# GRAEME JONES

**Good evening and welcome back to Kenilworth Road for this afternoon's Sky Bet Championship fixture with my old club Wigan Athletic.**

I spent eight fantastic years at Wigan in two spells, first as a player and then as assistant to Roberto Martinez, and have many great memories and friends at the DW Stadium.

I extend the warm welcome to those especially if they've made the trip south today, and to Paul Cook, his staff, their team and all officials and supporters who have travelled.

Although we only want to look forward to today's game and beyond, I'd like to reiterate the apology that I and Sonny, as captain, made to all supporters after the game at Brentford last Saturday.

You travelled in great numbers and got behind the team, as you always do, and I can understand why my lack of acknowledgement of that support at the end may have upset people. I have to be honest and say that was because I was so embarrassed by the manner of defeat. It was unacceptable and I can only apologise again if anyone was offended.

The reaction from the players this week has been exactly as I'd expect. They were hurting in the dressing room on Saturday and took full responsibility. They've worked so hard in training ever since, showing complete professionalism and determination to put it right.

Like so many of you, I felt so proud after the Leeds and Charlton performances here. The same players and game plan didn't work at Brentford, but I have every confidence in them to respond.

We know we can compete at this level. The players have shown it over the first four months of the season, when I can honestly say they have only left me disappointed on two occasions – at Reading and Brentford – and we need to show it today against Wigan.

The board of directors, management and players are giving everything they have got to give this club the best chance of staying in the Championship. That is unique because I know that unity doesn't happen at every club, and we need everyone to be together today for a complete Luton performance – especially that support between players and fans.

We now look forward now to three really important games this week, two against teams in and around us in the table, and one who have been doing well towards the top, with away games at Stoke and Preston following today.

I met many supporters at the Christmas Dinner at the Auction House on Monday and talking to them, I can feel the passion that has clearly helped the club get back to where it is today. It sucks you right in and we are determined to keep Luton Town moving forward.

We'll need that electric atmosphere that we had against Charlton here again this afternoon, so please sing your hearts out and help us back to winning ways.

Enjoy the game. COYH!

# DAVID WILKINSON

## Good afternoon everyone and welcome to today's rainbow laces game against Wigan Athletic.

This is the first time we have played the Latics

for 16 years when we managed to draw 1-1 at home and away in League One in the 2002/03 season, the year in which they were promoted to the Championship with 100 points. Currently they are sitting one place and one point below us, so were it later in the season everyone would be calling it a six-point game.

Clearly it is important for both of us, particularly so after last week's result at Brentford. We knew before the season started that it was going to be tough in this division. It is not a level playing field and we are having to punch above our weight. We were all massively disappointed last week, but apart from that and Reading we have, in my view, shown that we can compete.

Over the past ten years we have been the big fish in the small pond, but for the time being we have to get used to being the little fish in the big pond. David can beat Goliath, but he needs everyone to be together and behind him. We haven't saved the Club we love so much to make the same mistakes as our predecessors, and will not spend money we don't have or mortgage our future plans for short-term respite.

Those of you who were at Brentford were amazing. To out-sing the opposition when you're seven down is some feat.

We need that for every match and we can do this because we are Luton Town. We are special. Every game in this league is a challenge and we are up for it.

It's been a busy time off the field. Last Thursday at the FC Business Awards Night, Gary Sweet won CEO of the year for League One. Many congratulations to him. No-one could deserve it more. I would add that he too needs support, because it can get very lonely up there, particularly when not everything is going to order. Following on from Stephen's great notes last time, just look at how far we have come under his leadership since he brought us all together.

On Friday we attended the Love Luton Awards Dinner at Luton Hoo. Our Town is full of amazing people doing incredible things to help others and it's what makes us who and what we are.

Thank you to all those who attended our Annual Christmas Dinner at the Auction House on Monday. It was really fascinating getting Marlon Beresford, Curtis Davies and Rowan Vine's take on their time at the club and their experiences the last time we were in the Championship. So much of our supporting life is about the different memories we all have, and it's always a pleasure to have them refreshed in an entertaining way. At my age that needs to happen rather regularly. It also makes me feel very proud when they say how much they enjoyed their time here.

This was the first dinner for many years not managed by Dave Hoskins, who has moved on to work for Worcestershire County Cricket Club in a similar capacity. He is a great cricket lover and I'm sure he will have a great time there. He will have a lot of memories of his time here and we thank him for everything he has done over the years. Thanks too to Viv, Hannah and all those involved for taking over and ensuring such a smooth transition.

While we're on the subject, on Tuesday we had a Hatters Heritage Committee meeting. They are all doing an incredible job and as we've mentioned before there is an enormous amount of memorabilia to digitize and upload to the proposed website. However, they need all our input and as diverse a collection as possible of individual memories. There are roadshows planned in January, February and March at various venues and I encourage you, whatever age, to come and share

some of your experiences and memorabilia with Roger Wash, other members of the Committee and volunteers. This is all leading up to what will be an exciting website and eventually a museum at our new stadium.

As you probably know Signposts are our Club charity of the year and Stephen, members of staff and myself were honoured to be invited to their awards night on Wednesday. It was another example of what the wonderful people of Luton do for each other, and it was a privilege to meet some of the people and participate in the ceremony. Homelessness is a big problem in Luton and I encourage you to support them in any way you can.

Back to football for a bit, on Wednesday we play Sheffield Wednesday in the FA Youth Cup here at Kenilworth Road. I am fortunate to get the chance to see the Under-18s play quite often. We are a young side with a fair few still eligible for the U16s or lower, and sometimes – as with this week's game against Oxford – we get outmuscled. But it's a great opportunity to have a look at the talent coming through the ranks and to show them what it feels like in front of a crowd at the Kenny. Please come along if you can.

In closing to let you know that we have a few celebrities with us this afternoon.

As an early Christmas present, eight-year-old Ethan Matthews will be one of our mascots this afternoon. He is terminally ill

and will be here with his parents, brothers and carers from our friends at Keech Hospice Care. We hope Ethan has a fantastic day and that we give him three points as a memorable present.

We also have the wonderful Linus Udofia, who will be showing off his newly acquired English Middleweight title belt at half-time on the pitch. Congratulations Linus.

Last, but by no means least, Emmerson Boyce, who will be co-commentating with Simon. He will also go out on the pitch at half time as he never got a chance to acknowledge us before he left 15 years ago. Of course, he also helped Wigan win the FA Cup when Graeme was there as assistant manager, so both sets of fans should be pleased to see him.

## GARY SWEET COLLECTS CEO OF THE YEAR AWARD

**The Hatters were well represented at the Football Business Awards 2019 last Thursday evening when Gary Sweet was presented with his FC Business League One CEO of the Year award.**

On a fascinating night seeing how other British clubs, associations and organisations at all levels had performed away from the pitch, Gary was called onto the stage at the City of London's Honourable Artillery Company by host Mark Chapman – the BBC football presenter – to collect his award.

Congratulations Gary from all of us here at Kenilworth Road!

The other divisional awards went to Motherwell's Alan Burrows in the SPFL, Carolyn Radford of Mansfield Town in League Two, Bristol City's Mark Ashton for the Championship and Peter Moores of Liverpool in the Premier League. The Anfield chief also took the overall CEO of the Year award.

The final award of the evening went to the former FA director Dame Heather Rabbatts, who was the recipient of the Outstanding Contribution Award from former Hatters defender Paul Elliott for her work in equality, diversity and inclusion in football.

## BOURNEMOUTH AWAY IN FA CUP THIRD ROUND

**The Hatters will make the trip to the south coast to take on Premier League outfit AFC Bournemouth in the Emirates FA Cup third round.**

Former England defenders and winners of the competition, Micah Richards and Tony Adams, conducted the draw at Manchester City's Etihad Stadium on Monday evening and handed the Hatters a tough trip to the Vitality Stadium.

Subject to TV selections, the game will be played on Saturday 4th January.

The final date, which will be over the course of that opening weekend of 2020, and ticket prices will be announced once agreed between the two clubs, so please keep an eye on the club's media channels.

This week sees the Town youth team at home in FA Youth Cup third round action when they host Sheffield Wednesday here at Kenilworth Road. Kick-off is 7pm, so please come down to the stadium and support the boys. Admission to the Enclosure is £3 for adults and £1 for juniors. The winners will travel to Leeds United or Hull City in round four.

# YOUTH TEAM FOCUS: SAM BECKWITH

By Dan Briard

**Ahead of a big fortnight for the Under-18s in cup competitions, we caught up with captain Sam Beckwith to get an insight into his time with the Hatters so far...**

Sam's introduction to football is a similar story shared between many youngsters. Starting off in school football camps, Beckwith was scouted by the Hatters at Under-8s playing for his local team.

And whilst he doesn't recall the day he was scouted, Sam smiles thinking back to his first training session as a Luton youngster.

"It was quite a long time ago, but I do remember going to my first session and just enjoying it, loving it really," he says.

From then on, Beckwith has had to work hard in order to get where he is today. He hasn't always been a midfielder, in fact reflecting, the 17-year-old says he has played all over the pitch since being a Hatter.

"I've played everywhere!" he says. "Left-back, centre-half, striker, left-wing, right-wing and central midfield now."

During the summer, the midfielder impressed manager Graeme Jones - who said he was 'not out of place' in any aspect - having spent the majority of pre-season with the senior squad, playing in friendlies and travelling to Portugal for the second training camp of the summer.

In October, at the age of 17, Beckwith signed a development contract with the club which is something he was understandably delighted with.

"The best memory I'd say is getting my professional contract. It's something I've worked for years to get and for my family as well, so I was over the moon."

As Beckwith admits himself: "I think it's every kid's dream to be a professional footballer, it's a great thing to do."

After the midweek EFL Youth Alliance Cup tie with Oxford, the Town youngsters are back in cup action - this time FA Youth Cup - when they entertain Sheffield Wednesday in the third round under the Kenilworth Road lights on Wednesday.

Having been a part of the squad that won the EFL Youth Alliance Cup in May 2018 with a 1-0 win against Wigan Athletic at the stadium, Beckwith remembers the occasion well.

"I was an Under-16 and I remember Ini (Inigo Idiakoz) calling me up and I was on the bench. I think I got about 15 minutes, I come on and it was a good experience all round, obviously playing at the stadium under the lights."

This time around, the captain will look forward to leading his team out onto the pitch.

Beckwith added: "It's a chance for a few fans to come down and see what talent we've got. There are a few good players in our team so it's a chance for us to showcase our talent in front of a lot of people."

# RAINBOW LACES: MAKE SPORT EVERYONE'S GAME

Today's fixture is the Hatters' dedicated matchday in support of Stonewall's Rainbow Laces campaign, aiming to show that LGBT people are welcome at every level of sport and especially, in our case, here at Kenilworth Road.

The 'Make Sport Everyone's Game' campaign has generated huge support in recent years, and over the past fortnight supporters will have seen various elements of Stonewall's activity to encourage LGBT equality.

There will be players on the pitch wearing the rainbow laces in their boots today, the two captains will be sporting the rainbow armbands and the corner flags and substitutes' board will be changed for the game to depict the colours of the rainbow.

The two captains and match officials will hold a special pennant and several pairs of the laces tied together, as they pose for the traditional pre-match handshake pictures on the centre spot, to show unity in the campaign for LGBTQ equality.

You will have seen that the cover of Our Town, our matchday graphics on social media and the club crest on Facebook, Twitter and Instagram has been altered to depict Luton Town Football Club's support.

We know that many LGBT people live and breathe football, and that the game should be for everyone. Whether we're cheering or competing, we are all at our best when we feel part of the team and we can all lead the way by doing little things to be more inclusive.

Together we can make sport everyone's game.

Anyone who wants to find out more about the Rainbow Laces and Come Out Active campaign should visit [www.stonewall.org.uk/rainbowlaces](http://www.stonewall.org.uk/rainbowlaces).

You can also find information on social media by searching for #RainbowLaces and #ComeOutActive and @stonewalluk on Twitter, Facebook and Instagram.

## HATTERS HEADING OUT ON LOAN

**Two of the Hatters' young prospects have agreed further loan moves to help them gain more senior experience since we were last at home.**

First, teenage defender Corey Panter joined Southern League Premier Division Central side Biggleswade Town, having spent the previous month at Hendon.

Corey made six appearances for the Greens, scoring one goal – a fantastic long range strike against Hayes & Yeading United – before joining Biggleswade following the return of former boss Chris Nunn last week, ironically replacing Lee Allinson, who had left to take over at Hendon!

The 19-year-old was one of eight debutants as the 12th-placed Waders shocked promotion hopefuls Hednesford by winning

1-0 at the Carlsberg Stadium last Saturday. He will remain with Biggleswade until early January.

The following day goalkeeper Harry Isted made his second loan move of the campaign, joining National League South leaders Wealdstone for the same period of time.

The 22-year-old has already enjoyed a spell out on loan this campaign – spending a month at Oxford City – and just as he did with them, he kept a clean sheet on his Stones debut last Saturday, earning the man-of-the-match vote in a 3-0 victory over Concord Rangers.

Good luck to the lads in their spells away from the club – although both will continue to train at The Brache on a daily basis.

## BASIL, 90, IS THE TOWN'S KING OF SPAIN!

**Basil King must be one of our longest serving supporters having followed the Town since the age of eight. This year he has celebrated his 90th birthday!**

It all started in 1938 when his great uncle Percy George Alder's (of the Luton based opticians) gardener took Basil to see his first ever football match. From that trip to Kenilworth Road he was hooked on the Hatters.

Basil still remembers this vividly, and subsequent matches – particularly Dally Duncan's skills on the left wing and another match when Hugh Billington, centre-forward, gave the Wolves centre-half the run around, resulting in a 1-0 win.

Having seen the good and bad times over the years, Basil has always remained true to Luton Town.

His one failing is that he has not managed to convert any of his eight grandchildren to follow his passion, unlike his cousin, whose son and grandson are season ticket holders.

His passion for the club was evident again on the family holiday to Spain this year to celebrate his birthday.

The holiday coincided with the opening game of the season – and the Friday night visit of Middlesbrough to the Kenny. Luckily for Basil, Sky Go came to the rescue!

So while the family enjoyed another evening meal all sat around the table, Basil was present but his focus was elsewhere as the picture shows.

Jamal Lowe started his football career with Barnet in 2012, a spell which lasted three years before he moved to Hampton & Richmond Borough.

It was there that Lowe made a lasting impression – scoring 29 goals in 48 appearances – earning a move to Portsmouth in the process. Under Paul Cook and more recently Kenny Jackett, Lowe amassed 25 goals in over 100 appearances for the club.

Last season he provided 17 goals and nine assists in all competitions, including a goal at Wembley during Portsmouth's Checkatrade Trophy win against Sunderland.

Cook signed Lowe for Wigan this summer and has played the winger in every game this season.

## THE MANAGER

# PAUL COOK

Paul Cook was appointed as Wigan manager in 2017 after leaving Portsmouth, who he had just led to the League Two title.

In his first season with the Latics, he led them to the League One title and on an impressive FA Cup run, that saw them beat Premier League opponents West Ham, Bournemouth and Manchester City.

Cook made over 640 appearances during his years as a player, turning out for the likes of Wigan, Norwich City, Wolverhampton Wanderers, Coventry City, Tranmere Rovers and Burnley.

After hanging up his boots in 2006, Cook went straight into management with Southport, before future spells with Sligo Rovers, Accrington Stanley, Chesterfield and Portsmouth.

A seasoned player in the game, David Marshall signed for Wigan during the summer after a three-year spell with Hull City.

Prior to his time at the KCOM stadium, the Scotland international is best known for his seven years at Cardiff, where he went on to make over 260 appearances for the club.

He started his career with Celtic and made 35 appearances for them in a five-year period, before moving to England where he has remained ever since.

The 34-year-old is an important part of Scotland's team also, having played in their last two Euro 2020 qualifying games. He will hope to be playing in next summer's tournament should they beat Israel in the play-offs.

The 27-year-old joined Wigan in May 2017 and remains ever-present in defence for the Latics. He started his career with Crewe Alexandra and has progressively worked his way up through the leagues after initially dropping down the pyramid.

After spells in Non-League football with Hednesford Town and Kidderminster Harriers, Dunkley joined Oxford United in 2015 after originally going there on loan.

His time at Oxford lasted two years before he then became Paul Cook's first signing at Wigan. Impressively, Dunkley has now made over 100 appearances for the Latics and has found the back of the net 12 times, including five goals already this season.

Sam Morsy spent nine years with Wolverhampton Wanderers at the start of his footballing journey before moving to Port Vale where he began his senior career.

From there he joined Chesterfield before moving to Wigan in 2016, where he has played ever since barring a loan spell with Barnsley in his first season.

With well over 100 appearances for the Latics, Morsy is also an experienced player at international level, having been capped by Egypt seven times.

Further, Morsy has worn the captain's armband since the 2017/18 season as he remains an integral part of Paul Cook's team.

Up-front, talisman Kieffer Moore will likely lead the line as he has done since joining from Barnsley in the summer.

With 19 goals in all competitions last season, Moore was snapped up by Paul Cook and has since made his international debut for Wales – accumulating five appearances, scoring two goals.

The 27-year-old has worked his way up the pyramid to get to the Championship, starting with Truro City.

Since then he has turned out for Dorchester Town, Yeovil Town, Viking F.K, Forest Green Rovers and Ipswich Town, prior to his time with Barnsley, and now the Latics.

# CLASSIC CLASH

CLUB HISTORIAN ROGER WASH  
DELVES INTO HIS ARCHIVES...

06.10.1987 | LUTON TOWN 4 WIGAN ATHLETIC 2  
LITTLEWOODS CUP 2ND ROUND 2ND LEG

**Season 1986/87 had finished with the Hatters in seventh spot in the top-flight, the highest in their history.**

The decision of manager John Moore to resign after only one year in the job in the summer of 1987 came somewhat as a surprise. Feeling personally uncomfortable at the high-profile nature of the role and also having to fend off criticisms of the club that had nothing to do with him, such as the artificial surface at Kenilworth Road as well as the banning of away supporters.

The Board turned to Moore's assistant Ray Harford who gladly accepted the position and immediately bought in Danny Wilson from Brighton for £150,000 to bolster his midfield.

No sooner had he done this when another midfielder, Peter Nicholas, decided that the lure of European football at Aberdeen was too good to turn down and left in exchange for a cheque for £350,000. One in, one out with a profit of £200,000 was the sum total of an unusually quiet summer.

The Town started the season on a five-game winless run which set the alarm bells ringing. The players could not get used to Harford's style of football and as soon as he reverted to the 'old' way, the results took an immediate turn for the better and by the time of the visit to Wigan in a Littlewoods Cup second round first leg tie at Springfield Park, the Town were up to mid-table.

In the previous campaign the club's stance on away supporters meant they were excluded from the now Littlewoods sponsored competition after 5,000 Cardiff fans professed to be willing to travel to Kenilworth Road for a second round mid-week tie! As such the trip to Wigan was our first ever Littlewoods Cup tie.

Wigan were top of Division Three (now League One) and their highest crowd of the season at that stage of 5,018 was present to see the home side miss two glorious opportunities in the opening 15 minutes. Playing direct football, Wigan pierced the Town's defence twice with Bobby Campbell and Mark Hilditch blasting the ball wide from good positions.

**■ Mick Harford was at his awesome best that evening and was virtually unplayable, especially in the air as proved by two rocket headers. ■**

DARRON MCDONOUGH HAMMERS THE BALL AT THE WIGAN DEFENCE

Gradually the Town settled down and took the sting out of the Latics by scoring after 18 minutes with a gem of a shot from Micky Weir.

Weir had been signed from Hibs a couple of weeks before. The Town offered £50,000, Hibs wanted £300,000 and the Hatters eventually paid a tribunal fixed fee of £230,000. Making his full debut on the wing, Weir aided the forthcoming tribunal by putting in a quality performance which the Latics could not handle.

Wigan huffed and puffed after the goal but could not find a way through a Luton rearguard ably marshalled by Steve Foster and Mal Donagh. The only downside to a professional display was the ankle injury suffered by David Preece which was to keep him out for seven months.

The second leg took place two weeks later when only 4,240 turned out to witness what everyone regarded as a foregone conclusion. The artificial surface was not a great leveller and lower division sides always struggled at Kenilworth Road given the precision passing needed.

Mick Harford was at his awesome best that evening and was virtually unplayable, especially in the air

as proved by two rocket headers after 25 and 35 minutes from accurate crosses from full back Tim Breacker and Weir.

Darron McDonough, replacing the injured Ricky Hill, hit a third before half-time and with wingers Weir and 19-year-old Kingsley Black, in for Preece, tormenting the Wigan rearguard, fans wondered what the final score would be.

#### Stuffing

Perhaps complacency set in midway through the second period as Wigan suddenly scored twice to bring a little uncertainty into the Luton ranks. Firstly David Hamilton rocketed in a header and then Foster turned Paul Jewell's low cross into his own net.

Wigan found new heart but had the stuffing knocked out of them two minutes later when Harford rifled home his hat-trick goal and with it a comfortable 5-2 aggregate win.

Little did Luton Town supporters realise at the time, that the overhauling of Wigan was the start of the glorious road to the final when Arsenal were overcome 3-2 at Wembley on a never to be forgotten day.

## The Town's stay in Division Three (now League Two) in 2001/02 was only of one season's duration.

The Hatters finished runners-up to Plymouth in a glorious campaign, amassing 97 points, 30 wins, 15 away victories and 46 away goals scored, which were all records for the club.

Manager Joe Kinnear refused to rest on his laurels though and recognised that several of the players who achieved promotion would not cut it at a higher level so embarked on a number of player movements, both in and out, over the summer.

The Town started off the new season with four straight defeats, but after a two-hour grilling by Kinnear following the fourth loss, the team drew 0-0 at promotion favourites Cardiff in the next game.

This draw formed the platform for the Hatters to gradually climb the table and by the time of the visit of leaders Wigan, tenth position had been reached. This was despite a run of injuries that had seen nine players on the treatment table for a variety of ailments.

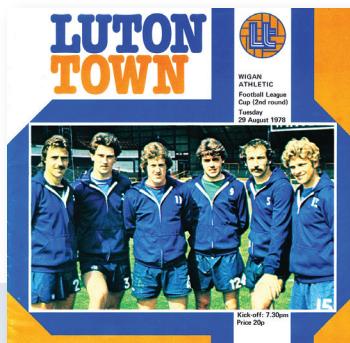

Three of the injured returned to the side to face Wigan and after a bright start, the Town took the lead on 24 minutes when a deep cross from Peter Holmes was headed back across the area by Steve Howard for Aaron Skelton to bundle in a rare goal.

The Hatters hung on to this lead comfortably against a side that had cost £4.75 million to put together, and were boosted when, with five minutes to go, former Town defender Matthew Jackson was dismissed after a second yellow card.

Sadly a win was not to be as the previously watertight defence was breached with a couple of minutes to go when an unmarked Jason de Vos headed in a Steve McMillan free-kick for an undeserved leveller. The mark of champions, which Wigan were to become!

## OCTOBER 1997

The first Football League meeting between the two sides. A David Oldfield strike for the dominant Hatters is cancelled out when Roberto Martinez tumbles theatrically in the box leaving a certain Graeme Jones to level from the spot.

## AUGUST 1978

Football League new boys Wigan meet the Town for the first time in a competitive match. Despite stout resistance from the Latics, two goals from Brian Stein see the Hatters through in this League Cup tie.

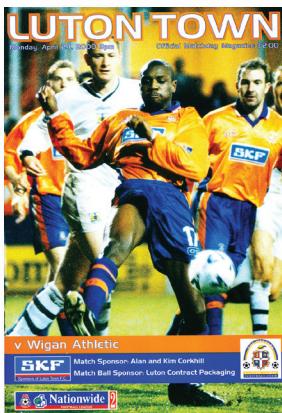

## FEBRUARY 1998

The return is played in front of the lowest Kenilworth Road crowd of the season - 4,403. The scoreline and the two goalscorers are the same although the Latics score first this time.

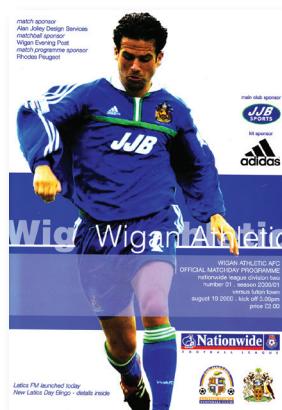

## AUGUST 1998

The Hatters win 3-1 at Springfield Park with goals from Steve Davis, Sean Evers and Phil Gray. The only downside is a broken ankle suffered by Liam George following a late tackle from Latics' Scott Green.

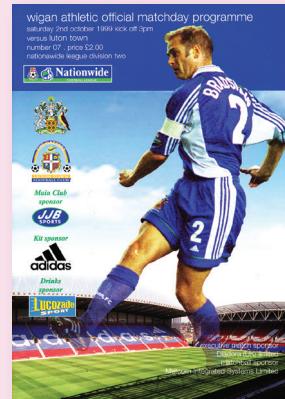

## APRIL 2000

The Town are on top in the first half only to go in one down at the interval. The Latics have the better of the second period but allow Phil Gray to head in the equaliser.

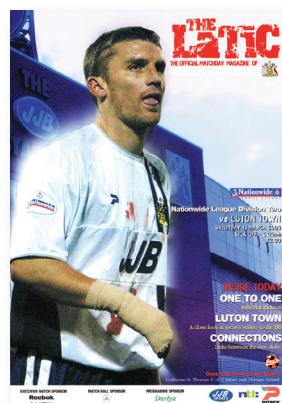

## AUGUST 2000

Former Hatter Bruce Rioch is introduced as the new Latics manager. His counterpart, Ricky Hill, watches as the Town go down 2-1 in a game that is more comfortable for the home side than the scoreline suggests.

## OCTOBER 1999

The Town's first visit to the new JJB stadium finishes in a 1-0 defeat. Gary Docherty sees a perfectly good effort ruled out before his poor clearance sets up Stuart Barlow for the winner.

## MARCH 2003

Wigan are runaway leaders in Division Two (now League One) but the Town are fighting for a play-off spot. A hard-fought tussle finishes 1-1 with Steve Howard heading the Hatters goal.

# CHRISTMAS DINNER

STARS OF THE 2004-05 PROMOTION SQUAD RETURN TO THE TOWN

**The Hatters Christmas Dinner at the Auction House was a roaring success as three of the League One promotion winning players from the 2004/05 campaign spoke highly of their time with the club.**

Rowan Vine, Curtis Davies and Marlon Beresford shared their memories of that season, with the trio reminiscing about what Rowan called “probably the best time of my career.”

“When they contacted me a few weeks ago I couldn’t wait to come down,” the former Portsmouth and Birmingham City striker explained. “For me, Luton Town

Football Club has been a massive part of my career and I am honoured to have been invited and to meet the supporters here tonight.

“I think if you speak to any footballer about success, proper success and winning things, they will always remember that. When we won League One, it was the first bit of real success I had in my career. I was speaking to Curtis last week, and we have both gone on to have good careers, but we both agreed it was one of the best seasons of our careers.

“It’s not just because we had success, but the feeling we had here, you feel part of the club. I hold this club close to my heart and for me, it’s probably the best time in my career.

“It’s been a brilliant night, I have been humbled by all the people that are here. I will always look back at the two years I had here as the grounding for my career.”

>>>

Marlon spoke just as well of that campaign, and what a great experience the evening was back amongst supporters who he remembers cheering on the side when he was in-between the sticks.

He said: "It's great to see Curtis and Rowan. A bit of reminiscing, memories, a few drinks and a really good evening.

"It's excellent to see those faces that were here ten, 15 years ago when I was playing. Being back amongst those supporters. I follow Luton, I go and watch a lot of the games anyway, so I am aware of what's going on. It's always nice coming back."

Curtis – who is still a regular for fellow Championship outfit Derby County – was delighted to be back at a club he holds close to his heart.

“It’s good to see all the familiar faces – the Luton Town fans who did and still come to all the events. It’s good to see Marlon and Rowan, I’ve always wanted to get the band back together. I have always been welcomed here, I was only here a short time, but I have always been welcomed back with open arms, which I really appreciate, it’s a club that I love.

“We’ve been speaking about changing rooms and the way that people are. Our changing room back then was ruthless, that’s what kept us winning. We had people like Nico, Stevie Howard, Steve Robinson, that weren’t scared to say anything.

“We lost six games all season and after those losses we were at each other’s throats. I was one of the younger ones hiding in the corner! That’s what we demanded of each other though. We finished with 98 points, it could have been 100 and we ended up getting promoted. I wish a few more of the lads were here!”

A huge thank you to all the supporters who attended the evening, which also saw over £2,000 raised for Club Partner Charity of the Year, Signposts.

## STORY OF THE MATCH

The Hatters brought an end to a run of five consecutive defeats with a fine win over Charlton Athletic as they came from a goal down at Kenilworth Road.

Jonathan Leko opened the scoring after Macauley Bonne played the man on loan from West Brom through - the forward calmly slotting past James Shea with only seven minutes gone.

Town responded 12 minutes later through Pelly-Ruddock Mpanzu who fired into the bottom left corner from Izzy Brown's deflected cross, the midfielder making no mistake as he drilled the ball past Dillon Phillips.

Brown completed the comeback with a lovely finish after being picked out by Andrew Shinnie - the Chelsea loanee lifting the ball over the head of his marker with a deft touch before nutmegging the keeper to put the Town in the lead.

## STORY OF THE MATCH

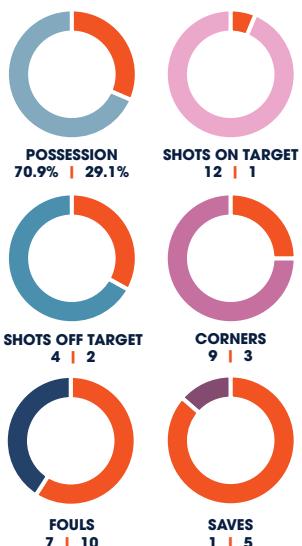

Town fell to a heavy defeat at Brentford last Saturday with the poor result compounded by injuries to Brendan Galloway and Izzy Brown.

With the score 5-0 to the hosts going in at the break, Galloway and Luke Bolton were brought on for the second half.

However, the former Everton man went down off the ball and had to be stretchered off, with Graeme Jones reporting after the match that the defender had suffered a ruptured patella tendon.

Ten minutes beforehand, Brown had hobbled off with a hamstring problem.

Two second half penalties for the hosts saw the score finish 7-0, on what was a day to forget for the Hatters.

# MY TOWN

THIS SEASON WE ARE ASKING FOR A SUPPORTER'S ALL-TIME FAVOURITE XI FROM THE PLAYERS THEY HAVE SEEN PLAY IN THEIR TIME FOLLOWING THE HATTERS.

**KEVIN HARPER** SHARES HIS TOWN TEAM TO TAKE ON THE BEST!

## **MANAGER: JOHN STILL**

The man who began the recovery that sees the Town where we are today. Just a truly wonderful man who put a brilliant Conference team together. We will always be indebted to Mr Still for getting us out of non-league hell.

## **GK: KELVIN DAVIS**

I started supporting the Town a little too late to appreciate the great Les Sealey so my first memories of a top keeper was Kelvin Davis. His debut against Watford was memorable and he went on to have a great career.

## **RB: KEVIN FOLEY**

This could easily have been Jack Stacey but Kevin Foley was such an understated, reliable part of our success in the 2000s. Went on to play in the Premier League and for his country.

## **LB: MATTHEW TAYLOR**

I always remember his long-distance thunderbolts from all parts of the pitch as well as his crossing ability. Another who went on to have a great career in the top flight.

## **CB: CURTIS DAVIES**

One of the classiest defenders I have ever seen in a Luton shirt and still delivering for his clubs today. His spell with the Town was short but the impact he had in that League One side was great.

## **CB: STEVE FOSTER**

I just about caught the end of Steve Foster's Luton career and what a career it was. Still the only man to lift major silverware in our history.

## **LM: JEAN LOUIS VALOIS**

His debut against Torquay was something special. If you were there you would never forget it. Scorer of great goals and a superb crosser of a ball. Shame he wasn't here longer.

## **CM: RICKY HILL**

Again I only caught the end of Ricky Hill's career in a Luton shirt but what a player he was. Many tell me he was the best to have ever played for Luton. Having seen the videos it is hard to disagree.

## **CM: DAVID PREECE**

Possibly my favourite ever Luton player. A superb passer of the ball who is much missed today. Classy operator who caressed the ball into his teammate. One of our best ever players.

## **RW: SCOTT OAKES**

One of my favourite players growing up. The hat-trick against West Ham wrote him into Luton folklore and he scored a trademark run past a bunch of defenders against Derby that I'll always remember.

## **ST: MICK HARFORD**

The best striker I've ever seen in a Luton shirt. Powerful, strong, committed to Luton and still playing a major role in the club today. Had the pleasure of meeting and interviewing 'Big Mick', memories I'll always cherish.

## **ST: STEVE HOWARD**

Given that I missed Brian Stein's first Luton spell, Steve Howard gets in my other striker spot. Scorer of all kinds of goals and tremendous character after bouncing back from that York debacle.

# ACADEMY UPDATE

WITH ANDY AWFORD

Good afternoon everyone and welcome to today's game versus Wigan Athletic.

## U18S

The Youth team have had two fixtures since the last programme notes. A 7-1 home victory in the league versus Milton Keynes was a very good performance. Leading 5-0 at the break, the boys were ruthless with their finishing and thoroughly professional in their whole approach.

The second game was not so successful as we departed the EFL Youth Alliance Cup on Tuesday night following a 5-1 defeat to Oxford Utd. The scoreline was slightly harsh in that we had dominated the opening 25/30 minutes, hit the post and missed a couple of other chances.

Unfortunately, they hit us on the counter and we went in 1-0 down at half-time.

To be fair to Oxford, they stepped things up in the second half and fully deserved their victory and we wish them well in the next round.

## FA YOUTH CUP

The U18s have a great opportunity to put the Oxford defeat behind them when we welcome Sheffield Wednesday to Kenilworth Road on Wednesday night (7.00pm kick off) in the third round of the FA Youth Cup.

It would be great to see as many of you as possible at the game as we all appreciate your support so much. Admission is £3 for adults and £1 for concessions.

## EFL U15 FLOODLIT CUP

The U15s have made a good start to the EFL U15 Floodlit Cup with victories in the opening two games (5-0 away at Stevenage & 1-0 at home to Cambridge). The boys travel to Ipswich on Monday night for their penultimate game and finish with a home fixture versus Peterborough in January.

Hopefully we can get out of the group and make it into the knock-out stage – good luck to the boys and the staff.

## SWIFT RETURN

I would like to take this opportunity to wish Ashden Murray (U9s) a swift return to playing football. Unfortunately, Ashden suffered a knee injury during a recent game against Southend Utd at The Brache.

Stay strong Ashden, we are all with you...

Enjoy today's game...

COYH!!

Andy

## HATTERS TRUST ARE FINALISTS IN BRITISH SPORTS AWARDS 2019

**The Sports Journalists' Association British Sports Awards** is an annual award ceremony which members of the SJA – more than 700 of the country's leading sports writers, editors, photographers and broadcasters – vote for the Sportsman, Sportswoman and Team of the Year in the longest-established awards of their kind in Britain.

This year the Trust was one of six nominated finalists in the Sport for Social Change category alongside overall winners Salaam Peace.

The SJA Sport for Social Change Award aims to highlight the work of organisations across the UK who use sport to create a positive impact on local communities. This year the SJA recognised our Luton Street League project delivered in partnership with Luton Borough Council through the offices of the European Social Fund, and our delivery team from the Trust enjoyed a gala dinner presentation in the presence of some of sport's greats, with a highlight meeting Dina Asher-Smith – the world 200 metre champion.

The project concentrates on Luton's most deprived 11 wards covering the north and south of town.

Luton Street League began operating ten centres across town in April 2018 offering mainly football, cricket and basketball with partners Beds Cricket and Luton Basketball, together with other sports activities developing these centres into cross town league formats with young people from right across Luton, aimed at improving community cohesion.

In addition, all centres have offered advice, information and guidance (AIG) workshops on employment training and skills as well as knife and gun crime and drug awareness workshops aimed at improving participants' current employability opportunities, or future employment chances, as well as improving community cohesion.

Luton Street League project falls within the Council's Community Local Led Development (CLLD) strategy produced through consultation with those who work and live in Luton.

The CLLD sets out a vision and action plan centred around six strategic objectives that all address in one way or another the many barriers to employment that certain sections of the Town's population face, as well as focusing on the importance of community cohesion in raising the outside perception of Luton to employers and potential visitors.

Head of Trust, Kevin Thoburn, commented: "The project was a long time in the planning and we're grateful for Luton Council's support in realising our vision and eventually making the project happen.

"The idea of a cross Town sports league has been on our 'to do' list for some time as we believe through using the power of sport and our 'badge' we have the most effective tool to improve community cohesion among young people in Luton.

"Our aim is to tackle some of the trickier problems in the town around gangs, knife crime and extremism that often attract young people who maybe feel excluded from the mainstream either in terms of getting a job or better training or skills to get a job.

"It's probably our most ambitious project and to date we have seen almost 700 participants take part in an activity. We fully expect the project to have a life of at least another two years, which gives everyone half a chance of making a real impact and being part of the solution to make real lasting changes for individuals in some of the most deprived parts of the Town.

"The British Sport Awards nomination is recognition of both our project's success, but also recognition of the fact we are using the club's badge to address some serious social issues in the Town."

If you would like to find out more about the Luton Street League, please call us at the Community Trust offices in Ely Way on 01582 561 622.

## EFL U11 KIDS CUP IN ASSOCIATION WITH UTILITA

## BEDFORD 3-4 LUTON TOWN KANE HAT-TRICK MAKES IT THREE WINS IN THREE AGAINST BEDFORDSHIRE RIVALS THIS TERM

**A Rebecca Kane hat-trick and a long distance strike from Erica Byron sealed victory in the Eastern Women's Regional Premier Division clash a fortnight ago.**

After beating Bedford 7-1 the previous week in the County Cup quarter-final, it was never going to be easy a week later in the league.

Kane opened the scoring on two minutes, when she looped her header over the keeper from a Zara Carroll free-kick.

The Hatters should have doubled the scoreline but a good save from the Bedford keeper denied Jess McKay.

Bedford came back and found the net when a cross hit the angle of the bar and bounced out, landing nicely for the striker to slot home.

A very controversial free-kick then saw the home side go ahead when Town keeper Chinue Ayton tipped it onto the bar and a goal-line scramble resulted in a goal.

The Hatters kept their cool and continued to play some great football. A scramble from a McKay corner at the other end almost went in and the Bedford keeper made another two outstanding saves from a Kane chance and a McKay header.

Just before half-time, Kane scored two quick fire goals – the first a quality through ball from Byron was placed in the corner, and the second saw Kane round the keeper to finish her first half hat-trick.

### Superb

After the break Ayton made another good save just getting to the ball ahead of the striker and clearing. It was a fairly evenly contested half, but the Hatters kept looking for the fourth goal. This eventually came in the 81st minute when Byron found the net from 30 yards, sealing the three points.

Bedford scored a third in the 94th minute but Town held on and got the three points.

Hatters' manager Nikki Baker said: "Today was always going to be hard after last week, but we played some superb football today and deserved the win.

"We have played Bedford three times this season now and won all three, so we are happy. It will be good to pick up some points before Christmas now and push towards our goal of promotion."

## WHO?

Now in their second campaign back in the second tier, the Potters are second from bottom ahead of their match against Hull City this afternoon. Having won promotion from the Championship in 2008 as runners-up, under Tony Pulis, Stoke became an established Premier League side, with Mark Hughes taking over the reins and leading them to three ninth place finishes. A difficult 2017/18 campaign saw them relegated.

## STADIUM - BET365

Known as The Britannia until 2016, the Bet365 Stadium was built in 1997 at a cost of nearly £15 million. Following building work in 2017, the all-seater stadium can hold just over 30,000 spectators, with the Tile Mountain Stand able to host nearly 11,000 of those. Potters legend Sir Stanley Matthews' ashes are buried underneath the centre-circle, having been born in the city-centre and played for the club for over 20 years over two spells.

## HAVEN'T WE MET BEFORE?

Our last meeting was a League Cup second round match in 2015, with Cameron McGeehan grabbing a late equaliser after Jonathan Walters had put the visitors in the lead. Scott Griffiths missed the all-important penalty as the Potters progressed in the competition, winning 8-7 on spot-kicks. In total the two sides have faced each other 42 times, with Town winning 11, drawing 15 and losing 16.

## KNOWING ME, KNOWING YOU

Former Hatters boss Nathan Jones left the club in January to take over at Stoke City, however after just 11 months in charge at the Bet365 Stadium and six wins in 38 games, the Welshman departed the Staffordshire based outfit. Mark Stein began his career with the Town, before going onto play for QPR and Oxford United. He joined Stoke in 1991, and after a prolific two years, he joined Chelsea.

# THE LAST WORD

BY STUART HAMMONDS – PRESS & MEDIA MANAGER

**The Last Word today is one with a difference, as I introduce a truly special guest at today's match – or should I say reintroduce.**

You may have read about Ethan Matthews, an eight-year-old Stotfold boy who loves the Hatters (and Manchester United apparently), in the local and national media over the last few days.

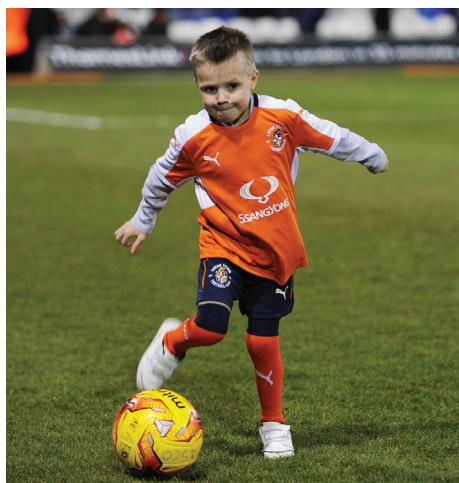

His mum Hannah and step-dad Henry Matthews brought their wedding forward last week, after receiving the devastating news that Ethan's cancer had returned.

Ethan is no stranger to Kenilworth Road. He graced the playing surface here just under two years ago, when – after undergoing an operation and chemotherapy after being diagnosed with a brain tumour in 2016 – he showed his fitness and footballing skills as mascot ahead of the Wycombe match in League Two on January 30th, 2018.

Today he makes his Championship debut as part of his early Christmas celebrations with his family and carers from Keech Hospice, who were our supporters' charity of the year for 2017-

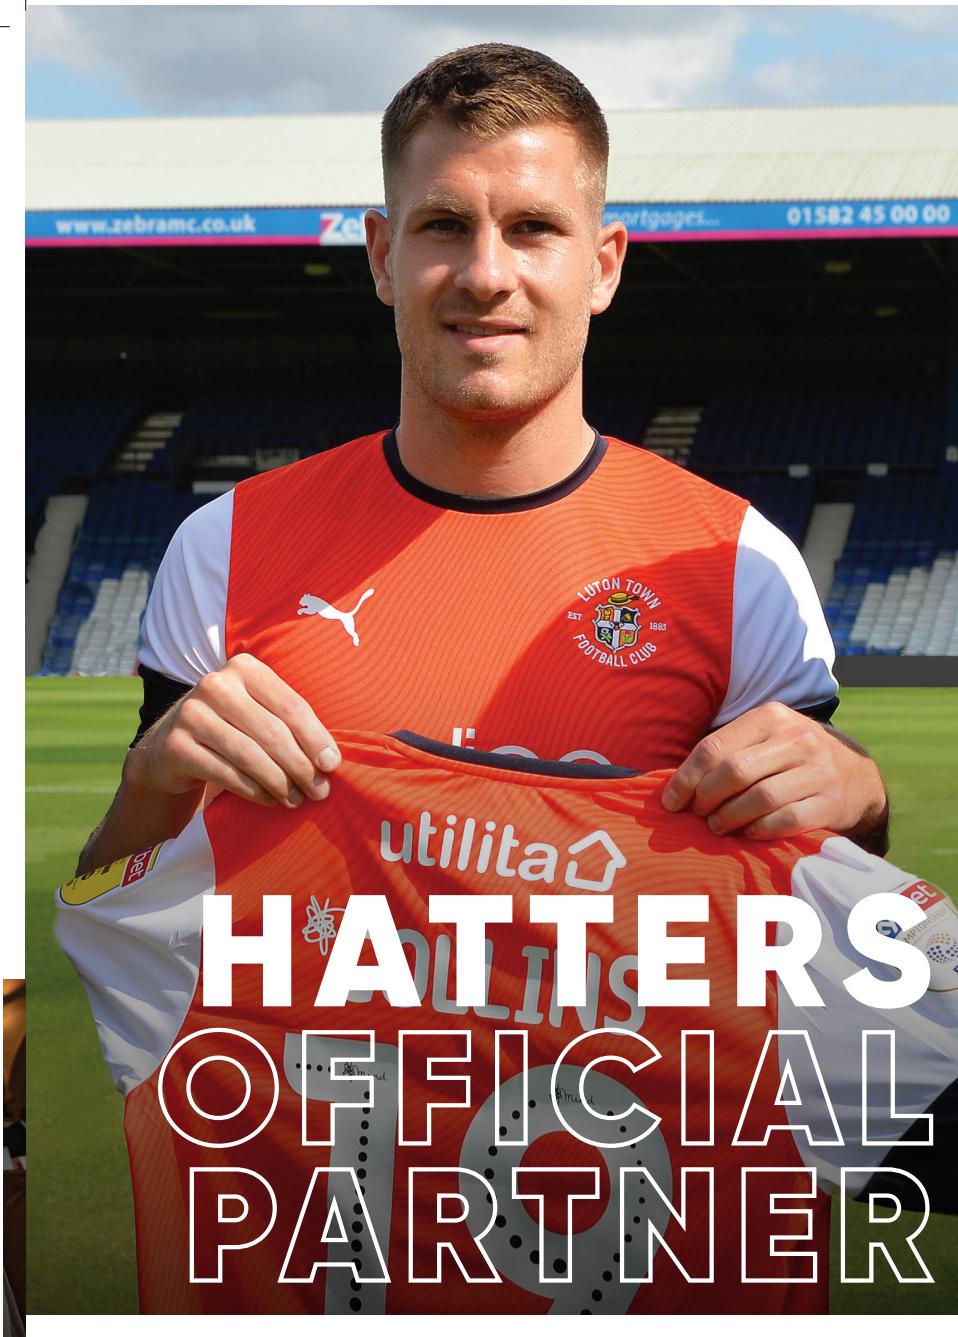

18 and are renowned for caring so wonderfully for terminally ill people of all ages.

Everyone connected with Luton Town Football Club wishes Ethan the most memorable day and a very merry Christmas!

Luton Town Football Club's commitment is to promote inclusion and to confront and eliminate discrimination, whether by reason of age, disability, gender reassignment, sex, sexual orientation, marriage and civil partnership, pregnancy and maternity, race, religion or belief.
