STEVE EVANS

Tonight we are back in Cup action as we entertain Luton Town in Checkatrade cup group action. May I welcome everyone from our visitors this evening who have made the relatively short journey here from Bedfordshire. A particular welcome of course to Nathan Jones, his staff and players.

Firstly I would like to congratulate our youth team staff and players who progressed in the FA Youth Cup last week with a comfortable win over our opponents this evening. Their reward will see them travel to play against Premier League Huddersfield Town and I am sure they are all looking forward to the stern test that will provide.

It is important to state clearly that I would want us to make progress in this competition and for that to happen we need to win tonight. You will note that I have made several changes to the team from the side that with ease won at Bromley on Saturday in the FA Cup. It is very important we give all the players in the first team squad competitive minutes when possible and tonight is the perfect opportunity.

After this evening we are back here on Saturday at The Abax Stadium as we host Bradford City in League One action. As we found out at Wycombe Wanderers recently

every league match is tough and any team who does not play at their best gets beaten, it really is fiercely competitive. There is sure to be a healthy travelling support so the atmosphere is once again going to provide both teams a great platform to play on. As I said previously we will need to be at our best to take the points on offer but I really do believe in our squad, in the main they are a fantastic group to work with.

I have had to pen these notes prior to last night's FA Cup 2nd round draw but all I can ask is to be at home and against any of the low ranking non league clubs. At this stage it is about being in the competition when Santa comes along, it then gives everyone a chance to dream of what might be.

Enjoy the game, let us try and progress in this competition and I look forward to seeing you all here on Saturday when a big club like Bradford City comes to our City.

Regards

Steve

TONIGHT'S VISITORS

LUTON TOWN

Luton Town are the visitors to the ABAX Stadium this evening in the final group match of the Checktrade Trophy. The Hatters have already qualified from the group, following wins over Brighton U23's and Milton Keynes Dons, and the Posh need a win to be in with a chance of qualifying for the latter stages of the competition.

Nathan Jones was largely an unknown quantity when he was appointed as manager of Luton in 2016, having only previously been caretaker of Brighton for two games in 2014. However, he's hit the ground running in the managerial game, and has now managed Luton in over 150 matches, boasting an impressive win percentage of around 50%.

He started his playing career with Merthyr Tydfil, before joining Luton in 1995. He didn't play a game for the Hatters, and went on to have a spell in Spain, before joining Southend United in 1997. He played most of his football, though, for Brighton and Yeovil Town, and racked up over 550 appearances in his playing career.

Since our last encounter, the Hatters have signed former Brighton, QPR and Sunderland man, Kazenga LuaLua. The winger has experience of both the Championship and Premier League, but found himself without a club at the beginning of the season, before Nathan Jones picked him up in September. He spent around 8 years with Brighton, initially on loan before signing permanently in 2011, and was a regular fixture in their team until Brighton's Premier League promotion season in 2016/17.

Luton currently have one former Posh player in their ranks. Experienced defender Alan Sheehan spent time on loan with Posh in 2015, when he was a Bradford City player. He joined Luton on loan in 2016, before signing a permanent deal at the end of the 2015/16 season. The former Republic of Ireland International has now played over 100 times for the club, and was a regular fixture in the starting line up in their promotion winning team of last season.

Last time the teams met was in August, when the Posh ran out 3-1 winners at the ABAX Stadium. Jason Cummings scored twice, and Siriki Dembele netted once, before Danny Hylton notched a late consolation goal for the Hatters. Posh, historically, have a mixed record against Luton since the first competitive fixture back in 1963. However, Posh are unbeaten in the last four games between the sides, winning three and drawing one.

The two sides met in the knockout stages of this competition last season. Luton held the Posh to a 0-0 draw in normal time at Kennilworth Road. But Posh progressed on penalties, when Ryan Tafazolli scored, before Jonathan Bond saved the decisive spot kick, in a shootout that ended 7-6.

Luton have been in impressive form in all competitions this term, following on from their promotion from League Two last season. They currently sit in the League One playoff places, and sealed their progression in the Checktrade Trophy with a game to spare.

S I X T O

05 - SONNY BRADLEY

6.5 - 13/09/91

Sonny Bradley was another summer arrival for Luton, joining from Plymouth Argyle following the expiry of his contract at the end of last season. He began his career with Hull City, before making his name at Portsmouth in the 2013/14 season. He moved on to Crawley where he featured over 70 times, and earned his move to Argyle. He's been a regular fixture in the Luton team so far this term.

11 - ANDREW SHINNIE

5.9 - 17/07/89

Shinnie initially joined Luton on loan last season, before joining on a free transfer over the summer from Championship side, Birmingham City. He came through the youth system at Rangers, but it was his form at Inverness Caledonian Thistle that earned him his move down south. He has represented the Scotland Under 19's and Under 21's, and also has one cap for the senior side.

17 - PELLY-RUDDOCK MPANZU

5.7 - 22/03/94

Mpanzu played 13 matches for Boreham Wood, before signing for Premier League side West Ham United in 2011, after a successful trial. He made his West Ham debut in a 2-0 win at Burnley in the League Cup fourth round in 2013. A couple of months later, he joined Luton on loan before signing permanently in 2014. He's racked up over 140 appearances for the Hatters since his move.

W A T C H

10 - ELLIOTT LEE

5.9 - 16/12/94

Lee began his professional career with West Ham United, but had five separate loan spells during his time there, one of which was with Luton Town. He joined Barnsley for an undisclosed fee in 2016, but left by mutual consent in 2017. He then re-joined Luton, and netted 12 goals in 19 starts in his first full season with the club.

19 - JAMES COLLINS

6.1 - 01/12/90

Collins has a host of Football League experience, and has scored goals at every club he's played for. His career began at Aston Villa, but he made his name with Shrewsbury Town, scoring 22 goals in 66 games. He's gone on to play over 350 games in his career to date, and has scored over 125 goals in the process. He joined Luton in 2017 and helped the Hatters gain promotion to League One last season.

44 - ALAN SHEEHAN

5.9 - 14/09/86

Former Posh loanee, Sheehan, joined the Hatters from Bradford City in January 2016, making him Nathan Jones' first signing as Luton manager. He has since gone on to become club captain, and led the side to promotion last term, in a season that brought up his century of appearances for the club.
