davis) often used him as a substitute in that holding role. His ability to play various positions shows what a good footballer he is. I was delighted for everyone and I thought our game management was excellent to close the game out in the last few minutes.

They took on board what happened late on at Forest Green only a few days previous. They learned from those mistakes and they deserve great credit for that. At Forest Green, we didn't see out the game well enough. There didn't seem to be much danger going into the final 15 minutes but we didn't retain possession well enough and started whacking it long too often. They know that it only invites pressure and it gave the home side the momentum.

They had a bit of luck with their two opening goals. The first one was a shot that hit the striker in the six yard box. We thought he had strayed into an offside position but the officials didn't spot it and from preparing to go in 1-0 up thanks to Chris Porter's diving header, we were level again. Although they had more of the ball, that was our game plan because we felt that with the attackers we had on the pitch, we could hit them on the counter attack and have chances. The tactics were spot on.

I was delighted for them, the fans and the club **but it is one win and three points and we have to keep on doing that ...**

Our second goal scored by Jordan was the best move in the match by a country mile. We popped the ball around and George (Cooper) has delivered another inch perfect cross to the far post. Perry has shown the awareness to head it back across goal and Jordan has tucked it in.

I was disappointed that we couldn't see the game out. Again they had a bit of luck when a wayward shot fell to the forward and he has stuck his leg out to divert it onto the post. Saying that we were not good defensively in the second phase of play. We didn't cut the cross out and we didn't mark properly and Doidge has had a simple tap in.

When they forced that late corner, you feared the worst. What we needed was some organisation and a real desire to head the ball out of our box. We didn't get it.

Their defender made a run that was left unchecked and after hitting the post, their lad reacted quickest to put it in. I was annoyed by the way we conceded that goal so easily. We just had to stand up to that last corner to earn an away point but we couldn't manage it.

We have worked extremely hard on defending set-pieces and that is why I was so annoyed by what happened on Saturday, but credit to the lads, they picked themselves up really well and went and got a result at Morecambe. I was delighted for them, the fans and the club but it is one win and three points and we

have to keep on doing that if we are to move away from the bottom. It is one step at a time.

I must say the Crewe fans at Forest Green were a credit to the club. They were out in the open for the majority of the game, until they opened an adjacent stand and it poured down throughout. There was a great following of nearly 500 and they sang their hearts out to help us. I cannot praise them enough, they were absolutely terrific for us and I'm sorry we couldn't get something to show for our efforts.

We took nearly 150 again on Tuesday night and although there was under 1,000 supporters inside the ground, it was our fans making most of the noise. They were fantastic and I'm sure they celebrated Perry's winner as vehemently as we did!

I would also like to take this opportunity to congratulate our youth team on progressing to the third round of the Youth Cup. They comfortably won 4-0 at Evesham on Tuesday night and now face a tie at Colchester next month. Well done to Lee, Jacko and all the boys.

I would like to thank you for the fantastic support you have given us. It really is appreciated and get behind the lads like you have been doing again this afternoon. As I've said in the press it is time for unity.

*Dave*

MCGHEE BACK IN BUSINESS AT THE HIVE

MARK MCGHEE IS BACK IN MANAGEMENT AT BARNET AFTER OUTGOING BOSS ROSSI EAMES WAS PLACED IN A NEW ROLE AT THE LONDON CLUB. EAMES, 32, WAS ONE OF THE YOUNGEST MANAGERS IN THE EFL AND HE HAS BECOME HEAD OF PLAYER DEVELOPMENT WITHIN THE NEW STRUCTURE.

**S**cotsman McGhee, 60, succeeds Eames as manager after a recent run of poor form saw them slip into the relegation zone. Alex Armstrong will continue as assistant manager. McGhee brings vast managerial experience to the dugout having served the likes of Reading, Leicester City, Millwall and Wolverhampton Wanderers early on in his career.

He had most recently served as Gordon Strachan's assistant with the Scotland national team but their failure to qualify for next summer's World Cup Finals in Russia saw them leave their posts.

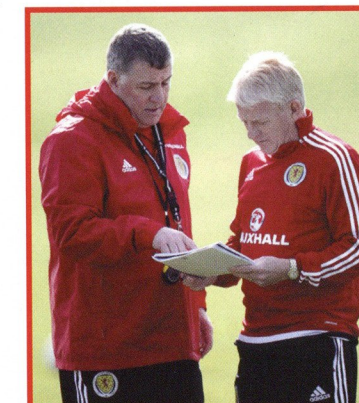

McGhee's last job in club management saw him in charge at Motherwell in the SPL but he was sacked from that position in February as they slipped too close to the relegation drop zone.

Luckily for McGhee, the Scotland Football Association did not ask for a six-match club suspension to be upheld on his move to England. McGhee was banned from the touchline for six games after he was involved in a verbal exchange with a supporter following Motherwell's 7-2 defeat to his former club Aberdeen.

The SFA have not asked FIFA to enforce the ban and it will now only be reactivated if he was to take another post in Scotland in the future.

Carlisle United have been dealt a massive blow with the news that their influential winger Nicky Adams has been ruled out for the remainder of the season after suffering a knee injury in their recent 4-0 win over Yeovil Town.

Adams was Carlisle's player of the year last season as he helped them

Mark McGhee is now the manager of Barnet after his spell as Scotland's assistant manager.

reach the play-offs. The 31-year-old had made 21 appearances this campaign and his ability in the final third will be sorely missed by Keith Curle and his improving side.

Cheltenham Town have also lost defender Jordan Cranston for the duration of the season after it was revealed that he would need surgery on his severe hamstring tear. The left-back, 24, had featured in 21 games this season for the Robins but he suffered the serious injury in their recent 2-2 draw with Luton Town.

In Cranston's absence, manager Gary Johnson says Dan O'Shaughnessy will get an opportunity to step up for the Robins, who Crewe face on Saturday 9th December.

Coventry Rugby Football Club chairman Jon Sharp has ruled out any possibility of footballing neighbours Coventry City moving to the Butts Park Arena as part of a proposed ground share. Coventry are in the final year of their agreement with Ricoh Arena landlords Wasps and are on the hunt for a new venue.

Sharp says that he will not discuss the possibility because of Coventry's current ownership by Sisu: "We will not deal with them as long as they are owned by Sisu. Whether correctly or not, the current owners are vilified within the city. Whether that is fair or not, I'm not going to comment on."

"But we have spent many years re-establishing our status in the city. I'm not prepared to risk that by associating with City's owners."

# David Richards

**“MY MENTAL STRENGTH HAS IMPROVED AND I FEEL there is more to come from me.”**

## WELSHMAN REALLY FINDING HIS FEET AT FIRST TEAM LEVEL

**G**oalkeeper David Richards believes he is really beginning to find his feet at first-team level after displacing Ben Garratt as number one back in late September.

Crewe Alexandra boss David Artell felt that Garratt needed a mental rest more than anything after appearing in almost 200 games at the age of 23 and he did not hesitate to present Richards with an opportunity.

The bubbly Welshman has had to wait patiently to make his first-team debut for the club or any club for that matter. Having previously been a reliable understudy at his previous clubs Cardiff City and Bristol City, his only first-team action was when he went out on loan to Llanelli and Chippenham Town.

The 23-year-old was thrust into action for his senior debut at Coventry City and he didn't disappoint. Despite losing the game 1-0, Richards excelled between the sticks and following a string of good saves, he was comfortably our best performer at the Ricoh Arena. In only his second ever League game he promptly saved an early penalty from Stevenage striker Matt Gooden and a last minute winner from Jordan Bowery gave us a deserved three points.

Artell recently claimed that Richards' consistent form has deservedly seen him retain the number one shirt and the confidence the manager has shown in him is rubbing off.

The man fondly known by his team-mates as Trigger told the Alex match day magazine:

*"The time has gone quickly since I made my debut at Coventry and although I would have liked to have helped us got a few more results, I've really enjoyed it."*

*"We have had some high points such as the Notts County game, the Stevenage game and the FA Cup win over Rotherham, but we would have all liked to have picked up a few more points. We have slipped up in too many games."*

*"It is all about consistency. I know we have all been saying it for a while but the group is strong. The spirit is good here and there are a lot of talented players. When we play well and click as a team then we are a very good, like we were against Notts County and Rotherham but when we make a few mistakes then we seem to get punished."*

*"We know that if we play the right way and stand up to the opposition then we can beat anybody. I think we have the right players here to make sure we fly up the table. We care capable of it. We have just got to stick together and build that momentum again."*

With Garratt and the promising youngster Will Jaaskelainen breathing down his neck, Richards knows that he has to keep performing to a high standard to keep the shirt. He has had to adjust quickly to the extra demands made on him at first-team level but says that concentration remains key.

Dave explained: *"What I've found making the step up is that you have to concentrate a lot more. The players are quicker and stronger, so you have to match that. You have to be alert all the time because we can be on the attack one minute and then defending against a counter-attack the next."*

*"That is the main difference but I've felt my confidence rise by each passing game. I feel fitter and sharper. My mental strength has improved and I feel there is more to come from me."*

*"When I first went into the team it was about dipping my toe in and seeing what it was all about. I've got more used to it now and I've come out of my shell a bit. I think I can become more vocal and help the lads in front of me."*

*"The more you play with a settled back four and the midfield lads, the more it helps you. I think we get the best out of each other and if that means having a row on the pitch then we do. It is nothing personal."*

*"If I have a row with someone like Raynes or he has a dig back at me, I know it is not personal. It is just about getting more out of yourself. I don't mind that because I know that we are a strong group and we all want to do well."*

*"Now we have to go on a run of games and make sure we get up that table."*

Richards knows that he has a pivotal part to play in that and he is determined to keep the ball out of net as much as possible.

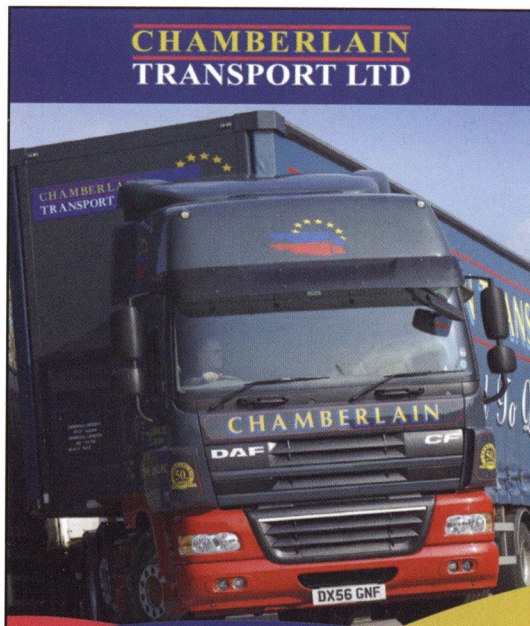

He said: *"Having this run of games in the first-team has allowed me to see how important it is to do well every game. I know that if I play well and help the lads keep the ball out of the net then that gives us every chance of getting a result."*

*"If we get a clean-sheet then we are confident that with the players we have, we will get one up the other end."*

*"It really spurs you on to do well and there is no better feeling than winning games. All I can do is take it game-by-game and carry on performing to the best of my ability."*

# LUTON TOWN

## This Season

The Hatters remain many pundit's favourites for the League Two title this season and after losing out in the play-offs last season they will aiming to make sure they get the job done automatically this time around.

Luton Town have rightly won plaudits for their style of football and they comfortably have the most potent strike force in the division. Even more so now that Danny Hylton has fully recovered from injury!

They set an early marker by beating Yeovil Town 8-2 on the opening day of the season and they have followed that up by putting seven goals past both Stevenage and only last weekend at home to Cambridge.

With Hylton on 11 goals, James Collins on 9, and Elliott Lee on five goals already this season, Crewe will have to be at their defensive best to keep them quiet this afternoon.

## New arrivals

Alan McCormack, Marek Stech, Luke Berry, James Collins, James Shea, Elliott Lee, Aaron Jarvis, Harvey Isted, Harry Cornick, Jack Stacey (loan), Andrew Shinnie (loan)

## Last Time Out

Despite having left-back Alan Sheehan sent-off after 53 minutes for two bookable offences, Luton Town recorded a deserved 2-1 win at Gresty Road last season.

In what was David Artell's first game in charge after succeeding Steve David just days before, striker Ryan Lowe opened the scoring after 28 minutes for what would be his final goal for the club. Lowe later re-joined Bury in the January transfer window.

Jack Marriott timely equalised for the Hatters on the stroke of half-time and Nathan Jones' side went on to control much of the second half despite having Sheehan dismissed. The ten men won the three points thanks to Jake Gray's winner 20 minutes from the end.

In the reverse fixture at Kenilworth Road back in October 2016, Lowe was again on target but a goal from Hylton just before the half time interval meant the points were shared.

## The Manager – Nathan Jones

Welshman Nathan Jones, 44, was appointed Luton Town manager back in January 2016 after previously working as a coach at Brighton & Hove Albion.

He had previously worked as a coach with Yeovil Ladies, Yeovil Town and Charlton Athletic. Jones has now amassed over 100 first team games in charge of the Hatters and he guided the club to fourth place last season. They were eventually beaten 6-5 on aggregate by Blackpool.

In his playing days, Jones was a left-back for the likes of Southend United, Brighton and Yeovil Town. He also enjoyed playing spells with Welsh club Merthyr Tydfil and over in Spain with Numancia and Badajoz where he learned fluent Spanish.

Jones made over 560 first class appearances during his career, winning promotion to League One with Brighton in 2001.

## Away Days

Luton may have made impressive headlines with their high scoring victories over Yeovil, Stevenage and Cambridge but arguably their most telling performance of the season saw them win 4-1 away at their promotion rivals Exeter City last month.

They have enjoyed great success on the road, winning 2-0 at Accrington Stanley thanks to goals from Collins and a penalty from Hylton.

Wycombe Wanderers is never an easy place to go and they managed to win there too back in September and they have also been successful on their travels at AFC Wimbledon in the Checkatrade Trophy.

## Ones To Watch...

### ►► 1. MAREK STECH (GK)

Stech joined Luton in June 2017 from Sparta Prague after enjoying three seasons in the Czech Premier League.

The 27-year-old started his career in his home country as a schoolboy with Sparta, before joining West Ham United at 16 and gaining experience on loan with clubs including Wycombe Wanderers and Yeovil Town.

The 6ft 5ins stopper earn cult hero status in Somerset after signing permanently in 2012, helping the Glovers to promotion to the Championship for the first time in the club's history before leaving following their immediate relegation in the summer of 2014 to play in the Europa League with Sparta.

He has 12 Czech Republic Under 21 caps to his name and one full cap which came in June 2014 in a friendly against Austria.

### ►► 3. DAN POTTS

Potts joined the Hatters in summer 2015 from West Ham United, where he made 13 appearances after being handed his debut in a Championship win over Barnsley in December 2011.

The 23-year-old represented the USA at Under-20 level in 2011, before being selected for England Under-18, 19 and 20s.

Potts gained valuable EFL experience on loan at Colchester and Portsmouth before agreeing a two-year deal with Luton.

After making 44 appearances in his first two seasons with the Hatters, he was offered a new contract in May 2017 for another year.

### ►► 5. JOHNNY MULLINS

Mullins joined Luton in summer 2016 after leaving Oxford United.

The 32-year old experienced centre-half started out at Reading, but left in 2006 without adding to the 50 appearances

he'd made during two lengthy loans with Kidderminster.

He then spent two years at both Mansfield and Stockport before joining Rotherham in the summer of 2010. He helped the Millers win promotion to League One in 2012/13, but left to sign for Oxford the following summer after a loan spell.

Mullins made 51 appearances in his last season, including leading the U's out at Wembley in the Johnstone's Paint Trophy final with Oxford also sealing promotion from League Two, before joining the Hatters with team-mate Danny Hylton.

He made his 500th career appearance in 2016/17, although suspension and a hamstring problem made the second half of his first campaign stop-start, limiting him to 29 appearances.

### ►► 7. JACK STACEY

Stacey joined Luton on a permanent deal in the summer having agreed an undisclosed fee with Reading.

A Reading youth product, the 21-year-old who can operate at right back and in midfield played six times for the Royals in the Championship.

Between 2015 and 2017, he had three loan spells, with Barnet, Carlisle United and Exeter City, but really found his feet with the Grecians last term.

A full season at St James Park saw him flourish as he made 38 appearances as well as scoring a fantastic late winner in Paul Tisdale's side's 6-5 aggregate win over the Cumbrians in the League Two play-off semi-final.

He then started in the Wembley final, which they lost 2-1 to Blackpool before joining the Hatters on a two-year contract after Town agreed terms with the Madejski Stadium outfit.

### ►► 44. ALAN SHEEHAN

Cultured defender Sheehan joined the Hatters on loan from Bradford City in January 2016, becoming Nathan Jones' first signing after taking over as manager making the move permanent the following summer.

The 31-year-old left-footer has made over 300 appearances in his career so far with the majority coming during two spells with Notts County.

He also counts Leeds United and Swindon Town among his former employers, as well as loans with Mansfield, Crewe, Oldham and Peterborough after starting out at Leicester City.

He signed a permanent deal with the Town in May 2016 and made 41 appearances in his first full season. He has Hatters four goals to his name, including three stunning free-kicks that were all nominated for 2016-17 goal of the season.

Johnny Mullins

### ►► 8. OLLY LEE

Central midfielder Lee joined the club on an initial short-term deal in August 2015, before quickly earning a contract to 2017 which was then extended to the summer of 2018 at the end of an impressive first campaign with the Hatters.

The brother of Elliot Lee, Olly started on the books of West Ham, enjoying two loan spells at Dagenham & Redbridge under former Hatters boss John Still, who brought him to Kenilworth Road, and one at Gillingham before signing for Barnet for 2012-13.

He joined Birmingham City before the season was out, but was released by the Championship side in 2015 after a spell on loan in League Two with Plymouth. By the end of 2016-17, Lee had made 80 appearances in a Town shirt, scoring four times.

### ►► 11. ANDREW SHINNIE

Shinnie signed for the Hatters on a season-long loan from Championship side Birmingham City,

The 28-year-old adds experience to Nathan Jones' midfield, having played over 200 first team games across the top three tiers in Scotland as well as the English second tier.

He started out with Rangers, enjoying loan spells with Dundee, but after his departure from Ibrox he went onto play for Inverness Caledonian Thistle, impressing enough to be on the four-man shortlist for the 2012-13 SPFA Players' Player of the Year award and earn selection for the PFA Scotland SPL Team of the Year.

Shinnie moved south to Birmingham in 2013, but they have loaned him out for the past 18 months, first to Rotherham and then on a full season loan in 2016/17 with Neil Lennon's Hibernian, which saw him win the Scottish Championship title.

### ►► 16. GLEN REA

Rea joined the Hatters on loan from Championship club Brighton & Hove Albion in March 2016, making ten appearances, and signed permanently in June 2016.

The Sussex-born player had made his debut for Albion in August 2015 in the Capital One Cup against Southend, who he went on to join on loan for a three-month spell before his temporary stint at Kenilworth Road.

He opted to re-join the Hatters to be reunited with Nathan Jones, who he worked under at Brighton, ahead of

interest from the Shrimpers. Rea made 49 appearances, 46 of them starts, in his first full season with Luton, finding the net three times.

The 23-year-old is a highly-rated Republic of Ireland Under-21 international who can operate as a holding midfielder or centre-half.

### ►► 18. LUKE BERRY

Berry made the short move to Luton from Cambridge United in summer 2017 for an undisclosed fee, ending his long association with the Club.

He had spent a total of six years of his seven year career so far with the U's after graduating from their youth set-up in 2010.

Scoring 29 goals in 150 appearances for the Club from 2010-2014, Barnsley paid an undisclosed fee for his services, but he spent just one season with the Tykes before returning to Cambridge on a four-year-deal for an undisclosed fee.

Three seasons, 35 goals and 105 appearances later and he opted to leave the Cambs Glass Stadium again for rivals Luton Town after they outlined their ambitions for the future.

a new contract in order to pen a two-year deal at Kenilworth Road.

The club's top scorer last season with 27 goals, Hylton came in the top three shortlisted for the EFL League Two Player of the Year award and was voted in the Team of the Season for League Two.

### ►► 19. JAMES COLLINS (FW)

Luton acquired the signature of lethal League Two poacher James Collins from Crawley during the summer for an undisclosed fee.

Having netted over 100 career goals – most of which have come in the fourth tier – Collins adds even more firepower to the Town frontline, penning a three-year contract.

Since leaving Aston Villa, the 26-year-old pursued a career in the lower leagues, going onto score regularly for the likes of Shrewsbury Town, Swindon Town and the Red Devils.

A season in the Scottish Premiership with Hibernian didn't prove as fruitful as planned in the 2013-14 season, but he has netted 54 goals since his return to England, including 22 last term for Crawley.

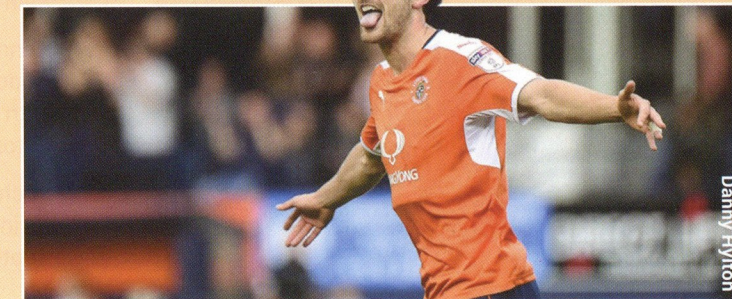

The Coventry-born former Republic of Ireland U21 international has won promotion three times from League Two; twice with Shrewsbury and once during his loan at Northampton Town in 2016.

### ►► 9. DANNY HYLTON

London-born forward Hylton joined Luton in summer 2016 alongside Oxford United team-mate Johnny Mullins, after the pair had helped the U's to promotion to League One and the Johnstone's Paint Trophy final.

The 28-year-old started his career with Aldershot Town, where he made over 200 appearances in the National League and League Two before joining Rotherham in 2013. He played just one game for the then-League One club, however, and was loaned out to Bury and AFC Wimbledon prior to his move to Oxford in 2014.

While at the Kassam, Hylton hit 30 goals in 84 starts, but turned down the offer of

MISSING OUT ON THE GREATEST SHOW ON EARTH

by Chris Dunlavy

**I**taly's limp play-off defeat against Sweden means the World Cup will not feature the famous blue shirts of the Azzurri for the first time since 1958.

Doomed manager Giampiero Ventura said the side had "an infinity of issues" whilst La Gazzetta Dello Sport decried a "national tragedy".

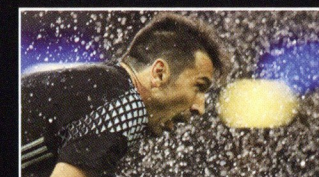

Only Brazil and Germany now boast a longer unbroken stretch of World Cup participation, but the Italians are far from the only elite nation to miss a major tournament...

### ► NETHERLANDS - 1982-86

If you think the Dutch have problems now, hark back to the early eighties. The legendary side of Cruyff, Rep and Neeskens that introduced the world to Total Football and reached two consecutive World Cup finals had aged or retired.

In 1982, only whipping boys Cyprus (a scrappy 1-0 win in Nicosia was a lowlight) kept the Dutch off the bottom of their qualifying group. Two years later, Spain pipped them on goals scored courtesy of smashing Malta 12-1. The fact it was the final qualifying game and the Spanish needed to win by 11 clear goals to stop the Dutch was... curious.

Then, in 1986, with the likes of Van Basten, Gullit and Koeman approaching the peak of their powers, bitter rivals Belgium scored in the 86th minute to inflict a heart-breaking play-off defeat.

Former World Cup winner Buffon won't be in Russia.

Still, all's well that ends well. Two years later, after an eight-year absence from tournament football, the Netherlands won the Euro 88, their first - and only - major honour.

### ► GERMANY - 1968

In 1950, post-war occupation meant that West Germany were banned from competing for a place in the World Cup. They did not enter the 1930 edition, nor the formative European Championships of 1960 and '64.

Which means that 1968 is the only time Die Mannschaft have ever failed to qualify for a major tournament.

And, to be fair, it was pretty easily done. Back then, 31 teams were competing for just FOUR places at the European Championships. Even group winners required a play-off to seal the deal.

Germany didn't even make it that far, a draw in Albania meaning they finished second to Yugoslavia. Still, they showed everybody in 1970.

### ► ENGLAND - 1994

Four years after their finest hour since 1966, England compounded goal-shy embarrassment at Euro '92 with a wretched qualifying campaign.

Though ended in controversial fashion at the hands of Ronald Koeman and Holland, a side of over promoted journeymen - Carlton Palmer, anyone? - had struggled throughout and eventually finished third in their group.

Gaffer Graham Taylor departed but not before quotes like "Can you not knock it?" and "Do I not like that," - all captured by a fly-on-the-wall documentary team - had entered football folklore.

### ► FRANCE - 1988-90 & 1994

Like the Dutch, France followed a golden era with an eight-year drought. Michel Platini - the three-time winner of the Ballon D'Or and inspiration behind Les Bleus' 1984 European Championship success - retired in 1987.

In his absence, France won just one game in qualification for Euro 1988 and three ahead of Italia '90, despite fielding the likes of Eric Cantona, Laurent Blanc and Jean-Pierre Papin.

After a winless Euro '92, France then missed USA '94 thanks exclusively (if you believe manager Gerard Houllier) to David Ginola.

## PLAYER INTERVIEW

# Perry Ng

## NG STRIKE AT MORECAMBE GIVES EVERYONE A LIFT

**P**erry Ng knows that the Alex dressing room are going to have dig really deep if we are going to move away from trouble at the bottom of the table. Ng, may still be only 21, but he has deservedly established himself in David Artell's starting XI. The Liverpoolian is closing in on 50 first team appearances and his unique versatility has already seen him play at right-back, centre-half and like Tuesday night at Morecambe in a midfield role for the club.

He marked his change of position at the Globe Arena by scoring a magical winner with just five minutes left on the clock. Lively sub Callum Ainley did brilliantly to carry the ball from the opposite touchline before inviting Ng to shoot. He had one touch before drilling an unstoppable shot past Morecambe's experienced goalkeeper Barry Roche. It was a goal worthy of winning any game and it gave us only our second away win of the season.

The former Academy graduate doesn't mind where he plays as long as he has the opportunity to help the team pick up the points we will need to starve off the growing threat of a relegation battle.

Despite his young age and relative inexperience compared to others in the squad, Ng has become a real leader on and off the pitch and he continues to lead by example.

Ng is now hoping that his late winner on Tuesday can be a catalyst for an upturn in results

He told the Alex matchday magazine: "As you can imagine it hasn't been good after games in the dressing room.

*We hate losing and when you put a lot of effort in and you lose late on, it drains the life out of you. It does affect you but we picked ourselves up quickly to get the three points on Tuesday night.*

*"You cannot dwell too much on things and have to get over a defeat quickly. That is what we did and now we have to keep it going. Our poor results have gone on far too far now and we need to move up the league as soon as possible."*

Ng speaks and thinks with great maturity, so much so that he could become a future captain. He is critical of his own game more than most and admits that he often analyses what he has done well and not so well in games.

Perry told the Alex matchday magazine: "I'm one of those who watches the DVD's and the clips of the games and my own performance. I have to. I like to know how I've done and what went wrong when goals went against us. I think it is important to always learn from your mistakes and I

usually watch them back on a Saturday night.

*"You have to get over set-backs quickly and the lads showed that fight and character to get that win at Morecambe."*

*"It was about being prepared to put your bodies on the line and fighting until the end. I want to play and I want to win. I am like everyone else; I hate it when we lose as a team, so it was nice to get a win and for me to score the winner. I think I can score more goals and I enjoy it in midfield but like I've said I'll play wherever the manager wants me to play."*

Pezza added: "There are no excuses whatsoever. With the players we have here, we should be doing a lot better than we have been doing. It is not from the want of trying but we have given away some stupid goals at stupid times and they have cost us. When we play our football we can compete with anyone in this league and we will be trying to do that again against Luton, who are the best team in the division at the moment."

## Fan's Q&A

THE MATCH DAY PROGRAMME  
ASKS AVID ALEX FANS ABOUT  
THEIR EXPERIENCES SUPPORTING  
THE RAILWAYMEN.

**Philip Dodd**

Age: 62

From: Ickenham,  
London Borough of  
Hillingdon

**» HOW LONG HAVE YOU SUPPORTED THE ALEX AND WHY WERE YOU ATTRACTED TO THE CLUB?**

Born and bred in Crewe so all my life but I have to admit my interest waned a little in the pre Dario days after I had left Crewe to work in London and the team, frankly, wasn't very good.

**» WHAT WAS YOUR FIRST CREWE ALEXANDRA MATCH AND WHAT WAS YOUR ABIDING MEMORY?**

My memory is a little hazy - first match I saw was in 1964/65 season but I do remember the second promotion season 1967/68 vividly where I saw every home match. We were unbeaten at home that year and the abiding memory has to be beating the champions Luton Town in the last game to secure the final promotion place.

**» WHAT DO YOU RANK AS THE BEST CREWE ALEXANDRA GAME YOU HAVE ATTENDED?**

There have been so many over the years but two in particular stand out.

26th April 2003 at Loftus Road. QPR had two men sent off and the locals were not happy but the draw we earned that day secured our promotion spot at the expense of QPR. The after match celebrations between the Crewe fans and the team were unforgettable. Especially so as QPR were the closest team to where I lived.

However the best game was 23rd August 1997 at Carrow Road, Norwich. Promotion to the then League One had been won at Wembley the season before but "little old" Crewe were everybody's favourite to be relegated, especially after we had sold Danny Murphy to Liverpool in the close season. The first two games of the season had been lost so it looked as if the pundits would be proved right. But no! We went to

Norwich played them off the park and won 2-0 with Shaun Smith scoring a trademark free kick.

**» WHO WAS THE FIRST CREWE ALEXANDRA HERO?**

Not sure I ever had a hero but there were players you felt a particular affection for. Gordon Wallace, the star of the team, whose career was cut short by a terrible tackle, Terry Harkin and Gary Talbot for their goals and the two seemingly ever present full backs Tommy Lowery and Peter Leigh.

**» HAVE YOU EVER MET ANY PAST OR PRESENT CREWE PLAYERS?**

As a child I fondly remember standing in the alleyway between the player's entrance and the cattle market waiting for autographs. So if that counts then probably most of the players in the mid to late 60's.

**» FAVOURITE CURRENT CREWE PLAYER AND WHY?**

I try to follow the team and be neutral about the players but I will be very interested to see how Tommy Lowery's

Memorable Wembley trips in 2012 & 2013.

career develops. He has tremendous ability and if he works hard and is fortunate with injuries could make the Premier League.

**» FAVOURITE GROUND VISITED AS AN AWAY FAN?**

You mean after Wembley! Probably the New Den, Millwall. Despite their reputation I have always found the Millwall fans to be welcoming and the atmosphere inside the ground good humoured.

**» DO YOU HAVE A FAVOURITE CREWE ALEXANDRA KIT?**

For many years I had a shirt with black trim on it but I confess I can't remember the year it came from.

**» WHOSE RESULT DO YOU LOOK FOR FIRST AFTER THE ALEX?**

No team specifically. It usually relates to teams whose results are important to us.

I was looking out for Leyton Orient's results. Steve Davis was part of one of the most successful periods in our history. When you see how that club has been mismanaged in recent times it helps you appreciate the stability we have at The Alex.

# Best & Worst

Being out for 4 to 5 months just isn't very nice!

## Conor Grant

### ⊖ The Player ...

**Best thing about being a footballer?** It's what I love doing and it's what I've done all of my life. It was my dream job and I'm getting to live that.

**Worst thing about being a footballer?** Losing and being injured are both bad.

**Best moment in football?** My favourite would be scoring on my debut when I was at Motherwell - I did that at Doncaster as well.

**Worst moment in football?** Being injured with my back, I was out for four-five months which wasn't nice.

**Best performance for Crewe?** The Notts County game was a good one, for the team as well, everyone was good.

**Worst performance for Crewe?** The 5-0 Carlisle one when we got beat at home.

**Best goal celebration?** I did a knee slide in my first ever game at Motherwell.

**Worst goal celebration?** I tend to do just a generic aeroplane for my other goals so I'd go with that.

**Best away ground?** We played at Newcastle United last year. That was quality.

**Worst away ground?** Newport is shocking, honestly.

**Favourite food & why?** I'll just say chicken!

**Least favourite food & why?** I'd say tuna, can't do tuna.

### ⊖ Team Mates...

**Best Hair?** Udoh, it's outstanding.

**Worst Hair?** Kirky, not really sure what he's quite going for!

**Best Car?** It's between Porter and Perry, both very good.

**Worst Car?** I'm going to have to say Dan Udiz because he always gets it for that tin can he drives!

**Best James Bond stand-in?** Porter, he's got that in him.

**Worst James Bond stand-in?** Perry Ng, I just can't see it at all.

**Best footy skills?** Cooper or Ainley, can't really separate them.

**Worst footy skills?** Take your pick from the centre-havles! Raynesy or Eddie Nolan probably.

**Best reality TV contestant?** George Ray has got that in him.

**Worst reality TV contestant?** Probably Ben Garratt because he's a little bit more reserved and quiet.

**Best lad to take on a night out?** I haven't experienced it yet, but from what I've heard Daggers is the one for a night out.

**Worst lad to take on a night out?** Perry, no words needed!

## SWAP THE ALEXANDRA STADIUM FOR THE AMSTERDAM ARENA

**L**eave your rivalries on the pitch and get on your bike to help stop a disease that kills one man every 45 minutes.

On 1-3 June 2018, two weeks before the World Cup kicks off, hundreds of football fans will take part in Prostate Cancer UK and the EFL's Football to Amsterdam bike ride and you could be one of them.

Putting rivalries aside, fans will unite to ride 145 miles over two days before finishing at the Amsterdam Arena.

Not only is it a chance to represent The Alex, but with the help of fans from across the EFL, it's an opportunity to turn the game around for men everywhere.

This is a game of two halves and your mates and you can make the difference to relegate the most common cancer in men in the UK.

Last year 380 football fans took part and raised

£600,000 which can pay for over a year's worth of life-changing research, so this really is a ride of a lifetime.

Tracey Leaburn, a Charlton Athletic fan did it for her dad and is already building her squad for 2018.

*"Last year's ride was extremely emotional," said Tracey. "I did it for my dad and every man and their family fighting prostate cancer. We can't wait to go again next year."*

Once signed up riders are supported every pedal of the way and will join an elite club to receive a Prostate Cancer UK cycling jersey plus a unique finishers medal when they cross the finish line.

There are two start locations to choose from – one in London at the Olympic Park and the other in Yorkshire at Barnsley's Oakwell Stadium.

So what are you waiting for? It's time to get on your bike and represent Crewe Alexandra in the biggest ride in football.

Sign up by the end of October and get £50 off registration with the code **EARLYBIRD50**.

Visit the club's official website or [prostatecanceruk.org/Amsterdam](http://prostatecanceruk.org/Amsterdam) now.

# Crewe Alexandra Legends

THE CONWY-BORN DAVID VAUGHAN IS ARGUABLY ONE OF THE MOST NATURALLY GIFTED PLAYERS TO HAVE EVER WORN A CREWE ALEXANDRA SHIRT. ALTHOUGH QUIET AND RESERVED OFF THE PITCH, THE SKILFUL MIDFIELDER DEMONSTRATED GREAT FLAIR ON THE PITCH. POSSESSING SUPERB CLOSE CONTROL, GREAT AWARENESS AND A POWERFUL SHOT, VAUGHAN, WHEN PLAYED ON THE LEFT WING WAS A POTENTIAL MATCH WINNER ON HIS DAY.

**P**

rogressing through the same youth team as Dean Ashton, Lee Bell and Ben Rix,

Vaughan made his first-team debut against Blackburn Rovers on the opening day of the 2000/01 season. Many fans wondered what all the fuss was about when he was substituted at half-time by then manager Dario Gradi. Vaughan was introduced before his time but he would return in spades.

Vaughan would go on to enjoy eight productive seasons at the club, winning promotion to the Championship in 2003 and scoring 20 goals in 209 games. His goal record is not a fair reflection as he was often deployed as a left-back following the departure of the stalwart Shaun Smith. His versatility made him one of the first names on the team-sheet.

The young Welshman was capped for his country at U-19, U-21 and senior level whilst a Crewe player and went on to amass 42 caps and was part of the Wales squad that reached the semi-final stage of the European Championships in 2016. He later retired from International football to concentrate on his club career.

Vaughan, now 34, joined Real Sociedad from Crewe in January 2007 for an undisclosed fee. The Spanish side were then managed by the current Wales boss Chris Coleman. His spell in Spain was short lived after Coleman resigned in January 2008.

After signing for Blackpool and converting into a central midfielder alongside Charlie Adam, the Seasiders reached the Premier League in 2010. He made 35 appearances in the top flight, scoring twice against West Brom and Everton.

Following Blackpool's unfortunate relegation, Vaughan joined Sunderland on a free transfer to continue playing in the top flight. Although in-and-out of the side at the Stadium of Light, he memorably scored a contender for goal of the season to help Sunderland defeat rivals Newcastle 3-0 at St. James' Park in April 2013. He played 59 games for Sunderland, scoring 3 goals but with his opportunities limited under Gus Poyet, Vaughan initially joined Nottingham Forest on loan in 2013.

After impressing at the City Ground, he signed a permanent deal a year later and has now played over 100 games for the club. With a wand of a left foot, Vaughan remains a class act at Championship level.

## SOUTHGATE DESERVES CREDIT FOR HIS BRAVERY IN PROMOTING YOUTH

**E**ngland's recent goalless draws against elite opponents Germany and Brazil at Wembley were most encouraging. Following the high profile withdrawals of Harry Kane, Dele Alli and Raheem Sterling (to name but three) there were many supporters and pundits quickly proclaiming that the two friendly Internationals would be pointless on one hand and potentially embarrassing on another.

They felt that a couple of heavy defeats against the current World Champions and the fluent Samba Kings would be detrimental to morale and harmful to Gareth Southgate's planning for next summer's World Cup in Russia. It

was thought that a strong Germany and Brazil would put us firmly in our place following our relatively straightforward qualifying campaign. Those projected hammerings didn't happen.

Despite our success in qualifying for next year's finals Southgate has often been vilified by those who must honestly believe that managing your country is easy. Due to the changing complexion of football, especially in our top two divisions, Southgate and his assistant, the former Crewe Alexandra manager Steve Holland, are now having to work within the confines of a smaller talent pool.

◀ Gareth Southgate and Steve Holland deserve credit for promoting youngsters.

form with West Ham, with the likes of Tom Heaton, Jack Butland and Jordan Pickford all pressing their claims for the number one spot. Competition for places is going to be crucial and it wouldn't be a major surprise that players move in the January window for game time and the possibility of propelling themselves into the squad for Russia. If they are ambitious footballers then they should move.

Due to the recent withdrawals due to injury, Southgate placed his trust in youth and it was fantastic to see. Instead of recalling Wilshere as the easy option, he picked Ruben Loftus-Cheek. The talented midfielder moved to Crystal Palace on loan from Chelsea in the summer to gain regular football at the top level and that has been rewarded with his first England caps. Dominic Solanke was chosen ahead of his Liverpool team-mate Sturridge after similarly leaving Chelsea in pursuit of first-team football.

Yes, it does appear easier to earn an England call-up now but why not give the likes of Tammy Abraham, Joe Gomez, Harry Winks and Harry Maguire an opportunity? It didn't do Michael Owen, Rooney or Marcus Rashford any harm in their teenage years.

Football has changed dramatically from the days when a Steve Bruce doesn't win an International cap despite winning numerous titles as a key defender with Manchester United. There is no room for us to be picky because there are now limited players to choose from. Our top league is a melting pot of overseas talent, so we have to select a Solanke even before he has started a league game at club level.

It is obvious that Southgate cares deeply about the game in this country. He has a real passion for England and he wants the youthfulness of our squad to recapture the public's imagination. He is right when he says that as the England manager he is asking other club managers to give young players a chance at that level, so it would be hypocritical of him not to do so. He wants to give our successful juniors a chance as soon as they are ready.

Southgate, who previously worked

alongside Holland at Under-21 level has provided hope for those talented young players coming through the system. They can now see a pathway right through from the U-19s, U-20s, U-21s and into the senior squad and that makes one hell of a difference.

If you are good enough then age is not going to be a consideration. The recent performances of the youngsters against Germany and Brazil, has only increased the competition for places. It may serve certain players to make sure they do all they can to make the squad because now there may be someone waiting for their chance to snatch your place away. It is all positive and Southgate is beginning to restore some pride in our national side after the 'Iceland debacle'.

Of course, he like any other manager will be judged when it comes to the crunch next summer. We have underperformed at major tournaments for too long. We can keep harping back to Italia 90, Euro 96, or the Euros in 2004 in Portugal, but we have got to be more resilient and help the public believe in our team again. We shouldn't be thinking about winning it or even reaching the last four because there is little evidence to suggest that we can, but our fearless youngsters may just cause a surprise. It will certainly be interesting to see if they can or not.

Thus far, Southgate has done reasonably well. It is tricky when you are overwhelming favourites in your group and the opposition are prepared to park two London buses to make sure they do not get hammered at Wembley. It is never easy to break down a 10-man defence, who are prepared to see out a goalless draw and perhaps strike on a counter-attack. There are going to be times in qualification where England have struggled to break teams down, but we still managed to win 8 of our 10 games and we drew the other two away in Scotland and Slovenia.

You only have to witness the inquests begin carried out in Italy and Holland to know that anything can happen in football. We all have a World Cup to look forward to and we are one of the 32 lucky ones.

The influx of foreign players in the Premier League and in the Championship has restricted opportunities for home-grown talent, but we are still expected to compete in tournaments and emulate the glory of 1966 when we were blessed with world class players in Banks, Wilson, Moore, Charlton and Greaves and had the luxury of home advantage too.

During his time in charge of England, Southgate has shown some genuine steel. He has proven to be decisive leader, prepared to make big decisions and he does what he says. He has already made big decisions over Wayne Rooney that has prompted him to retire from the International stage at 31. Southgate never made him any promises over selection or the captaincy.

He has warned all those players with hopes of making the squad for next year's World Cup that they have to be playing regularly for their club sides and he will select on form and fitness. That is why the likes of Jack Wilshere, Daniel Sturridge and Ross Barkley are now on the outside, enviously looking in.

### 'ALL IN THIS TOGETHER'

**G**oalkeeper Dave Richards has just completed his first ten games as the first choice Crewe keeper after been brought into replace Ben Garratt.

Dave has waited a long time for his chance due to the consistent form of Ben, which resulted in him playing 114 consecutive games.

The Welshman in an interview with BBC Radio Stoke said: "I have gained a lot of confidence in the games that I have played.

"The games at this level are much quicker, and you need to be alert and ready for anything that comes at you.

"I was just dipping my toe in at the start then you come out of your shell with the games, but now I feel I have become more commanding.

"I don't mind giving my team-mates a row, and I also don't mind accepting a row from those who are in front of me.

"It's is nothing personal we all want to do well for the fans.

"We have a talented bunch of players here, and I am sure that our position in the league will improve."

It was a big call for the manager David Artell to hand Richards his senior debut in September at Coventry.

But the Alex boss says: "Dave has come into the team and done well. We thought he would because he is a good goalkeeper. That is why he remained at the club.

"You have to trust your players and give them that chance and that is the decision we took with Trig. He has done well and I don't think he has made a mistake for any of the goals he has conceded.

"Ben is an excellent goalkeeper and I just

felt he needed a break, both mentally and physically. I am sure he will benefit from the rest and I feel he will come back even better.

"The competition is good and it is tough on them because only one of them can play."

#### WE'RE ALL IN IT TOGETHER SAYS BIG DAVE.....

Crewe boss David Artell has warned that they must find a way to start winning games on a regular basis as their whole future depends on staying in the English Football League.

Last weekend's defeat at Forest Green Rovers meant four straight losses plunged the Alex to 22nd, just one place - and three points - above the bottom two.

And Artell has told the Crewe playing staff that going down to the National League would put the club at risk.

"We have to get out ourselves of the mire. It's win some games, or oblivion," he told BBC Radio Stoke.

Alex boss says whole football club rests on staying up.

"There's no point me harping on about the referee or the state of the pitch. It's our mental state on a matchday.

"I've been in positions like this as a player. It takes every single one of you to work your socks off every single day and give everything you can. You've got to believe."

The Alex's awful away form has been woeful.

Crewe were beaten 3-2 at Forest Green last Saturday after leading twice, their eighth straight league defeat away from home.

Coupled with back-to-back losses at home, it has left the Alex in their lowest position since they were bottom at the start of the 2011 season.

A public rant at his players by Artell last season, two months after taking the job, had a positive effect, prompting a run of four wins in five games, which proved enough to keep Crewe in League Two.

And he has pointed out that it is not just himself or the first-team players who would face the consequences of relegation but the entire club, 125 years on from first entering the Football League.

"If you don't want to embrace the challenge to do it for me, or for your teammates or even yourself, then do it for the 12-year-old kid that's sat in our academy waiting to be where you are," he said.

"That's what's riding on it. The whole football club. There's 160 boys in our Academy, still dreaming."

Enjoy the game and get behind the lads.

NEWS ROUND-UP FROM AROUND GRETTY ROAD

## Crewe Alexandra supports Stonewall's Rainbow Laces campaign

**I**n a League first, EFL Clubs across the country will unite in their support of LGBT+ inclusivity by turning their corner flags rainbow coloured to raise awareness of Stonewall's Rainbow Laces campaign. Crewe Alexandra Football Club are fully behind the campaign and will feature the rainbow corner flag for today's game against Luton Town.

The bespoke rainbow coloured corner flags sit at the heart of a wide range of activities that the EFL and its Clubs will be undertaking as part of the Rainbow Laces campaign between 25 November and 3 December 2017.

In a show of solidarity to support lesbian, gay, bi and trans-gender fans, players and staff across the game the EFL will change its logo to a bespoke rainbow coloured version whilst Clubs have also been provided with rainbow laces, captain's armbands and programme adverts. PGMOL officials

have also been provided with rainbow coloured laces for EFL matches.

Stonewall's Rainbow Laces campaign aims to make sport everyone's game with national teams, leading clubs, professional players, fans and grassroots players from across football showing their support for LGBT+ people in sport.

The EFL's support for Rainbow Laces forms part of its wider LGBT+ work delivered in conjunction with Clubs through its Equality Code Of Practice. This includes delivering activities, setting policies, and advising on recruitment and education at Clubs.

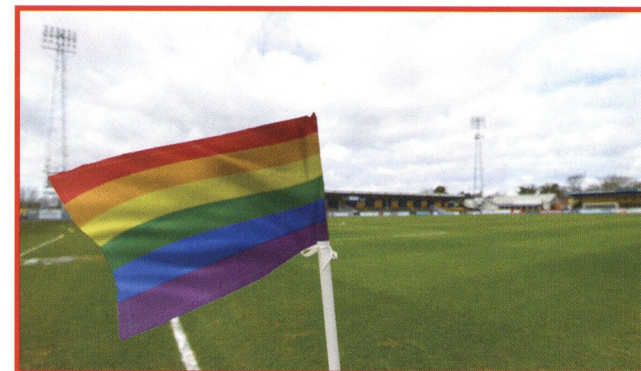

Shaun Harvey, EFL Chief Executive said: "We are proud to support Stonewall's Rainbow Laces campaign again for this season. Ensuring a safe and welcoming environment for supporters attending EFL matches remains a key priority but the EFL and our Clubs are committed to providing a positive experience for all that stretches well beyond the 90 minutes of play.

"Our specific Rainbow Laces initiatives this year will see all EFL Clubs come together to raise awareness of this important issue delivered through a range of activities which this season include converting all corner flags at EFL grounds up and down the country into rainbow colours. This follows the introduction of the bespoke EFL rainbow logo which celebrated the League's burgeoning relationship with Stonewall earlier this year.

"The campaign very much complements the ongoing work our Clubs are undertaking as part of the EFL Equality Code of Practice. Whilst acknowledging there has been progress made in this area, there is still work to be done. We can never be complacent and that is why the EFL remains committed to supporting campaigns such as this as we continue to promote diversity and inclusivity across all areas of the game."

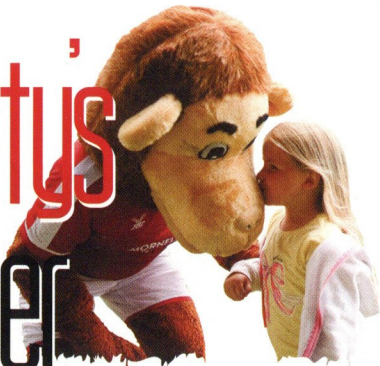

Stonewall Chief Executive Ruth Hunt said: "We're delighted that the EFL has again joined our Rainbow Laces campaign. We believe in making sport everyone's game and to do that we need allies to step up and show their support. By making such a visible show of Rainbow Laces - with armbands and corner flags, as well as of course rainbow laces - the EFL is raising awareness on and off the pitch.

"We know we can't solve this by ourselves and that's why allies are so important. We need to create a culture where everyone can be themselves. From fans, to teams, and employees at all levels, when leadership organisations step up and commit to creating a welcoming and inclusive culture in football, everyone wins."

## ►► OUR THANKS TO ALL OUR JUNIOR FANS

Everyone at Crewe Alexandra would like to welcome Paul (Gilly) Gilligan and his family to the Alexandra Stadium for today's home game. Paul supports Crewe along with his local team St. Mirren and he gets down to South Cheshire whenever he can to watch his beloved reds play.

It will be a real family affair this afternoon with Paul bringing his partner Linda, son, sister and brother in law and brother and sister in law to the match. Paul will also be checking out the club brick he had bought for him last Christmas.

We hope Paul and all his family have a wonderful day with us at the Alexandra Stadium.

I have attached a story from the St Mirren Football Club black and white magazine about my partner.

Everyone at Crewe Alexandra Football Club would like to wish Louis Dore a very happy 8th birthday. We hope you have a great day celebrating your birthday here with us with your family and friends. Have a wonderful time and let's hope we can get that win for you as well!

Louis is mad about football. It doesn't matter if it's a kick about on the school field or the World Cup - it is football! He trains on Saturdays with Crewe Alex and spends the rest of the week talking about football and dreaming of his debut!

## ►► OUR THANKS TO THE BRITISH LEGION

Crewe Alexandra would like to thank all the volunteers and service men and women who helped marked the day of remembrance on 11th November. The minute's silence was impeccably observed by everyone inside the stadium and the last post was played ahead of kick-off.

We would also like to thank all those fans who made a donation on the day to such a worthy cause. Your generosity was greatly appreciated by the British Legion.

The players also wore shirts with the poppy emblem on and those match worn jerseys have been auctioned off as well, with all the proceeds going to the British Legion.

## Bell's boys comfortably progress in FA Youth Cup

**Crewe Alexandra's Under-18s progressed to the third round of the FA Youth Cup with a comfortable 4-0 win over Evesham United on Tuesday evening.**

The Crewe youngsters controlled the tie at Jubilee Stadium and could have added even more goals than the four they did score on the night. Only a fine individual display from the home side's goalkeeper Nathan Taylor kept the scoreline down, especially in the first half when Lee Bell's side should have been out of sight. He made fine saves to deny Joe Thompson, Alex Hurst and Regan Griffiths to name but a few. Captain Joe Lynch also went close with a long range effort.

The deadlock was finally broken on the half an hour mark, with the in-form Luke Walsh delightfully chipping the ball home from close range after a short goalmouth scramble caused by Regan Griffiths trying to smuggle the ball home.

Both Griffiths and Walsh had half

chances to increase that lead before the interval but we couldn't find a way past an inspired Taylor. Luke Offord also went close with a great drive from distance.

With the wind now in our favour, our domination of possession continued in the second half and although Taylor denied Lynch and Griffiths from doubling our advantage, a fine passing move from the Alex on 70 minutes sealed the victory. Attacking midfielder Griffiths finished with a tap in after some unselfish play from substitute Rio Abebisi. Instead of going for goal himself, Rio rolled the ball over for his teammate to tap home.

Joe Lynch got his name on the scoresheet 10 minutes later with a powerful shot from just inside the Evesham penalty area.

Substitute Challis Johnson rounded off a good night for the boys with a fourth goal in the final few minutes. The forward raced onto a good through ball from Walsh, before his shot had too

much on it for Taylor to keep this one out.

Everyone at the Football Club would like to congratulate Lee, his assistant Jacko and the boys on a job well done. The youth team now face league opponents Colchester United on Thursday 14th December at the Weston Homes Community Stadium.

The Under-18s took on Hull City at Reaseheath today.

## Cheshire Senior Cup defence starts at Runcorn

**Crewe Alexandra begin the defence of their Cheshire Senior Cup crown with a First Round trip to Runcorn Linnets.**

The tie will take place at Runcorn's Millbank Linnets Stadium on Wednesday 10 January 2018, with a 7:45pm kick-off.

After defeating Nantwich Town

3-2 in last season's thrilling final at Gresty Road, Crewe received a bye for the preliminary round this year.

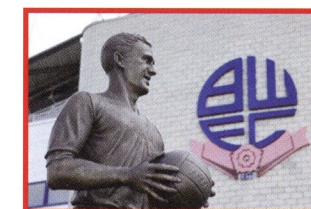

Runcorn won 1-0 away at Congleton Town to set-up the meeting with The Alex.

Ticket information will be announced in due course.

## Under-23's at Bolton on Monday

**Alex Morris' Under-23 side take on Bolton Wanderers on Monday evening.**

The game will be taking place at the Macron Stadium with a 7pm kick-off. The Development Squad match against Birmingham City in mid-week was postponed due to our involvement at first-team level and with the FA Youth Cup tie at Evesham taking place on the same evening. The fixture has been re-arranged for Tuesday 13th March at Reaseheath.
